### Please note:

Students who have a very low/failing grade and do not drop/withdraw from this course nor explain his/her situation to the instructor on or before the [UF Drop/Withdrawal Deadline](#) will be given an "E" (failing grade), NOT an "I" (Incomplete grade).

*It is unethical and a violation of the UF Student Honor Code to request an unjustifiable grade adjustment (UF Student Honor Code: "Conspiracy to Commit Academic Dishonesty"). Please understand that 89.99999% equals a "B+" semester grade. Under no circumstances will I give extra credit assignments, extra points, nor fractions of extra points, so please do not ask. However, if a grade input error occurs, you should notify me as soon as possible. I will examine the Canvas grade to determine whether a calculation error has occurred and if so, the grade will be adjusted accordingly.*

  - This activity is for us to familiarize ourselves with each other via Zoom meeting. Meeting availability will be posted within the course calendar. You can schedule our meeting via the Canvas calendar and/or email. We can use this time to discuss career goals/ambitions, course content, etc. There are 2 parts to this activity: (1) scheduling appointment; 2 points, and (2) following through with appointment; 8 points.
- 5. HonorLock Familiarization Quiz (5 points)**
  - Your exams in this course will be proctored using Honorlock. Honorlock is a service that allows students to complete their assessment at any location while still ensuring the academic integrity of the exam for the institution. Using almost any web cam and computer, you can take exams at home, at work, or anywhere you have internet access –if considered a secure location. Review the [Honorlock guide](#) for more information.
  - Honorlock Guidelines:
    - You will need a webcam and some type of speakers and microphone.
    - You will need Google Chrome browser
    - A stable internet connection is required
    - You will need a government issued photo ID or student ID
    - No breaks are allowed during your testing session and cell phones and other devices will not be permitted in the testing area.
    - No other people are allowed in the area in which the test is being taken.

  - This quiz is designed to provide you with an opportunity to try/test the HonorLock Proctoring Service. This way, if any HonorLock issues arise which need attention, it/they can be addressed & resolved prior to your Exam 1.

6. **Readiness Assessment Quizzes “RAQ’s” (11 @ 5 points each w/ 1 drop = 50 points)**

- RAQ’s are brief online quizzes based on the reading assignment for a designated module. These quizzes may include multiple-choice, true/false, and/or short answer type questions. After studying the assigned material students will take an individual open-book, open-note, open-resource quiz based on that material.

7. **Discussion Forums “DF’s” (4 @ 10 points each = 40 points)**

- Students will be prompted to contribute posts to four (4) online class discussion forums throughout the semester. These posts will correspond with questions/topics/scenarios posed by the course instructor and will be directly related to current course lectures, readings, materials, and/or class activities.
- This is an opportunity for the instructor to gauge student learning and application of course material. Posts should be thoughtful and not simply a restatement of what was read (use critical thinking skills!). It is expected that students will cite course material and/or readings when developing their own personal posts.
- Thoughtfully responding to at least two of your class peers will be required. Reactions should be in your own words based on what you have learned and should ask questions or provide solutions to questions raised by other students enrolled in the course.

Post contains information that is off-topic, incorrect, and/or irrelevant to discussion.<br><br>Word count is less than 100 words. Late or no post provided. |

### Additional Policies and Procedures

#### **Policies for Exams and Submitting All Assigned Work:**

- **Assignments will not be accepted late.**
- You are expected to adhere to the deadlines provided in the Canvas Course Calendar. I do recognize that personal circumstances arise which may interfere with your ability to meet a deadline. If an emergency arises which causes you to miss a deadline, it is your responsibility to communicate with me within 24 hours and provide formal documentation via Canvas email within 72 hours of the missed deadline. I will not be receptive to retrospective requests for extensions. Without formal documentation submitted within 72 hours of a missed deadline, any assignment will receive a grade of zero (0) and cannot be made up.
- Exams: If you have an emergency or life event (including but not limited to, a new medical diagnosis or death of a loved one), please contact the Dean of Students Office ([www.dso.ufl.edu](http://www.dso.ufl.edu)) and follow the DSO Care Team procedures for documentation and assistance (<https://care.dso.ufl.edu/instructor-notifications/>).
  - Should a student miss an exam due to an unexcused reason (e.g., overslept, mixed up the exam time, etc.), the exam can be taken with a 20% penalty if taken within 24 hours of the original exam time or with a 40% penalty if taken within 48 hours of the original time.
  - You are absolutely not permitted an exam schedule adjustment or make-up for personal travel/vacations, so please make your travel arrangements accordingly.
- Grade Appeals: It is your responsibility to review your graded exams and assignments after the grade has been posted. (Be sure to set your Canvas Notifications to inform you when a grade is posted!) After the grade is posted, students have one week to appeal the grade with the instructor. After one week, a grade will not be changed. THERE WILL BE NO EXCEPTIONS TO THIS POLICY.

