Course & University Policies

ATTENDANCE POLICY

Attendance is graded in this course. Please see *Assignments and Grading* for more information on how attendance and class participation are assessed.

- Absences will not be excused, except for extreme circumstances. If an extreme circumstance comes up (family emergency, etc.) you must communicate with me **PRIOR** to the class(es) being missed and **submit relevant documentation**. In such a case, a make-up assignment will be given.

MAKE-UP POLICY

- A student experiencing an illness should visit the UF Student Health Care Center or their preferred healthcare provider to seek medical advice and obtain documentation. If you have an illness, family emergency or death, please contact the Dean of Students Office (www.dso.ufl.edu) and follow the DSO Care Team procedures for documentation and submission of a request for make-up assignment (<https://care.dso.ufl.edu/instructor-notifications/>). The DSO will contact the instructor. Do not provide any documentation to the instructor regarding illness or family emergency. This is your personal and protected information. The DSO is qualified to receive and verify the documents you provide. The instructor will follow the recommendations from the DSO.
- Acceptable reasons for an absence or failure to engage in class include:
 - Documented illness, Title IX-related situations, serious accidents or emergencies affecting the student, their roommates, or their family, special curricular requirements (e.g., judging trips, field trips, professional conferences), military obligation, severe weather conditions that prevent class participation, religious holidays, participation in official university activities (e.g., music performances, athletic competition, debate), and court-imposed legal obligations (e.g., jury duty or subpoena). Other reasons (e.g., job interview or club activity) might be deemed acceptable if approved by the instructor.
 - For all planned absences, a student in a situation that allows an excused absence from a class, or any required class activity must inform the instructor as early as possible prior to the class.
 - For all unplanned absences because of accidents or emergencies, students should contact their instructor as soon as conditions permit.
 - The university recognizes the right of the instructor to make attendance mandatory and require documentation for absences (except for religious holidays), missed work, or inability to fully engage in class. After due warning, an instructor can prohibit further attendance and subsequently assign a failing grade for excessive absences.
- The ticket number received from the Help Desk when the problem was reported to them should accompany any requests for make-ups due to technical issues. The ticket number will document the time and date of the problem. You **MUST** e-mail your instructor within 24 hours of the technical difficulty if you wish to request a make-up.

PERSONAL CONDUCT POLICY

Students are expected to exhibit behaviors that reflect highly upon themselves and our University. Outline for them exactly what that means in the context of your course. UF students are bound by The Honor Pledge which states, “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: “On my honor, I have neither given nor received unauthorized aid in doing this assignment.” The Honor Code (<http://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/>) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obliged to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult the instructor.

Professional behaviors are expected from all students. This includes respect and consideration for the ideas and beliefs expressed by all students. It is important for students to practice civil discourse as uncomfortable or challenging topics unfold in the classroom or online. Please use respectful language in person and through email correspondence.

ASSIGNMENTS GUIDELINES

- Assignments must be typed and double-spaced, using 12-point font, Times New Roman, and 1-inch margins. If applicable, upload assignments to CANVAS using Word and following **APA guidelines** (https://owl.purdue.edu/owl/research_and_citation/apa_style/apa_formatting_and_style_guide/general_format.html). Points are deducted if appropriate grammar, spelling, punctuation, and sentence structure are not used. Proofread all assignments. Include citations if you are citing someone else’s work.
- Technology problems are not acceptable excuses for late assignments or missed exams.
- Submission late by 1 day will lose 20% of the assignment’s total points. Any work later than that will lose 30% of the points.
- Refer to the Course Schedule and/or Canvas for assignment due dates.

ACCOMMODATING STUDENTS WITH DISABILITIES

- Accommodating students with disabilities is very important to me. If you are aware of your disability or might be concerned you have a disability, please register with the Disability Resource Center by visiting their Get Started page at <https://disability.ufl.edu/students/get-started/>, call them at 352-392-8565, online <https://accessibility.ufl.edu/>, or visit the Dean of Students Office. Once registered, please visit with me or send me an email during the first two weeks of class to provide me with a copy of your accommodation letter to ensure I fully understand your needs. It is my goal to provide you with the tools necessary to ensure you are successful in the classroom.

COURSE EVALUATIONS

- Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at <https://gatorevals.ua.ufl.edu/students/>. Students will be notified when the evaluation period opens and can complete evaluations through the email they receive from GatorEvals, in their

Canvas course menu under GatorEvals, or via <https://ufl.bluera.com/ufl/>. Summaries of course evaluation results are available to students at <https://gatorevals.aa.ufl.edu/public-results/>.

