

CURRICULUM VITA

Jalie A. Tucker, Ph.D., M.P.H.

ADDRESS: Department of Health Education and Behavior
 College of Health and Human Performance
 The University of Florida
 P.O. Box 118210, FLG Room 5
 Gainesville, FL 32611-8210
 Phone: (352) 294-0583
 FAX: (352) 392-1909

FACULTY POSITIONS

University of Florida:

- 2014 - Professor and Chair, Department of Health Education and Behavior
- 2014 - Director, Center for Digital Health and Wellness, University of Florida

University of Alabama at Birmingham:

- 2000 - 2014 Professor, Department of Health Behavior, UAB School of Public Health
Center affiliations as Senior Scientist:
 Center for the Study of Community Health
 Center for AIDS Research
 Lister Hill Center for Health Policy Research
- 2004 - 2014 *Secondary Appointment:* Department of Psychology
- 2008 - 2014 Chair, Department of Health Behavior, UAB School of Public Health
- 2010 - 2014 Research Director, Center for the Study of Community Health, University of Alabama at Birmingham, a CDC Prevention Research Center
- 2012 - 2014 Director, Behavioral and Community Science Core, UAB Center for AIDS Research

Past Positions:

- 1989 - 1999 Associate Professor to Professor, Department of Psychology, Auburn University, Alabama (tenured 1989, promoted 1991)
- 1995 - 2000 Alumni Professor (titled professorship for scholarly achievement)
- 1989 - 1993 Co-Director of Clinical Training, Graduate Training Program in Clinical Psychology, APA-accredited
- 1994 Visiting Scholar, Addictive Behaviors Research Center & Department of Psychology,

University of Washington, Seattle

1986 - 1989 Associate Professor (tenured), Department of Psychology, Wayne State University, Detroit, Michigan
Co-Director, Alcohol Studies Program

1980 - 1986 Assistant to Associate Professor of Clinical Psychology,
Department of Psychiatry, College of Medicine
University of Florida, Gainesville (tenured & promoted 1985)
Affiliate faculty member:
Department of Clinical Psychology (1980 - 1986)
Department of Psychology, Experimental Analysis of Behavior (EAB) area
University of Florida (1984 - 1986)
Member, Alcohol Research Center (1982 - 1986)
Member, Center for Gerontological Studies (1982 - 1986)

EDUCATION

1971-73 Attended Stetson University, Deland, Florida; major in chemistry

1975 B.S., Magna Cum Laude with Honors of Distinction in Psychology
Duke University, Durham, North Carolina; major in psychology
(Honors thesis advisor: Robert C. Carson, Ph.D.)

1977 M.A., Vanderbilt University, Nashville, Tennessee; major in clinical psychology,
minor in statistics
(Thesis advisor: Mark B. Sobell, Ph.D.)

1979 Ph.D., Vanderbilt University, Nashville, Tennessee; major in clinical psychology,
minor in alcohol dependence (APA-accredited)
(Dissertation advisor: Mark B. Sobell, Ph.D.)

1979-80 Clinical Psychology Internship, Department of Clinical Psychology
University of Florida, Gainesville (APA-accredited)
(Internship director: Cynthia D. Belar, Ph.D.)

1998 M.P.H., Department of Health Care Organization & Policy, School of Public Health,
University of Alabama, Birmingham (CEPH-accredited)
(Integrative experience supervisor: Michael A. Morrisey, Ph.D.)

AWARDS

1971 Advanced Studies student, Stetson University (early college matriculation after
junior year in high school)

1972 Phi Society member (academic honorary), Stetson University

1971-73 Honor Roll (each semester), Stetson University

- 1974 Junior Class Honors, Duke University
 1975-76 USPHS Clinical Psychology Traineeship, Vanderbilt University
 1976-77 NIAAA Clinical Traineeship, Vanderbilt University
 1977-79 NIAAA Predoctoral Research Training Fellowship, Vanderbilt University
 1990 Fellow, Division 28 (Psychopharmacology & Substance Abuse)
 American Psychological Association
 1990 Fellow, American Psychological Society
 1994 Fellow, Division 25 (Experimental Analysis of Behavior), American Psychological Association
 1995 Charter Fellow, Division 50 (Addictions), American Psychological Association
 1995 Division 50 Presidential Award for Service to the Division
 1996 Fellow, Division 12 (Clinical Psychology), American Psychological Association
 1996 Faculty Researcher of the Year, Department of Psychology Graduate Student Organization (PsyGO) Award, Auburn University
 1999 Phi Kappa Phi member (public health graduate student honorary)
 1999 Delta Omega Society member (public health honorary society)
 1999 Citation of Appreciation: Founder, Graduate Research Festival, Department of Psychology, Auburn University
 2003 Fellow, Division 1 (General Psychology), American Psychological Association
 2010 Distinguished Faculty Researcher award, School of Public Health, University of Alabama at Birmingham
 2010 Award for Distinguished Service to the Division on Addictions (50), American Psychological Association
 2012 Fellow, Division 38 (Health Psychology)
 2012 Division Medal of Honor for exceptional and sustained service to Division 50 – Addictions, 1993-2012, American Psychological Association
 2015 Award for Distinguished Scientific Contributions to Clinical Psychology, Division 12 – Society of Clinical Psychology, American Psychological Association

MEMBERSHIPS

- 1980- American Psychological Association
 1980-02 Association for the Advancement of Behavior Therapy
 1878-97 Southeastern Psychological Association
 1981-85 Florida Psychological Association
 1982-93 Society of Psychologists in Addictive Behaviors
 1987-00/2006- Research Society on Alcoholism
 1987-99 Association for Behavior Analysis
 1989-97 American Psychological Society
 1991-96 Society for Behavioral Medicine
 1991-03 Alabama Psychological Association
 1999-05 American Public Health Association

EDITORIAL SERVICE

Editorship activities:

2015-	Senior Editorial Advisor, <i>Addiction</i>
1999-2009	Assistant Editor, Regional Office for the Americas, <i>Addiction</i>
1992	Acting Field Editor, <i>Journal of Studies on Alcohol</i>
1992	Guest Editor, Special section on addictive behaviors, <i>The Behavior Therapist</i>
1987-93	Associate Editor, <i>Psychology of Addictive Behaviors</i>
1982-86	Associate Editor, <i>Bulletin of the Society of Psychologists in Addictive Behaviors</i>

Journal editorial board memberships:

2014-	<i>Psychology of Addictive Behaviors</i>
2002-2004	<i>Journal of Consulting and Clinical Psychology</i>
2000-2001	<i>Journal of Child and Adolescent Substance Abuse</i>
1994-2004/2008-10/2014-	<i>Psychology of Addictive Behaviors</i>
1993-	<i>Journal of Studies on Alcohol and Drugs</i>
1995-1999	<i>Experimental and Clinical Psychopharmacology</i>
1993-1998	<i>Alcoholism: Clinical & Experimental Research</i>
1984-1997	<i>Journal of Social and Clinical Psychology</i>

Ad hoc reviewer for:

Addiction
Addictive Behaviors
Addiction Research and Theory
AIDS & Behavior
Alcohol, Health and Research World
Alcoholism: Clinical and Experimental Research

- 1992-93 President-Elect, Society of Psychologists in Addictive Behaviors
- 1990-92 Leader, Addictive Behaviors Special Interest Group, Association for the Advancement of Behavior Therapy

CLINICAL CERTIFICATION

Florida Psychological Association, Certificate No. 8151
 Florida License Number PY 0002654, Expires 5/31/2016
 Michigan License Number 007092 (inactive as of 9/31/91)

CLINICAL SERVICE

- 1980 - 1986 Clinical Psychologist, Adult Psychiatry Outpatient Clinic, Shands Teaching Hospital, University of Florida, Gainesville
 Co-Director, Problem Drinkers Program and Weight Management Program
Clinical practice: Assessment and treatment of alcohol and weight problems; outpatient psychotherapy and behavior therapy (adult and adolescent); medical

student therapy intakes; behavioral consultation with bariatric surgery patients, Department of Surgery.

