COURSE REQUIREMENTS AND POLICIES

Teaching Strategies: Course material will be presented through in-person or video lectures, online materials and interactive workshop formats. This course will consist primarily of class roundtable discussions and some didactic presentations. Canvas e-learning platform will provide students with content to supplement discussions, details regarding assignment expectations and grading criteria/rubrics and serve to assist the student with applicable resources for programmatic success within the Doctor of Athletic Training Program.

Examination: The final examination will range in points from 75 – 150 and include a variety of question formats (e.g., multiple choice, select all that apply, matching and rank order). There will be NO make-up examinations unless exceptional conditions occur (as defined in the [University of Florida Catalog](#)). Prior permission from the professor is required. There will be a time limit for each examination. Examinations will evaluate the understanding of material from lecture, text, and other supplemental material provided. Examinations may be administered via e-learning using lock-down browser or additional proctoring method. Students should visit the [website](#) (Links to an external site) and download "Lock Down Browser" for either Windows or MAC. It may take 5-10 minutes to download so please complete the process prior to accessing an examination. As a reminder, please be sure to have a secure internet access when taking examinations - do not use a Wi-Fi access, as this is not a stable and consistent option. For MAC users, Safari is not a compatible internet browser with Canvas - please use either Internet Explorer, Google Chrome or Firefox (version 10 or 12 - not version 11) when accessing the e-learning system. If you have issues during an examination, please call the help desk 352-392-4357. Students should complete examinations during Help Desk hours so you will have access to assistance if needed. If you have an issue during a quiz/examination, please email the instructor once you have submitted the examination. Access to examinations after submission is restricted, but you will see the grade and it will be posted in the course gradebook.

Quizzes: Quizzes (6) will assess learning progress from lecture material and assigned readings. There will be a time limit for each quiz. To ensure that students are reading the assigned material, the quizzes may be both announced and unannounced. Quizzes will range from 1-25 points and include a variety of question formats (e.g., multiple choice, select all that apply, matching and rank order). For quizzes administered in e-Learning students may use notes only upon request of the instructor. The quiz will assess your retention of reading assignments. Students should employ examination best practices (stated above) for e-Learning quizzes. There will be NO make-ups for missed quizzes (showing up late, etc.), unless exceptional conditions occur as defined in the University of Florida Undergraduate Catalog. Please see this [link](#) for more information.

Surveys: Using Qualtrics, students will complete self-assessment surveys (2); designed to guide individual practice goals within Athletic Training and assess personal improvement during the course. Students will receive points for completion and on time submission. Late submissions will receive no points.

Assignments/Projects: Assignments/projects are to be uploaded prior to the onset of class on the date assigned to them. **LATE ASSIGNMENTS/PROJECTS ARE NOT ACCEPTED!** If you will be traveling for a clinical-sanctioned event, your assignment/project remains due prior to the onset of class on the date assigned to them.

Discussion Prep (4): Students will prepare answers/questions/discussion points on topics initiated by material in *The Seven Habits of Highly Effective People*. The instructor will provide topics/questions in advance.

Attendance and Participation: Attendance is mandatory. Students must provide a written notification of an absence (i.e., email) at least 24 hours prior to class; excused absences will be evaluated based on University policy. Students with an excused absence will be afforded make-up opportunities under the University guidelines. Prior preparation through chapter readings and outlining will enable active participation for productive discussions. Requirements related to class attendance are consistent with [University policies](#).

Student Conduct Policy:

- All students are expected to conduct themselves in a respectful and responsible manner

Critical-Thinking Questions and Participation: Each student, as part of his/her participation, is expected to ask questions. Insightful questions will be monitored during the year and contribute to participation grade. In addition, attending class, contributing to class, and useful information provided during class will be counted toward your participation grade. Any class period listed as "discussion", requires prior review of posted content to facilitate a valuable learning experience.