CHANGING NAME DISPLAY IN CANAVAS

- It is important to the learning environment that you feel welcome and safe in this class and that you are comfortable participating in class discussions and communicating with me on any issues related to the class. If your preferred name is not the name listed on the official UF roll, please let me know as soon as possible by e-mail or otherwise. I would like to acknowledge your preferred name, and pronouns that reflect your identity. Please let me know how you would like to be addressed in class, if your name and pronouns are not reflected by your UF-rostered name.
- You may also change your “Display Name” in Canvas. Canvas uses the "Display Name" as set in myUFL. The Display Name is what you want people to see in the UF Directory, such as "Ally" instead of "Allison." To update your display name, go to one.ufl.edu, click on the dropdown at the top right, and select "Directory Profile." Click "Edit" on the right of the name panel, uncheck "Use my legal name" under "Display Name," update how you wish your name to be displayed, and click "Submit" at the bottom. This change may take up to 24 hours to appear in Canvas. This does not change your legal name for official UF records.

INCLUSION, DIVERSITY, EQUITY, AND ACCESSIBILITY (IDEA) RESOURCES

- It is my intent that students from all diverse backgrounds and perspectives be equitably served by this course, that students' learning needs be addressed, and that the diversity that students bring to this class are viewed as inclusive as a resource, strength, and benefit. It is my intent to present materials and activities that are respectful of diversity: gender identity, sexuality, disability, age, socioeconomic status, ethnicity, race, nationality, religion, and culture. Your suggestions are encouraged and appreciated. Please let me know ways to improve the effectiveness of the course for you personally, for other students, or student groups.
- For suggestions or concerns related to IDEA, please reach out to any of the following:
 - Dr. Christine Wegner, SPM IDEA Liaison, christinewegner@ufl.edu
 - Dr. Cyntrice Thomas, SPM Graduate Coordinator, cthomas10@ufl.edu
 - Dr. Cynthia Willming, SPM Undergraduate Coordinator, willming@hhp.ufl.edu

IN-CLASS RECORDINGS

- Students are allowed to record video or audio of class lectures. However, the purposes for which these recordings may be used are strictly controlled. The only allowable purposes are (1) for personal educational use, (2) in connection with a complaint to the university, or (3) as evidence in, or in preparation for, a criminal or civil proceeding. All other purposes are prohibited. Specifically, students may not publish recorded lectures without the written consent of the instructor.
- A “class lecture” is an educational presentation intended to inform or teach enrolled students about a particular subject, including any instructor-led discussions that form part of the presentation, and delivered by any instructor hired or appointed by the University, or by a guest instructor, as part of a University of Florida course. A class lecture does not include lab sessions, student presentations, and clinical presentations such as patient history, academic exercises involving solely student participation, assessments (quizzes, tests, and exams), field trips, and private conversations between students in the class or between a student and the faculty or lecturer during a class session.
- Publication without permission of the instructor is prohibited. To “publish” means to share, transmit, circulate, distribute, or provide access to a recording, regardless of format or medium,

to another person (or persons), including but not limited to another student within the same class section. Additionally, a recording, or transcript of a recording, is considered published if it is posted on or uploaded to, in whole or in part, any media platform, including but not limited to social media, book, magazine, newspaper, leaflet, or third party note/tutoring services. A student who publishes a recording without written consent may be subject to a civil cause of action instituted by a person injured by the publication and/or discipline under UF Regulation 4.040 Student Honor Code and Student Conduct Code.”

COVID-19

- In response to COVID-19, the following practices are in place to maintain your learning environment, to enhance the safety of our in-classroom interactions, and to further the health and safety of our neighbors, our loved ones, and ourselves.
- If you are not vaccinated, the University recommends you get vaccinated. Vaccines are readily available at no cost and have been demonstrated to be safe and effective against the COVID-19 virus.
 - If you are sick, stay home and self-quarantine. Please call your primary care provider if you are ill and need immediate care or the UF Student Health Care Center at 352-392-1161.
 - Course materials will be provided to you with an excused absence, and you will be given a reasonable amount of time to make up work.

ASSIGNMENT DESCRIPTIONS

- Attendance:** Students will have three free absences without a point deduction. However, **students those who with no absence throughout this semester will obtain extra credits at the end of semester. Three late attendances are equal to one absence. One late attendance results in 1 point deduction, and 1 absence results in 3 points deduction for the attendance. 6 absences including three free absences will have no point for attendance (Extra credit will not cover attendance grade). After 6 absences, 3 points deduction for each absence from the final grade.** For the excused absences for extreme circumstances, the students must communicate with me **PRIOR** to the class(es) being missed and **must submit relevant documentations**. In such a case, a **make-up assignment** will be given.
(IMPORTANT!!!) With more than ten absences including three free absence, you will get an E no matter what. No exception!! This rule will be STRICTLY applied.
- Class Participation:** Students are required to attend each class meeting and actively participate in class activities that reinforce the learning of marketing principles. It is essential that students participate in class discussions and activities. Students are also encouraged to be fully engaged in the learning experience: (a) asking thoughtful and thought-provoking questions, (b) offering insightful observations about the topic being discussed, and (c) embellishing the discussion with appropriate examples. Other assignments that are not categorized as assignments will be covered as class participation points. Students will have opportunities to participate in marketing research as part of participation grade.
- Current Sport Issues Presentation:** Students will be partnered into groups of 2 to 3. At the beginning of the semester, students will be required to select a date on which one's group will give a 10-minute current event presentation to the class (+5 minutes for Discussion). Each group should find a current event in the sport industry that relates to current course topics. Some useful