Clinical teaching and administration: Therapy intake meetings and case assignments for psychiatric residents; clinical case conferences, in-service lectures on behavior therapy and psychological assessment, provision of clinic coverage, and supervision of psychiatry residents, clinical psychology interns and graduate students.

- 1987 - 1989 Clinical Psychologist, Wayne State University Psychology Clinic, Detroit, MI
Supervision of therapy and assessment cases, clinical psychology graduate students.
- 1989 - 1993 Vertical Team Supervisor, Auburn University Psychological Services Center, AL
Supervision of therapy and assessment cases, clinical psychology graduate students.

TEACHING

University of Florida (1980 – 1986):

Graduate Research Faculty, 1980 - 1982

Doctoral Research Faculty, 1982 - 1986

Medical student lectures on alcoholism treatment, determinants of compliance with medical regimens, behavior theory and behavior therapy, and group processes

Seminars for psychiatry residents, psychology interns, and/or psychology graduate students on psychological assessment, behavior therapy, alcoholism and addictive behaviors

Wayne State University:

- 1986 - 89 Graduate Research Faculty (doctoral)
- PSY 432 *Introduction to Clinical Psychology* (3 semester hours, undergraduate), 1986 - 87
- PSY 737 *Therapeutic Interventions I* (4 hours, graduate, co-taught), 1986 - 89
- PSY 830 *Behavioral Medicine and Health Psychology* (2 hours, graduate), 1987 - 89
- PSY 838 *Alcohol Abuse II* (2 hours, graduate), 1987 - 89
- PSY 796 *Research Seminar in Clinical Psychology* (1 hour, graduate) 1989

Auburn University:

- 1989 - Graduate Faculty (doctoral)
- PG 658 *Health Psychology and Behavioral Medicine* (4 quarter hours, graduate)
1990*, 1992, 1993, 1995 (*taught as PG 790 in 1990)
- PG 638 *Systems of Psychotherapy* (5 hours, graduate), 1990
- PG 663 *Assessment and Treatment of Alcohol and Drug Problems* (4 hours, graduate)
1990*, 1993, 1994 (*taught as PG 790 in 1990)
- PG 609 *Research Seminar in Psychology* (1 hour, graduate), 1992
- PG 410 *Introduction to Clinical Psychology* (5 hours, undergraduate) 1994, 1996
- PG 408 *Health Psychology* (5 hours, undergraduate), 1995, 1996
- PG 639/673 *Vertical Team Supervisor* (variable credit, graduate), 1990-1993
Practicum in Behavior Change & Personality Assessment III

University of Washington, Seattle:

PSYCH 560 *Reinforcement, Choice, Economics, and Substance Abuse* (4 hours, graduate, co-taught), 1994

University of Alabama at Birmingham

PUH 690 *Integrative Experience* (3 hours, graduate, team taught, Health Behavior faculty representative), Fall 2001, 2003, 2004
 HB 611 *Mental Illness as a Public Health Issue* (3 hours, graduate, co-taught), Spring 2001
 Spring 2004, 2006, 2008 (sole instructor)
 HB 602 *Alcohol and Drug Abuse* (3 hours, graduate)
 Spring 2002, 2003, 2005, 2007, 2009
 HB 798 *Research Seminar* (1 hour, graduate), 2002

STUDENT RESEARCH COMMITTEES**University of Florida (1980 - 1986):**

Chair (masters) -- *Ernest Bordini* (completed 8/83): "Alcohol consumption as a self-handicapping strategy in women in response to threat of social evaluation."

Chair (dissertation) -- *Steven Schonbaut* (completed 8/84): "The effects of alcohol consumption on the integration of linguistic ideas."

Chair (dissertation) -- *Helmi Perlini* (completed 12/84): "The effects of differential attention on the self-monitoring responses and activity levels of a group of rheumatoid arthritic patients." (Mark K. Goldstein, Ph.D., Co-Chair)

U.S. Sponsor (dissertation) -- *Mark Williams* (completed 6/85): "Alcohol consumption and social activity patterns in elderly men and women: The role of retirement." (Doctoral student, Caribbean Center for Advanced Studies, Puerto Rico)

Chair (dissertation) -- *Carole V. Harris* (completed 8/86): "Development of a behavioral measurement strategy of adolescent alcohol and drug use."

Chair (masters) -- *Jill Samo* (completed 8/86): "Self-monitoring versus recall interview measures of drinking behavior: A comparison of data collection methods using a sample of elderly normal drinkers."

Wayne State University:

Chair (dissertation) -- *Jana Atlas* (completed 12/87): "The measurement of cognitive expectations of reinforcement for restricting food intake and thinness." (Gregory Smith, Ph.D., Co-Chair)

Chair (masters) -- *Marianne Young* (completed 2/88): "Reliability and validity of the Structural

Interview Rating Scale." (Mark Goldman, Ph.D., Co-Chair)

Chair (masters) -- *Mary F. Pierce-Stevens* (completed 6/88): "The relationship of oculomotor functioning in alcoholics to their performance on neuropsychological tests of visuo-perceptive functioning." (Mark Goldman, Ph.D., Co-Chair)

Chair (masters) -- *Julie Akiko Gladsjo* (completed 8/89): "Agreement between subject and collateral recall of life events associated with the natural recovery of alcohol problems."

Chair (masters) -- *Jeffery L. Hawkins* (completed 8/89): "Evaluation of the reliability and validity of the Lifetime Drinking History Interview with naturally resolved alcoholics."

Chair (dissertation) -- *Jane E. Tinker* (completed 12/93): "Environmental context surrounding natural recovery from obesity without treatment."

Auburn University:

Chair (thesis) -- *Angela L. Cranford* (completed 6/93): "Effects of helper status and help appropriateness on help-seeking behavior and on affective reactions to aid."

Chair (Major Area Paper) -- *Therese Meyer* (completed 10/93): "The psychological consequences of childbearing by seriously mentally ill women."

Chair (thesis) -- *Rene J. Britt* (completed 12/93): "Perceptions of affect and conflict resolution in alcohol-related social interactions: A comparison of adult children from alcoholic and recovered families and from nonalcoholic families."

Chair (dissertation) -- *Pamela R. Snider* (completed 12/93): "Individual differences in the development of anticipatory nausea and vomiting: A prospective analysis."

APA Dissertation Award Recipient

Chair (dissertation) -- *Julie Akiko Gladsjo* (completed 3/94): "A factor analytic study of pre-treatment characteristics of inpatient alcoholics and their utility in predicting short-term outcomes."

