Kyung Hee University, South Korea, March 2, 1998 - February 20, 2002
Department of Geography

Research Goal

The overall goal of Dr. Kim's research is to identify the role of recreation, park, tourism in the creation of active, vibrant, healthy, sustainable and resilient communities

Research Interests

1. Community recreation planning and development, with particular specialties in:
 - Environmental justice issues, including the accessibility and equity of recreation opportunities
 - Recreation, community health and quality of life
 - Recreation and community resilience
 2. Water-based recreation/tourism planning and development, with particular specialties in:
 - Water- and land-based recreation opportunity spectrum (WALROS) planning
 - Coastal and marine tourism/recreation
 - Beach accessibility and availability
 - Coastal management
 3. Park and protected area planning and management:
 - Spatial and temporal patterns of tourist flows in national parks
 - Visitors' spatial behavior in parks
 4. Applications of Geographic Information System (GIS) and spatial technologies in tourism/recreation planning, development and management
-

Academic Employments

- Assistant Professor, August 1, 2016 - Present
College of Health and Human Performance
Department of Tourism, Recreation and Sport Management
University of Florida, Gainesville, USA
- Assistant Professor, September 1, 2015 – June 30, 2016
Department of Tourism and Hotel Management
Antalya International University, Dosemealti, Turkey

- Teaching Assistant, August 2014 - December 2014
The School of Hospitality Business
Michigan State University, East Lansing, USA
Courses: Hospitality Business Research (HB 885, graduate level)
 - Graduate Assistant, August 2011 - December 2013
Visiting International Professional Program (VIPP)
[<http://vippp.isp.msu.edu>]
Michigan State University, East Lansing, USA
Responsibilities: Assisting with visiting scholar's VISA (DS2019) application, settlement, outreach activities, and logistics
 - Research Assistant, September 2008 - May 2009
Recreational Marine Research Center (RMRC)
Michigan State University, East Lansing, USA
Responsibilities: Mapping and analyzing spatial data using GIS for project: *Florida boating access facilities inventory and economic study* sponsored by Florida Fish and Wildlife Conservation Commission (FFWCC)
-

Other Employments

Platoon Leader (1st Lieut.), March 2002 - February 2004
Republic of Korea Marine Corps (ROKMC), Backryung Island, South Korea
