- **LATE ASSIGNMENTS ARE NOT ACCEPTED** unless in accordance with UF's Attendance Policy.
- Submit assignments using **Word** and name the file as follows: Last name, first initial, and name of the assignment (e.g., Smith G Motivation.doc or pdf).

1. **Syllabus Quiz** (5 points): Read the syllabus and take the quiz under the appropriate link.
2. **Mid-Course Survey** (10 points): The mid-course survey is designed to assist the instructor in gathering information to inform my instruction and course design. Please answer the questions from the survey. You will earn points for this assignment based on the completion of the survey rather than the content of your answers. The survey is anonymous, and the instructor will not be able to associate a name with responses.
3. **Discussion Boards** (4 x 10 points = 40 points): Some interactions for this course will emerge through online discussions with other students and build on weekly readings. Discussion boards will involve students posting one response (#1) on specified days and times and two additional responses (#2 & #3) to two other students' posts on specified days and times, totaling **three** posts per discussion board. Ensure you post to students who have NOT received responses from other students. This way every student will have a response from another student.
 - Each of the three posts per discussion board must each be between **100 to 200 words**.
 - Points are deducted from discussion boards if you do not write at least 100 words.
 - Include a Word Count in every discussion post.
 - Refer to the grading rubric below.

Discussion Board Grading Rubric

7. **Group Work/Assignments A-E** (115 pts): Assignments are designed to introduce you to event management terminology, event management phases, steps within the phases, and application of the event management phases. The assignments will assist you in developing skills that are essential to the successful planning and management of sport events, but these skills are also transferable to other lines of business outside of the sport industry.

- The instructor will assign you to a group by the second week of class. If you have not been assigned to a group, please contact the instructor immediately.
- Submit assignments using Word.
- Name the file as follows: Last name, first initial, and name of the assignment (e.g., Willming C Motivation.doc or pdf).
- **LATE ASSIGNMENTS ARE NOT ACCEPTED** unless in accordance with UF’s Attendance Policy.

8. **Quizzes I and II** (2 x 100 points = 200 points): Each quiz consists of 50 questions, 2 points per question, totaling 100 points. Questions will be multiple choice, true/false, fill-in-the-blank, and short answer. Students are not permitted access to any kind of materials, notes, or interactions with others during the quizzes. Most of your preparation for the quiz should be given to the lecture notes and textbook but also focus on supplemental materials. Quizzes are administered online, and students have 50 minutes to complete each quiz. Make-up quizzes are NOT permitted unless absences are in accordance with UF’s Make-Up Policy.

GRADING SCALE

Final grades are based on the accumulation of points the student earns throughout the semester. Total points are converted to letter grades using the grading scale below.
- **Grades ending in .5 will be rounded up.**
- The grading scale is strictly enforced and unchangeable. **The instructor will NOT change grades** because the student is unhappy with their academic performance.

- Upload only **WORD documents** to CANVAS following APA guidelines: (https://owl.purdue.edu/owl/research_and_citation/apa_style/apa_formatting_and_style_guide/general_format.html).
- Points are deducted for inappropriate grammar, spelling, punctuation, sentence structure, and lack of citations.
- Name the file as follows: Last name, first initial, and name of the assignment (e.g., Willming C Motivation.doc or pdf).

- **LATE ASSIGNMENTS ARE NOT ACCEPTED** unless in accordance with UF policy.
- Refer to the Course Schedule in the syllabus or Canvas for assignment due dates.

MAKE-UP POLICY

- **LATE ASSIGNMENTS ARE NOT ACCEPTED** unless in accordance with UF's Attendance Policies. Acceptable reasons for make-up quizzes, assignments, discussions, and other work in this course are consistent with UF's Attendance Policy: <https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>.
- Acceptable reasons for an absence or failure to engage in class include:
 - Documented illness, Title IX-related situations, serious accidents or emergencies affecting the student, their roommates, or their family, special curricular requirements (e.g., judging trips, field trips, professional conferences), military obligation, severe weather conditions that prevent class participation, religious holidays, participation in official university activities (e.g., music performances, athletic competition, debate), and court-imposed legal obligations (e.g., jury duty or subpoena). Other reasons (e.g., job interview or club activity) might be deemed acceptable if approved by the instructor.

- For all planned absences, a student in a situation that allows an excused absence from a class, or any required class activity must inform the instructor as early as possible prior to the class.
- For all unplanned absences because of accidents or emergencies, students should contact their instructor as soon as conditions permit.
- The university recognizes the right of the instructor to make attendance mandatory and **require documentation for absences (except for religious holidays), missed work, or inability to fully engage in class.** After due warning, an instructor can prohibit further attendance and subsequently assign a failing grade for excessive absences.