resources might be Street & Smith's Sports Business Journal, databases available through the UF Libraries, newspaper such as The New York Times, The Wall Street Journal, magazines such as Sports Illustrated, Forbes, or websites such as ESPN.com, CBSSports.com, etc. Each group member must present one's section. Presentation and link(s) or copy of the original article(s) should be submitted on Canvas at least two days before the presentation and will be evaluated as the following criteria:

a) Summary of the article (including references)	1/10
b) How it relates to the topic in the course	1/10
c) Three thought-provoking discussion questions on the topic	3/10
d) Own critical analysis/findings to the questions above	3/10
e) Uploading presentation and copy of the original article on time	1/10
f) Presentation skill	1/10

Total 10 points

Failure to present on the scheduled date without written notification in advance will lose 50% of the points.

- **Discussion Board:** Students will be required to participate in discussion boards on Canvas bi-weekly. Usually, two questions related to previous chapters' topics will be given, and students should answer each of the questions (minimum 100 words for each question) and write at least one comment (minimum 50 words) to other students. These activities will be graded for effort.
- **Quizzes:** About 5 quizzes will be given during the semester. Quizzes will cover material from the previous two weeks' lessons from the class. Quizzes will be taken at the beginning of the class on the announced dates. You can bring one page letter-size handwritten note for each quiz. There is no make-up for quizzes missed due to lateness or absences.
- **Exams:** There will be two exams and will comprise 30% of your final grade. Everything discussed in class may appear on the exam. A makeup exam must be requested in writing and will require written medical proof. No requests to retake the exam will be granted. All examinations, including quizzes and the term exam, must be completed within the assigned time. Therefore, do not be late to class on the day of any exams. If a student arrives after an exam or quiz ends, the student will not be permitted to take the exam/quizzes and will receive a zero for the evaluations. If a late student comes in before the end of the exam or quiz, he or she will be allocated only the remaining time for the exam.
- **Marketing Plan:** Students will be partnered into groups of 4 to 5, forming their sport marketing strategies for the semester. The purpose of this assignment is to provide you with an opportunity to learn the basic overall steps and detail involved in the marketing of a sport product/service. The marketing plan should enable a sport organization to establish objectives, priorities, schedules, budgets, strategies, and checkpoints to measure performance. **Your group has been hired by an organization (each group will choose which sport organization hires them) to develop a marketing plan.**

Group Activities: On the day of group activities, activity papers will be given, and marketing plans will be prepared by filling each question with answers.

Written Marketing Plan: A detailed and specific proposal for an assigned sport organization, including thorough market analysis and clear strategic planning steps.

The marketing plan must include the following:

- a) Executive Summary
- b) Introduction and Background Information

- c) Environmental Analysis (SWOT)
- d) STP Analysis
- e) Strategies and Tactics (Marketing Mix)
- f) Strategy to Evaluate Marketing Implementation
- g) Appendices and References

The above plan should consider competitors, trends and should be realistic with regards to budget. It may recommend replacement, modification or enhancement of an existing marketing plan. The outline above should be considered as a minimum starting point to which additional sections may be added as needed.

Your report should be concise, clearly argued, typed in MS word document, and documented in **Times New Roman (12 point) font with a minimum of 10 pages and maximum of 4,000 words (no more than 16 pages) excluding appendices, tables, figures, and references.** Appendices, tables and figures used in this assignment are not counted in the word count and should be used to supply support material for your assignment. **APA referencing is required – No footnotes. Deadline for the final report will be announced later.**

***Peer evaluation:** All team members should submit peer evaluation regarding final group project. The form will be uploaded on the course Canvas, and should be submitted by the deadline of your final group project. Students those who fail to submit the peer evaluation will be given ZERO point on their final group project grade.

Marketing Plan Presentation: At the end of the semester, each group will present their comprehensive strategic marketing plan as if they were proposing to the sport organization (15-minute presentation and 5 minutes Q&A).

- **Extra Credits:** There will be several chances for the extra credits throughout the semester. For instance, students will be able to obtain extra credits from research participation, extra current event presentation (if needed), and outstanding class participation, etc.

GRADING SCALE

- Grades will be posted in the CANVAS gradebook. Final grades are based on the accumulation of points the student earns throughout the semester. Total points are converted to letter grades using the grading scale below. Grades will not be rounded up. The grading scale is strictly enforced and unchangeable. The professor will NOT change grades at the end of the semester because the student is unhappy with their academic performance. Asking the instructor for extra credit or special exceptions to these grading policies will be interpreted as an Honor Code violation (i.e., asking for preferential treatment) and will be handled accordingly. More detailed information regarding current UF grading policies can be found here: <https://catalog.ufl.edu/UGRD/academic-regulations/grades-grading-policies/>.