Chair (dissertation) -- *Michele Pukish* (completed 3/94): "Environmental contexts surrounding natural recovery from alcohol problems without treatment: A comparison of abstinent and nonabstinent recoveries."

Chair (dissertation) -- *Anita George* (completed 3/94): "The relationship between social networks and help-seeking behavior in problem drinkers."

Chair (dissertation) -- *Angela L. Cranford* (completed 8/97): "Environmental contexts and functional impairment associated with help-seeking for bulimia."

APA Dissertation Award Recipient

Chair (dissertation) --- *Rene J. Britt* (completed 6/98): "A comparison of perceptions of control on social and nonsocial tasks in adult female children of alcoholics."

Chair (thesis) – *John W. Davison* (completed 3/99): “Assessment of addictive behavior change strategies used in treatment-assisted resolution attempts among substance abusers.”

Chair (thesis) -- *Tim Coffey* (completed 12/99): “Motivation for treatment and for addictive behavior change: The role of temporal perspective.”

Chair (thesis) -- *Amanda Olson* (completed 6/00): “Help-seeking patterns and preferences among college women with eating disorders.”

University of Alabama at Birmingham:

Mentor (postdoctoral fellow) – *Cathy Simpson, Ph.D.*, UAB Substance Abuse Consortium (2001-02)

NIH/NIDA K-Award mentor committee member – *Sylvie Mrug, Ph.D.*, Assistant Professor, UAB Department of Psychology

Chair (Dissertation), Department of Health Behavior – *Yulia Khodneva, M.D., M.P.H.* (completed 2012): “Trajectories of depressive symptoms and illicit drug use: longitudinal temporal associations and co-morbidity in the community sample of adults (the CARDIA Study)”

Joint M.P.H. – Ph.D. (Psychology) student advisor: *Joanna Gaines*

M.P.H. Masters project chair – *Alice Irby* (2009), *Ashley Wright* (2009), *Megan Cash* (2009), *Casey Balentine* (2008), *Monique Mullins* (2008), *Behnaz Somni* (2006), *Hyun-Jung Kim* (2005), *Yulia Khodneva* (2009)

M.P.H. Student Advisor, Department of Health Behavior : *Carey Taylor, Aujath Ali Syed, Sui Azor Hui, Dennis Espejo, Kinshasa Kilgore, Hyun-Jung Kim, Catherine Lem, Behnaz Somni, Caroline Ranch, Rebecca Vincent, Kassi Webster, Casey Balentine Azuero, Meghan Cash, Ashley Wright, Joanna Gaines, Alice Irby, Alexis Adams, Katie Dean, Michael Scott Crawford*

UNIVERSITY COMMITTEES

University of Florida (1980 - 1986):

Employee Assistance Program Development Committee -- 1981-1982

Postdoctoral Clinical Training Committee, Department of Clinical Psychology -- 1981-1982

Alcohol Research Center Executive Committee -- 1982-1985

Faculty Senate, University of Florida -- 1984-1986

Undergraduate Education Committee (Medical Student curriculum), Department of Psychiatry -- 1984-1986

Wayne State University:

Faculty Representative, Psychology Department Alumni Association (1988-89)

Auburn University:

Departmental Representative, Allied Health Council, College of Liberal Arts (1989-90)
 Member, Undergraduate Social Science Curriculum Development Committee, College of Liberal Arts (Summer 1990)
 Member, Executive Committee, Department of Psychology (1990-93)
 Chair, Graduate Curriculum Committee, Department of Psychology (1990-91)
 Member, Dean Search Committee, College of Liberal Arts (1991-92)
 Coordinator, Clinical Program Student Research Competition (1991-93, 1995)
 Chair, Ad hoc Committee on Tenure and Promotion, Department of Psychology (1991-92)
 Member, Ad hoc Committee on Bylaws, Department of Psychology (1993)
 Member, Chair Search Committee, Department of Psychology (1993-94)
 Member, Department of Psychology Long Range Planning Committee (1994-95)
 Chair, Space Committee, Department of Psychology (1995-96)
 Chair, Colloquium Committee, Department of Psychology (1996-97)
 Faculty Coordinator, Department of Psychology Graduate Research Festival (1995, 1996)
 Research Festival Committee Member, Department of Psychology (1997)
 Teaching & Research Festival Committee Member, Department of Psychology (1998-99)
 Member, Alumni Professor Selection Committee, Auburn University (1998-1999)

University of Alabama at Birmingham

Member, Internal Advisory Committee, UAB Center for AIDS Research (2011-2014)
 Member, Behavioral Science Core, UAB Center for AIDS Research (2006-2012)
 Director, Behavioral & Community Science Core, UAB Center for AIDS Research (2012-2014)
 Member, Substance Abuse, Mental Health, and HIV Interdisciplinary Research Group, UAB Center for AIDS Research (2009-2010)
 Member, School of Public Health Executive Committee (2008-2014)
 Chair, Faculty Affairs Committee, School of Public Health (2006-2008)
 Member, Search Committee, Department of Health Behavior (2006-2007)
 Departmental representative (Health Behavior), Faculty Affairs Committee, School of Public Health (2001-2008)
 Member, Internal Advisory Committee, Lister Hill Center for Health Policy Research (2000-2008)
 Member, Search Committee, Division Director, Division of Preventive Medicine, Department of Medicine (2000-2001)
 Co-Chair, Search Committee, Tobacco Prevention and Control faculty position, Division of Preventive Medicine, Department of Medicine (2000-2001)
 Member, University ad hoc committee on Employee Health Insurance Programs (2001)
 Member, Search Committee, Mental health economist position, Department of Healthcare Organization and Policy, School of Public Health (2001)
 Member, University Committee on Employee Health Insurance Programs (2002)
 Member, Chair Search Committee, Department of Health Behavior, School of Public Health (2002-2003)
 Member, Search Committee, Substance abuse faculty positions (2), Division of Preventive Medicine, Department of Medicine (2003)

University of Florida (2014 -):

Member, Research Committee, College of Health and Human Performance (HHP) (2014 – 2016)
 Member, HHP College Council (2014 -)
 Member, University of Florida Community Alcohol Coalition (2015 -)

RESEARCH

Grants:

Principal Investigator, *An Information Processing Analysis of Alcohol's Effects on Social Behavior*. University of Florida, Division of Sponsored Research Seed Money Award, \$6632, August 1981 - August 1982.

Co-Principal Investigator, *Identifying the Determinants of Alcoholic Relapse*. National Institute on Alcohol Abuse and Alcoholism, grant no. R03-AA05248, \$9978 direct costs, March 1981 - September 1982.

Principal Investigator, *Changes in Drinking Behavior After Retirement*. National Institute on Alcohol Abuse and Alcoholism--Alcohol Research Center program grant no. P50-AA05793-015, \$135,864 direct costs, October 1982 - November 1985.

Co-Principal Investigator, *A Behavioral-Economic Analysis of Alcoholic Relapse*. National Institute on Alcohol Abuse and Alcoholism, grant no. R01-AA06122, \$134,480 direct costs, January 1984 - June 1986.

Co-Principal Investigator, *A Behavioral-Economic Analysis of Alcoholic Relapse*. National Institute on Alcohol Abuse and Alcoholism, grant no. R01-AA07258, \$246,412 direct costs, September 1986 - August 1990.