TECHNOLOGY PROBLEMS

- If technology becomes an issue in submitting assignments or other work to eLearning, please contact the UF Help Desk 352-392-HELP (4357).
- After contacting the Help Desk, ensure you receive a ticket number with the time, date, and explanation of the problem for your records.

- Technology is not an acceptable excuse for late work including assignments and quizzes.
- **LATE WORK IS NOT ACCEPTED IN THIS COURSE** unless in accordance with UF policy.

ACCOMMODATING STUDENTS WITH DISABILITIES

- Accommodating students with disabilities is important to me. If you are aware of your disability or might be concerned you have a disability, please register with the Disability Resource Center online at www.dso.ufl.edu/drc/, call them at 352-392-8565, or visit the Dean of Students Office. Once registered, please email a copy of your accommodation letter to ensure I fully understand your needs. It is my goal to provide you with the tools necessary to ensure you are successful in this course.

ZOOM

- Zoom is an easy-to-use video conferencing service available to all UF students, faculty, and staff that allows for meetings of up to 100 participants. You can find resources and help using Zoom at <https://ufl.zoom.us>.

COURSE EVALUATIONS

- Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at <https://gatorevals.aa.ufl.edu/students/>. Students will be notified when the evaluation period opens and can complete evaluations through the email they receive from GatorEvals in their Canvas course menu under GatorEvals, or via <https://ufl.bluera.com/ufl/>. Summaries of course evaluation results are available to students at <https://gatorevals.aa.ufl.edu/public-results/>.

CHANGING NAME DISPLAY IN CANVAS

- It is important to the learning environment that you feel welcome and safe in this class and that you are comfortable participating in class discussions and communicating with me on any issues related to the class. If your preferred name is not the name listed on the official UF roll,

please let me know as soon as possible by e-mail or otherwise. I would like to acknowledge your preferred name, and pronouns that reflect your identity. Please let me know how you would like to be addressed in class, if your name and pronouns are not reflected by your UF-rostered name. I welcome you to the class and look forward to a rewarding learning adventure together.

- You may also change your “Display Name” in Canvas. Canvas uses the "Display Name" as set in myUFL. The Display Name is what you want people to see in the UF Directory, such as "Ally" instead of "Allison." To update your display name, go to one.ufl.edu, click on the dropdown at the top right, and select "Directory Profile." Click "Edit" on the right of the name panel, uncheck "Use my legal name" under "Display Name," update how you wish your name to be displayed, and click "Submit" at the bottom. This change may take up to 24 hours to appear in Canvas. This does not change your legal name for official UF records.

IN-CLASS RECORDINGS

- Students are allowed to record video or audio of class lectures but NOT other students in the course. Recordings are strictly controlled and must be (1) for personal educational use, (2) in connection with a complaint to the university, or (3) as evidence in, or in preparation for, a criminal or civil proceeding. All other purposes are prohibited.
- Students may NOT publish recorded lectures without the written consent of the instructor.
- A “class lecture” is an educational presentation intended to inform or instruct enrolled students about a particular subject, including any instructor-led discussions that form part of the presentation, and delivered by any instructor hired or appointed by the University, or by a guest instructor, as part of a University of Florida course.
- A class lecture does not include lab sessions, student presentations, and clinical presentations such as patient history, academic exercises involving solely student participation, assessments (quizzes, tests, and exams), field trips, and private conversations between students in the class or between a student and the faculty or lecturer during a class session.
- **Publication without the permission of the instructor is prohibited.** To “publish” means to share, transmit, circulate, distribute, or provide access to a recording, regardless of format or medium, to another person (or persons), including but not limited to another student within the same class section. Additionally, a recording, or transcript of a recording, is considered published if it is posted on or uploaded to, in whole or in part, any media platform, including but not limited to
- social media, book, magazine, newspaper, leaflet, or third-party note/tutoring services. A student who publishes a recording without written consent may be subject to a civil cause of action instituted by a person injured by the publication and/or discipline under UF Regulation 4.040 Student Honor Code and Student Conduct Code.”

Tips For Success

- Schedule "class times" for yourself. It is important to do the coursework on time each week.
- Read ALL of the material contained on the CANVAS site. There is a lot of helpful information that can save you time and help you meet the objectives of the course.
- Print the Course Schedule located in the Course Syllabus and check off things as you go.
- Ask for help or clarification of the material if you need it.
- Do not wait to ask questions because this might cause you to miss a due date.
- Do your work well before the due dates. Sometimes things happen. If your computer goes down when you are trying to submit an assignment, you will need time to troubleshoot the problem.
- To be extra safe, back up your work to an external hard drive, thumb drive, or through a cloud service.

Weekly Tentative Course Schedule

This course schedule below is tentative and might change based on the pace of the lectures and student needs; however, changes will be announced through CANVAS. The instructor bears no responsibility for announcing the changes to each individual student. All times are in Eastern Standard Time (EST).
