

We dream of *possibilities.*

Graduate Specializations

Applied Physiology and Kinesiology

Master's Degrees:

Athletic Training
Biobehavioral Science
Clinical Exercise Physiology
Exercise Physiology
Human Performance

Doctoral Degrees:

Biobehavioral Science
Exercise Physiology

Graduate Faculty

Michael Delp, Ph.D.
Peter Adhietty, Ph.D.
Brad Behnke, Ph.D.
Paul Borsa, Ph.D.
Stephen Borst, Ph.D.
Randy Braith, Ph.D.
James Cauraugh, Ph.D.
Demetra Christou, Ph.D.
Evangelos Christou, Ph.D.
Thomas Clanton, Ph.D.
David Criswell, Ph.D.
Stephen Dodd, Ph.D.
Leonardo Ferreira, Ph.D.
Chris Hass, Ph.D.
Christopher Janelle, Ph.D.
Scott Powers, Ph.D., Ed.D.
Mark Tillman, Ph.D.

Post-Doc

Elizabeth Stegemoller, Ph.D.

The University of Florida College of Health and Human Performance dreams of possibilities--the possibility of making a difference in people's lives.

The College of Health and Human Performance is a national and international leader in research, education and program development designed to help people protect, maintain and improve their health, fitness and quality of life.

Ph.D. application deadline: Feb. 1, 2011

Masters application deadline:

No later than six weeks prior to beginning of term

Alumni Graduate Awards are available for doctoral students. These awards are highly competitive and include four years of stipend, tuition and health insurance. Teaching or research assistantships and tuition waivers are available to qualified graduate level students.