Principal Investigator, *Developing Measurement Procedures to Investigate the Natural Resolution of Alcohol Problems*. Biomedical Research Award, \$5000, Wayne State Office of Research and Sponsored Programs, June 1987 - September 1988.

Principal Investigator, *Determinants of Help-Seeking and Recovery from Alcohol Problems*. Grant-in-Aid award (\$2100), Auburn University, July 1991 - June 1992.

Principal Investigator, *Environmental Factors in Help-Seeking and Natural Recovery*. National Institute on Alcohol Abuse and Alcoholism, grant no. R01-AA08972, \$956,380 direct costs, September 1, 1992 - August 31, 1997.

Principal Investigator, *Help-Seeking and Recovery Processes in Problem Drinkers*. National Institute on Alcohol Abuse and Alcoholism, Research Scientist Development Award no. 1 K02-AA00209, \$402,232 direct costs, April 1, 1996 - March 31, 2001.

Principal Investigator, *Recovery and Help-Seeking Processes in Problem Drinkers*. National Institute on Alcohol Abuse and Alcoholism, grant no. R01-AA08972, \$1,240,396 direct costs, September 1, 1997 – August 31, 2004 (includes no-cost extensions).

Principal Investigator, *Help-Seeking and Recovery Processes in Problem Drinkers*. National Institute on Alcohol Abuse and Alcoholism, Independent Scientist Development Award no. 2 K02-AA00209, \$567,083 direct costs (\$612,449 total award), June 1, 2001 – November 30, 2006.

Co-Investigator, *College Impaired Driving Intervention*. National Institute on Drug Abuse, grant no. 5 R01AA012961-03, \$901,116 total award, J. Schumacher, PI, September 1, 2003 – August 31, 2007.

Principal Investigator, *Telehealth Assessment of Risk Behaviors in Rural HIV+ Substance Users*. National Institute on Drug Abuse grant no. 5 R21-DA021524, \$275,000 direct costs (\$400,125 total award), September 20, 2006 – June 30, 2009.

Principal Investigator, *Recovery and Help-Seeking Processes in Problem Drinkers**. National Institute on Alcohol Abuse and Alcoholism, grant no. 2 R01-AA08972, \$1,626,871 direct costs (\$2,363,518 total award), March 15, 2005 – February 28, 2012 (includes a planned no cost extension).

Principal Investigator, *American Recovery and Reinvestment Act (ARRA) Supplement* no. 3 R01 AA008972-16S1 to above parent grant*, \$112,853 direct costs (\$165,251 total costs), July 20, 2009 – February 28, 2011.

Co-Investigator, *Healthy Passages: A Longitudinal Study of Adolescent Health*, Centers for Disease Control and Prevention grant no.5U48DP000046-5 SIP 03-04, \$622,225 total award (S. Davies, PI), September 30, 2008 – September 29, 2010.

Principal Investigator (UAB subcontract), *Applying Behavioral Economics and EMA to Physical Activity and Marijuana Use*, University of Buffalo/National Institute on Drug Abuse grant no. 1 R01 DA027606-01 (L. Collins, PI), 5-year award (Total subcontract award: \$50,790 Years 1-3), September 30, 2009 – August 31, 2011.

Co-Investigator, *Healthy Passages II: A Longitudinal Study of Adolescent Health*, Centers for Disease Control and Prevention grant no. 1U19DP002665-01, \$1,416,666 total award (S. Davies, PI), September 30, 2010 – September 29, 2012.

Co-Investigator, *Midlife Health and Service Utilization Associated with Early Life Drug Use* (Stefan Kerstesz, M.D., PI), National Institute on Drug Abuse grant no. 1 R01 DA025067-01 (\$1,076,573 total award), July 1, 2008 – June 30, 2012.

Principal Investigator, *Time Horizons and the Behavioral Economics of Recovery from Drinking Problems*, National Institute on Alcohol Abuse and Alcoholism, grant no. 1 R01 AA017880-01A1, \$1,946,510 direct costs (\$2,851,479 total costs), September 15, 2009 – August 31, 2015.

Principal Investigator, *"CITY Health" Core Research Project*, Centers for Disease Control and Prevention, Prevention Research Center grant no. 1 U48 DP001915-01 (M. Michael, PI), 5-year award (Research Core: \$1,098,945 Years 1 & 2 total award; awards pending Years 3-5), September 30, 2009 – September 29, 2014.

Co-Investigator/Executive Committee Member & Director, Behavioral and Community

Science Core, *UAB Center for AIDS Research*, National Institute of Allergy and Infectious Diseases grant no. 5 P30-AI027767 (M. Saag, PI), \$1,146,528 direct costs, July 19, 2009 – May 31, 2014.

Principal Investigator (UAB subcontract), *Telehealth Evaluation, Screening, and Treatment (TEST)*. Substance Abuse and Mental Health Services Administration/Centers for Substance Abuse Treatment (SAMHSA/CSAT). Health Services Center, Inc., Hobson City, AL subcontract. (C. Simpson, PI) (\$215,844 Years 1-2), October 1, 2011- June 30, 2014.

Co-Investigator, *"CITY Health II" Core Research Project*, Centers for Disease Control and Prevention, Prevention Research Center application no. 1 U488 DP005037-01 (M. Michael, Center Director; C. Simpson Core Research PI), 5-year award, \$3,583,334 direct costs, September 30, 2014 – September 29, 2019.

Principal Investigator, *Shifts in Behavioral Allocation as an Alcohol Recovery Mechanism*, National Institutes of Health/National Institute of Alcohol Abuse and Alcoholism grant no. 7 R01 AA023657-02, \$374,850 direct costs (\$562,275 total costs), July 15, 2015 – April 30, 2018.

Presentations:

Tucker, J. A., Vuchinich, R. E., & Sobell, M. B. (1977, December). Stress reduction as a determinant of male normal drinkers' voluntary alcohol consumption. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Atlanta, Georgia.

Tucker, J. A., & Vuchinich, R. E. (1978, March). Differential discriminative stimulus control of drinking behavior in alcoholic and normal drinkers. Presented at the meeting of the Southeastern Psychological Association, Atlanta, Georgia.

Vuchinich, R. E., & Tucker, J. A. (1978, November). Alcohol, expectancy, cognitive labeling, and mirth. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Chicago, Illinois.

Tucker, J. A., Blumenthal, L., Maisto, S. A., & Vuchinich, R. E. (1979, March). Affective responses to alcohol: The role of drinking context, expectancy, and sex of subject. Presented at the meeting of the Southeastern Psychological Association, New Orleans, Louisiana.

Vuchinich, R. E., & Tucker, J. A. (1979, March). Alcohol research and psychology: A look at historical and contemporary trends. Topical discussion conducted at the meeting of the Southeastern Psychological Association, New Orleans, Louisiana.

Vuchinich, R. E., & Tucker, J. A. (1980, March). A conceptual model of alcoholic relapse. Topical discussion conducted at the meeting of the Southeastern Psychological Association, Washington, D.C.

Tucker, J. A., & Vuchinich, R. E. (1980, March). Self-handicapping through alcohol consumption vs. performance facilitation through studying in response to intellectual performance demands. Paper presented at the meeting of the Southeastern Psychological Association, Washington, D.C.