#### **Technical Issues:**

- Faulty Internet connections WILL NOT be accepted as an excusable reason for any missed/late assignments, activities, quizzes, and/or exams.
- Any requests for make-ups due to technical issues must be accompanied by the ticket number received from e-Learning Support (email: [learning-support@ufl.edu](mailto:learning-support@ufl.edu) | phone: 352-392-4357) when the problem was reported. The ticket number will document the time and date of the problem. Students must contact the instructor within 24 hours of the technical difficulty if they wish to request (and be considered for) completion of a make-up assignment.

- If you find yourself in an area with limited Wi-Fi access, please know that eduroam, the on-campus Wi-Fi network, is available nationally and internationally. UF students can access eduroam free with their GatorMail login credentials. The eduroam network is fast and secure and has more than 10,000 wi-fi hotspots in 106 countries and territories worldwide. It is expected that we treat each other with respect and as equals. Treat one another as you want to be treated so that we can have valuable discussion in this course. Intolerant, inflammatory, or insulting behavior or speech is not acceptable and may lead to dismissal from the course."* (Copied from Dr. Suzanne Sneed-Murphy's HSC4633 Syllabus)

#### **Preferred Pronoun and Name Change in Canvas:**

- It is important to the learning environment that you feel welcome and safe in this class; and that you are comfortable participating in class discussions and communicating with me on any issues related to the class. If your preferred name is not the name listed on the official UF roll, please let me know as soon as possible by e-mail or otherwise. I would like to acknowledge your preferred name, and pronouns that reflect your identity. Please let me know how you would like to be addressed in class, if your name and pronouns are not reflected by your UF-rostered name. I welcome you to the class and look forward to a rewarding learning adventure together.
- You may also change your "Display Name" in Canvas. Canvas uses the "Display Name" as set in myUFL. The Display Name is what you want people to see in the UF Directory, such as "Ally" instead of "Allison." To update your display name, go to [one.ufl.edu](http://one.ufl.edu), click on the dropdown at the top right, and select "Directory Profile." Click "Edit" on the right of the name panel, uncheck "Use my legal name" under "Display Name," update how you wish your name to be displayed, and click "Submit" at the bottom. This change may take up to 24 hours to appear in Canvas. This does not change your legal name for official UF records.

#### **Class Recordings and Video Lectures:**

- Per the House Bill 233 Intellectual and Viewpoint Diversity Act, you are allowed to record video or audio of class lectures. However, the purposes for which these recordings may be used are strictly controlled. The only allowable purposes are:
  - (1) For personal educational use.
  - (2) In connection with a complaint to the university.
  - (3) As evidence in, or in preparation for, a criminal or civil proceeding.

#### **All other purposes are prohibited. You may not publish recorded lectures without my written consent.**

- As defined in the bill, a "class lecture" is an educational presentation intended to inform or teach enrolled students about a particular subject, including any instructor-led discussions that form part of the presentation, and delivered by any instructor hired or appointed by the university, or by a guest instructor, as part of a UF course.
- This does not include lab sessions, student presentations, clinical presentations such as patient history, academic exercises involving solely student participation, assessments (quizzes, tests, exams), field trips, private conversations between students in the class or between a student and the faculty or lecturer during a class session.

#### **Publication without my permission is prohibited. To "publish" means to share, transmit, circulate, distribute, or provide access to a recording, regardless of format or medium, to another person (or persons), including but not limited to another student within the same class section.**

- Additionally, a recording, or transcript of a recording, is considered published if it is posted on or uploaded to, in whole or in part, any media platform, including but not limited to social media, book, magazine, newspaper, leaflet, or third-party note/tutoring services. A student who publishes a recording without written consent may be subject to a civil cause of action instituted by a person injured by the publication and/or discipline under UF Regulation 4.040 Student Honor Code and Student Conduct Code.