Tucker, J. A. (1980, October). Behavioral approaches to the outpatient treatment of obesity. Workshop presentation at the meeting of the Academy of Psychosomatic Medicine, Miami, Florida.

Tucker, J. A., & Vuchinich, R. E. (1981, March). Self-enhancing attributions as a function of objective response-outcome contingencies. Presented at the meeting of the Southeastern Psychological Association, Atlanta, Georgia.

Bordini, E., Vuchinich, R. E., Tucker, J. A., & Sullwold, A. F. (1981, March). Attributions of causality for drinking behavior made by alcoholics and normal drinkers. Presented at the meeting of the Southeastern Psychological Association, Atlanta, Georgia.

Vuchinich, R. E., & Tucker, J. A. (1981, March). Alcohol use as a self-handicapping strategy following noncontingent success. Presented at the meeting of the Southeastern Psychological Association, Atlanta, Georgia.

Vuchinich, R. E., & Tucker, J. A. (1981, December). Recent developments in theories of alcohol's effects on human behavior. Symposium presentation at the meeting of the Southeastern Psychological Association, New Orleans, Louisiana.

Tucker, J. A. (1982, March). Why a quark is a quark: On the use of normal language in behavior theory. Symposium presentation at the meeting of the Southeastern Psychological Association, New Orleans, Louisiana.

Sullwold, A. F., Tucker, J. A., & Bordini, E. (1982, March). The generality of the stimulus-binding hypothesis across drinking behavior and task performance in alcoholics. Presented at the meeting of Southeastern Psychological Association, New Orleans, Louisiana.

Isleib, R. A., Vuchinich, R.E., & Tucker, J. A. (1982, March). An investigation of attributions for performance and changes in self-esteem following self-handicapping through alcohol consumption. Presented at the meeting of Southeastern Psychological Association, New Orleans, Louisiana.

Tucker, J. A., & Vuchinich, R. E. (1982, August). Effects of alcohol on affect perception: An information processing analysis. Paper presented at the meeting of the American Psychological Association, Washington, D.C.

Vuchinich, R. E., & Tucker, J. A. (1982, August). Behavioral theories of choice as a framework for studying alcoholism. Paper presented at the meeting of the American Psychological Association, Washington, D.C.

Vuchinich, R. E., Tucker, J. A., & Rudd, E. J. (1983, March). Normal drinkers' preference for alcohol as a function of delay of alternative reward. Paper presented at the meeting of the Southeastern Psychological Association, Atlanta, Georgia.

Bordini, E., Tucker, J. A., Vuchinich, R. E., & Rudd, E. J. (1983, March). Alcohol consumption as a self-handicapping strategy in women. Paper presented at the meeting of the Southeastern Psychological Association, Atlanta, Georgia.

McNeil, D. W., Sullwold, A. F., Tucker, J. A., & Vuchinich, R. E. (1983, March). Identification of problem drinkers in general health care settings. Topical discussion presented at the meeting of the Southeastern Psychological Association, Atlanta, Georgia.

Vuchinich, R. E., & Tucker, J. A. (1983, December). Identifying the determinants of alcoholic relapse. World Congress on Behavior Therapy, Washington, D.C.

Tucker, J. A., & Vuchinich, R. E. (1984, March). Effects of alcohol on recall of social interactions. Paper presented at the meeting of the Southeastern Psychological Association, New Orleans, Louisiana.

Rudd, E. J., Harris, C. V., Tucker, J. A., & Vuchinich, R. E. (1984, March). Development of a behavioral measurement strategy of human alcohol consumption in a laboratory setting. Paper presented at the meeting of the Southeastern Psychological Association, New Orleans Louisiana.

Vuchinich, R. E., Tucker, J. A., Harlee, L. M., Hoffman, S., & Schwartz, J. (1985, November). Reliability of reports of temporal patterning of drinking behavior by alcoholics. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Houston, Texas.

Tucker, J. A., Vuchinich, R. E., Harris, C. V., & Rudd, E. J. (1985, November). Development of a behavioral measurement strategy of human time allocation in natural environments. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Houston, Texas.

Vuchinich, R. E., & Tucker, J. A. (1986, March). Relationships among pre- and posttreatment measures of alcohol consumption and alcohol-related dysfunctions in alcoholics. Presented at the meeting of the Southeastern Psychological Association, Orlando, Florida.

Tucker, J. A., Vuchinich, R. E., Gavornik, M. G., & Lazzari-Covey, O. (1986, August). Accuracy of self-monitoring reports of alcohol consumption. Presented at the meeting of the American Psychological Association, Washington, D.C.

Vuchinich, R. E., Tucker, J. A., & Harlee, L. M. (1986, August). Individual differences in the reliability of alcoholics' reports of drinking. Presented at the meeting of the American Psychological Association, Washington, D.C.

Samo, J., Tucker, J. A., & Vuchinich, R. E. (1986, November). Agreement among three verbal report measures of alcohol consumption in natural environments. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Chicago, Illinois.

Harris, C. V., & Tucker, J. A. (1986, November). The development of a behavioral measurement strategy of adolescent alcohol and drug use. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Chicago, Illinois.

Samo, J., Tucker, J. A., & Vuchinich, R.E. (1987, March). Agreement between self-monitoring and recall reports of durations of alcohol consumption episodes. Presented at the

meeting of the Southeastern Psychological Association, Atlanta, Georgia.

Tucker, J. A., & Vuchinich, R. E. (1987, May). A time allocation measure of alcohol consumption in natural environments. Symposium presentation at the meeting of the Association for Behavior Analysis, Nashville, Tennessee.

Vuchinich, R. E., & Tucker, J. A. (1987, May). Behavioral approaches to alcoholic relapse. Symposium presentation at the meeting of the Association for Behavior Analysis, Nashville, Tennessee.

Tucker, J. A., & Vuchinich, R. E. (1987, June). Drinking patterns and drinking environments of older adults: Prevention implications. Symposium presentation at the meeting of the Research Society on Alcoholism, Philadelphia, Pennsylvania.

Tucker, J. A., & Vuchinich, R. E. (1987, August). Alcohol consumption of employed and retired older adults as a function of different environments. Presented at the Conference on Experimental and Behavioral Approaches to Alcoholism, Bergen, Norway.

Vuchinich, R. E., & Tucker, J. A. (1987, August). Predicting alcoholic relapse with pretreatment measures of drinking behavior and money spent on drinking. Presented at the Conference on Experimental and Behavioral Approaches to Alcoholism, Bergen, Norway.

Samo, J. A., Tucker, J. A., Rand, C. S. W., & Woodward, E. R. (1988, June). Behavioral interventions to promote adaptive life style changes following bariatric surgery. Presented at the meeting of the Society for Bariatric Surgery, Iowa City, Iowa.

Vuchinich, R. E., & Tucker, J. A. (1988, August). Reinforcement and motivational processes in alcoholic relapse. Symposium presentation at the meeting of the American Psychological Association, Atlanta, GA.

Vuchinich, R. E., & Tucker, J. A. (1989, May). Implications of behavioral economics for human alcohol abuse. Presented at the meeting of the Association for Behavior Analysis, Milwaukee, WI.

Vuchinich, R. E., & Tucker, J. A. (1989, August). Reinforcement context and human alcohol abuse. Presented at the meeting of the American Psychological Association, Washington, D.C.

Tucker, J. A., Vuchinich, R. E., Gladsjo, J. A., Hawkins, J. L. & Sherrill, J. T. (1989, November). Environmental influences on the natural resolution of alcohol problems without treatment. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Washington, D.C.

Landau, D., Vuchinich, R. E., & Tucker, J. A. (1990, May) A behavioral-economic analysis of choice between alcohol and video games. Presented at the meeting of the Association for Behavior Analysis, Nashville, Tennessee.

Tucker, J. A., Gladsjo, J. A., Vuchinich, R. E., & Sherrill, J. T. (1990, November). Help seeking behaviors by problem drinkers: A comparison of drinkers who attended A.A., formal

treatment, or achieved problem resolution alone. Presented at the meeting of the Association for the Advancement of Behavior Therapy, San Francisco, CA.

Gladsjo, J. A., Tucker, J. A., Hawkins, J. L., & Vuchinich, R. E. (1990, November). Agreement between subject and collateral recall of drinking patterns and life events associated with natural recovery from alcohol problems. Presented at the meeting of the Association for the Advancement of Behavior Therapy, San Francisco, CA.

Tucker, J. A. (1991, June). Psychosocial influences on the process of seeking help for alcohol problems. Symposium presentation at the meeting of the Research Society on Alcoholism, Marco Island, FL. (J.A. Tucker, Symposium Chair)

Tucker, J. A., Vuchinich, R. E., & Gladsjo, J. A. (1991, November). Environmental influences on substance abuse relapse. Presented at the meeting of the Association for the Advancement of Behavior Therapy, New York, NY.

Adcock, R. J., Newland, M. C., & Tucker, J. A. (1992, November). Questionnaire and self-monitoring measures give different estimates of caffeine consumption. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Boston, MA.

Vuchinich, R. E., & Tucker, J. A. (1993, May). Choice, self-control, and alcohol abuse. Presented at the meeting of the Association for Behavior Analysis, Chicago, IL.

Tucker, J. A., Vuchinich, R. E., & Pukish, M. (1993, August). Environmental contexts surrounding recovery from alcohol problems with and without treatment. Presented at the meeting of the American Psychological Association, Toronto, Canada.

Snider, P. R., & Tucker, J. A. (1994, April). Individual differences in the development of anticipatory nausea and vomiting: A prospective analysis. Presented at the meeting of the Society for Behavioral Medicine, Boston, MA.

Meyer, T. M., & Tucker, J. A. (1994, May). Childbearing and seriously mentally ill women. Presented at the American Psychological Association National Conference on Psychology and Women's Health, Washington, D.C.

Pukish, M. M., & Tucker, J. A. (1994, August). Natural recovery from alcoholism: Contexts surrounding abstinent and moderation outcomes. Presented at the meeting of the American Psychological Association, Los Angeles, CA.

Tinker, J. E., & Tucker, J. A. (1994, August). Environment contexts surrounding natural recovery from obesity. Presented at the meeting of the American Psychological Association, Los Angeles, CA.

George, A. A., & Tucker, J. A. (1994, August). Social networks surrounding treatment or A.A. entry by problem drinkers. Presented at the meeting of the American Psychological Association, Los Angeles, CA.

Vuchinich, R. E., & Tucker, J. A. (1994, August). Creating a context for informed consent

in human alcohol studies. Presented at the meeting of the American Psychological Association as part of a symposium titled "Empirical underpinnings of ethical issues in alcohol research," Los Angeles, CA.

Gladsjo, J. A., & Tucker, J. A. (1994, November). A factor analytic study of pre-treatment characteristics of inpatient alcoholics and their utility in predicting short-term outcome. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Boston, MA.

Crawford, A. L., & Tucker, J. A. (1995, May). Effects of helper status and help appropriateness on help-seeking behavior and on affective reactions to aid. Presented at the meeting of the North Carolina State Psychological Association, Wrightsville Beach, NC.

Britt, R. J., Tucker, J. A., & El-Sheikh, M. M. (1995, August). Social perceptual processes in adult children of alcoholics. Presented at the meeting of the American Psychological Association, New York, NY.

Tucker, J. A. (1995, August). Patterns of help-seeking for and recovery from addictive disorders. Presented at the meeting of the American Psychological Association, New York, NY, as part of a symposium titled "Changing addictive behavior: Moving beyond therapy assisted change" (J. A. Tucker, Symposium Chair).

Adcock, R. J., Newland, M. Christopher, & Tucker, J. A. (1996, November). Behavioral self-monitoring as an assessment strategy to measure caffeine consumption in the natural environment. Presented at the meeting of the Association for the Advancement of Behavior Therapy, New York, NY.

Adcock, R. J., Newland, M. Christopher, & Tucker, J. A. (1996, November). Determinants of caffeine use in young adults: Relationship among dose, source and self-report method. Presented at the meeting of the Association for the Advancement of Behavior Therapy, New York, NY.

Simpson, C., Tucker, J. A., & Vuchinich, R. E. (1996, November). Temporal sequencing of alcohol-related problems, problem recognition, and help-seeking episodes. Presented at the meeting of the Association for the Advancement of Behavior Therapy, New York, NY.

Vuchinich, R. E., Tucker, J. A., & Newland, M. C. (1997, November). Use of spectral analysis to assess the reliability of patterns in reports of drinking by alcohol dependent individuals. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Miami Beach, FL.

Crawford, A. L., & Tucker, J. A. (1997, November). Influences on help-seeking for eating disorders. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Miami Beach, FL.

Tucker, J. A. (1997, November). Seeking help for drug-related problems: Patterns and impediments. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Miami Beach, FL, as part of a symposium titled "Broadening the base of interventions for addictive behaviors: Combining clinical and public health approaches." (J. A. Tucker, Symposium Chair)

Vuchinich, R. E., Simpson, C. A., & Tucker, J. A. (1998, August). Temporal discounting and drinking in the laboratory and natural environment. Presented at the meeting of the American Psychological Association, San Francisco, CA.

Murphy, J. G., Lawyer, S., Vuchinich, R. E., & Tucker, J. A. (1998, November). The influence of religious involvement on recovery from alcohol problems. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Washington, D.C.

Davison, J. W., & Tucker, J. A. (1999, August). Lowering thresholds for substance abuse services: Role of time costs. Paper presented at the annual meeting of the American Psychological Association, Boston, MA.

Tucker, J. A., & Marlatt, G. A. (1999, August). Harm reduction: Offering humane and pragmatic care to substance abusers. Symposium presented at the annual meeting of the American Psychological Association, Boston, MA.

Davison, J. W., Coffey, T. T., Tucker, J. A., Fowler, J., & Sellers, P. (1999, November). Assessment of addictive behavior change strategies used in treatment-assisted resolution of alcohol and drug problems. Poster presented at the annual meeting of the Association for the Advancement of Behavior Therapy, Toronto, Ontario.

Coffey, T. T., Davison, J. W., & Tucker, J. A. (1999, November). Motivation for treatment and for addictive behavior change: The role of temporal perspective. Poster presented at the annual meeting of the Association for the Advancement of Behavior Therapy, Toronto, Ontario.

Olson, A., & Tucker, J. A. (2000, August). Factors influencing help-seeking and help-resistance for disordered eating behaviors. Poster presented at the annual meeting of the American Psychological Association, Washington, DC.

Simpson, C. A., & Tucker, J. A. (2001, August). Merging behavioral economic and public health approaches to substance abuse. Paper presented in a symposium on behavioral economics and substance abuse held at the annual meeting of the American Psychological Association, San Francisco, CA.

Tucker, J. A., Foushee, H. R., Vuchinich, R. E., & Rippens, P. D. (2003, March). Developing more appealing services for alcohol and drug problems: What the public prefers. Poster presented at a thematic meeting "Beyond the clinic walls: Expanding mental health, drug and alcohol services research outside the specialty care system," jointly sponsored by the National Institute on Mental Health, National Institute on Alcohol Abuse and Alcoholism, and National Institute on Drug Abuse, Washington, D.C.

Reed, G. M., Bufka, L. F., Tucker, J. A., & Iguchi, M. Y. (2003, November). PracticeNet: An Internet-based methodology to capture real time psychological practice behavior. Poster presented at the annual meeting of the Association for the Advancement of Behavior Therapy, Boston, MA.

Tucker, J. A., & Foushee, H. R. (2004, August). Increasing the appeal of substance abuse services: What consumers prefer. Poster presented at the annual meeting of the American

Psychological Association, Honolulu, HI.

Tucker, J. A. (Chair), Humphreys, K. N., Thorn, B. E., Johnson, S. B., Reed, G. M., Ballard, D., & Fox, R. (2004, August). Psychological services as healthcare: Disciplinary challenges, conundrums, and opportunities. Board of Professional Affairs symposium presented at the annual meeting of the American Psychological Association, Honolulu, HI.

Tucker, J. A. (Chair) & Kessler, R. (Participant). (2005, August). Population perspectives on the epidemiology and use of services for behavioral health disorders. Presidential program, Annual meeting of the American Psychological Association, Washington, D.C.

Kertesz, S. G., Pletcher, M. J., Samples, S., Tucker, J. A., Balentine, C., & Schumacher, J. (2007, April). Can we assess lifetime substance use by telephone in less than 10 minutes? A cautionary finding the CARDIA Study. Presented at the annual meeting of the Society of General Internal Medicine, Toronto, Ontario, Canada.

Reynolds, N. C., Roth, D. L., Lanier, J., Westfall, A. O., Black, B. C., & Tucker, J. A. (2008, August). Predictors of IVR self-monitoring following natural problem drinking resolutions. Poster presentation at the annual meeting of the American Psychological Association, Boston, MA.

Vignolo, M. J., Reynolds, N.C., Lanier, J., Simpson, C. A., Roth, D. L., & Tucker, J. A. (2008, August). Delay discounting in problem drinkers with natural resolutions. Poster presentation at the annual meeting of the American Psychological Association, Boston, MA.

Black, B. C., Simpson, C. A., Vignolo, M. J., Tucker, J. A., & Katharine E. Stewart (2008, August). Delay discounting and risky behaviors in rural HIV+ individuals. Poster presentation at the annual meeting of the American Psychological Association, Boston, MA.

Tucker, J. A. (2009, June). Facilitating natural resolution using Interactive Voice Response self-monitoring. Presented at the meeting of the Research Society on Alcoholism, San Diego, CA, as part of a symposium titled "Enhancing self-change in problem drinkers: Web, IVR, and media based approaches." (J. E. Helzer & J. A. Tucker, Symposium Chairs)

Khodneva, Y., Pletcher, M., Jones, B., Tucker, J., & Kertesz, S. (2009, June). Mental health outcomes and drug use trajectories among adults in the general population (the CARDIA study). Poster presented at the annual meeting of the College on Problems of Drug Dependence, Reno/Sparks, NV.

Khodneva, Y., Pletcher, M., Jones, B., Tucker, J., & Kertesz, S. (2009, November). Depressive symptoms, anger expression and drug use trajectories among adults in the general population (the CARDIA study). Presentation at the annual meeting of the American Public Health Association, Philadelphia, PA.

Blum, E. R., Simpson, C. A., Xi, L., & Tucker, J. A. (2010, April). Delay discounting and IVR compliance in rural HIV+ adults. Symposium presentation at the annual meeting of the Society of Behavioral Medicine, Seattle, WA.

Khodneva, Y., Pletcher, M., Tucker, J., Safford, M., Schumacher, J., & Kertesz, S. (2010, June). Interaction of race/gender and non-marijuana drug use trajectories in predicting self-reported

depressive symptoms in the longitudinal study of community-based sample (the CARDIA Study). Poster presentation at the annual meeting of the College on Problems of Drug Dependence, Scottsdale, AZ.

Khodneva, Y., Pletcher, M., Schumacher, J., Safford, M., Tucker, J. & Kertesz, S. (2010, November). Do race and sex alter the association between non-marijuana drug use trajectories and depressive symptoms in a community-based adult cohort??" (the CARDIA study). Presentation at the annual meeting of the American Association of Education and Research in Substance Abuse (AMERSA) Washington, DC.

Khodneva, Y., Pletcher, M., Schumacher, J., Safford, M., Tucker, J. & Kertesz, S. (2011, February). Frequent illicit drug use in young adulthood predicts higher risk of depressive symptoms in the middle-aged adults from the community sample (the CARDIA Study). Presentation at the University of Alabama at Birmingham Graduate Student Research Days, Birmingham, AL.

Khodneva, Y., Pletcher, M., Schumacher, J., Safford, M., Tucker, J. & Kertesz, S. (2011, June). Does marijuana use trajectory predict self-reported depressive symptoms in a longitudinal community-based cohort followed for 20 years? (the CARDIA study). Poster presented at the annual meeting of the College on Problems of Drug Dependence, Hollywood, FL.

Khodneva, Y., Pletcher, M., Schumacher, J., Safford, M., Tucker, J. & Kertesz, S. (2011, November). Do race and sex alter the association between non-marijuana drug use trajectories and depressive symptoms in a community-based adult cohort? (the CARDIA study). Presentation at the annual meeting of the American Association of Education and Research in Substance Abuse (AMERSA), Arlington, VA.

Schroder, K. E. E., Tucker, J. A., & Simpson, C. A. (2012, April). Do telehealth educational modules support maintenance of problem drinking resolutions? Paper presented at the annual meeting of the Society of Behavioral Medicine, New Orleans, LA.

Knodneva*, Y., Pletcher, M., Safford, M., Schumacher, J., Tucker, J., & Kertesz, S. (2012, June). Conjoint trajectories of drug use and trajectories of depressive symptoms in adults: a 2-decade portrait of comorbidity (the CARDIA study). Presentation at the annual meeting of the College on Problems of Drug Dependence. (*CPDD Early Investigator Travel Award recipient)

Tucker, J. A. (2012, August). Community-based behavioral economic strategies to reduce alcohol-related problems. Paper presented as part of a symposium titled "Behavioral economics as a platform for translational research on addiction" (W. K. Bickel, Chair) at the annual meeting of the American Psychological Association, Orlando, FL.

Tucker, J. A. (2012, August). Re-conceptualizing and broadening the context of addictive behavior change. Paper presented as part of a symposium titled "Understanding addictive behaviors: Celebrating the work and generativity of G. Alan Marlatt" (J. A. Tucker & M. Larimer, Co-Chairs) at the annual meeting of the American Psychological Association, Orlando, FL.

Cheong, J., Tucker, J. A., & Simpson, C. A. (2013, May). Time perspective predicts substance use by disadvantaged urban emerging adults. Poster presented at the Division 28/Division 50 Collaborative Perspectives on Addiction Conference, Atlanta, GA.

Tucker, J. A., Cheong, J., Chandler, S., Davies, S., Lewis, T., & Simpson, C. A. (2013, July). Substance use and behavioral impulsivity predict sexual risk-taking in emerging adults. Poster presented at the annual meeting of the American Psychological Association, Honolulu, Hawaii.

Chandler, S. D., Tucker, J. A., & Cheong, J. (2014, February). Substance use, sexual practices, and social network reinforcement among African American emerging adult women living in disadvantaged urban neighborhoods. Poster presentation at the Division 28/Division 50 Collaborative Perspectives on Addiction Conference, Atlanta, GA.

Cheong, J., Tucker, J. A., & Chandler, S. D. (2014, February). Perceived quality of life, substance use, and risky sexual practices among African American youths living in underserved urban neighborhoods. Poster presentation at the Division 28/Division 50 Collaborative Perspectives on Addiction Conference, Atlanta, GA.

Tucker, J. A., Cheong, J., & Chandler, S. D. (2014, November). Selecting communication channels for substance misuse prevention with at-risk emerging adults in the Southern U.S. Paper presented at the 7th International Congress on Health Psychology — Psychohealth 2014 (*Psicosalud*), Havana, Cuba.

Tucker, J. A., Cheong, J., Chandler, B. H., Lambert, B. H., & Simpson, C. A. (2015, June). Behavioral impulsivity and time perspective predict different problem severity dimensions among untreated problem drinkers attempting natural recovery. Paper presented as part of a symposium titled “The behavioral economics of alcohol use disorders: Translational findings from behavioral and brain investigations” (M. Amlung, Chair) at the annual meeting of the Research Society on Alcoholism, San Antonio, TX.

Tucker, J. A., Chandler, S. D., Cheong, J., Lambert, B. H., Pietrzak, B., Kwok, H., & Davies, S. L. (2016, March). Behavioral economic predictors of moderation outcomes during natural recovery from alcohol problems. Poster presented at the Division 50 Collaborative Perspectives on Addiction Conference, San Diego, CA.

Tucker, J. A. (2016, March). Behavioral economics of low risk drinking during natural recovery from alcohol problems. Paper presented as part of a symposium titled “Contributions from psychology to understanding and promoting low risk drinking” (J. Tucker, Chair) at the Division 50 Collaborative Perspectives on Addiction Conference, San Diego, CA.

Cheong, J., Tucker, J. A., Jung, S., Chandler, S. D., & Lambert, B. H. (2016, June). Social network support moderates the association of a behavioral economic indicator of alcohol demand on natural resolution outcomes. Poster presented the Research Society on Alcoholism Pre-conference Workshop, “Mechanisms of behavior change in behavioral treatments: Moving Toward Precision Medicine in the Treatment of Alcohol and Substance Use Disorders,” New Orleans, LA.

Chandler, S. D., Tucker, J. A., & Cheong, J. (2016, August). HIV Testing predictors for young African American women in low-income Southern urban communities. Poster presented at the annual meeting of the American Psychological Association, Denver, CO.

Invited Presentations:

Vuchinich, R. E., & Tucker, J. A. (1982, May). Alcohol problems: Assessment, treatment, and program evaluation. Workshop presentation at the meeting of the Florida Psychological Association, Sarasota, Florida.

Tucker, J. A. (1984, March). Stressful events and human drinking behavior: The role of contextual variables. Presentation at the 7th Annual Coatesville-Jefferson conference entitled "Alcohol, Drug, and Stress Interactions," Coatesville, Pennsylvania.

Vuchinich, R. E., & Tucker, J. A. (1987, April). Behavioral theories of choice as a framework for studying human drinking behavior and alcoholic relapse. Research Scientist Seminar presented at the Clinical Institute, Addiction Research Foundation, Toronto, Canada.

Vuchinich, R. E., & Tucker, J. A. (1987, November). Assessing patterns of drinking and predicting relapse in alcoholics. Clinical roundtable presentation at the meeting of the Association for the Advancement of Behavior Therapy, Boston, MA.

Vuchinich, R. E., & Tucker, J. A. (1988, October). Applying theories of choice to studying alcohol abuse. Presentation at the meeting of the Southeastern Association for Behavior Analysis, Gatlinburg, TN.

Tucker, J. A. (1993, April). Influences on help-seeking for alcohol problems and on recovery without treatment. Colloquium presented at the Center on Alcoholism, Substance Abuse, & Addictions and The Dept. of Psychology, University of New Mexico, Albuquerque.

Tucker, J. A. (1994, June). Molar contexts surrounding recovery from alcohol problems. Colloquium presented at the Addictive Behaviors Research Center and the Dept. of Psychology, University of Washington, Seattle.

Tucker, J. A. (1995, November). Environmental contexts surrounding addictive behavior change. Presented at the meeting of the Southeastern Association for Behavior Analysis, Charleston, SC.

Tucker, J. A. (1996, December). Help-seeking for problems related to substance abuse: Contributions from behavioral economics. Presented at a conference sponsored by the National Institute on Drug Abuse titled "Treatment readiness: Factors influencing entry and engagement," Rockville, MD.

Tucker, J. A. (1997, November). Applied research opportunities for psychologists in the changing health care environment. Presented at the meeting of the Addictive Behavior Special Interest Group, Association for the Advancement of Behavior Therapy, as part of a symposium titled "Randomized clinical trials and alternatives to evaluating treatment efficacy" (K. Fromme, Chair), Miami Beach, FL.

Tucker, J. A. (1998, November). Delivering and evaluating substance abuse services in the changing health care environment: Expanding roles for psychologists. Workshop presented at the

meeting of the Association for the Advancement of Behavior Therapy, Washington, D.C.

Tucker, J. A. (1999, March). Environmental contexts surrounding resolution among problem drinkers with different help-seeking experiences. Paper presented at a thematic meeting on the natural history of addictions hosted by the Swiss Institute for the Prevention of Alcohol and Drug Problems and the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Les Diablerets, Switzerland.

Tucker, J. A. (2000, March). Expanding services for alcohol problems: Understanding help-seeking and natural resolution. Colloquium presented at the Center for Research on Behavioral Health and Human Service Delivery, Institute for Behavioral Research, University of Georgia, Athens, GA.

Tucker, J. A. (2001, December). Broadening the base of services for substance abuse. Colloquium presented at the University of Florida Health Sciences Center, Department of Clinical and Health Psychology and College of Health Professions, Gainesville, FL.

Tucker, J. A., & Simpson, C. A. (2002, March). Merging behavioral economic and public health approaches to the delivery of services for substance abuse: Concepts and applications. Paper presented at a NIAAA-sponsored thematic meeting "Choice, behavioral economics, and addiction," The University of Alabama at Birmingham.

Tucker, J. A. (2002, October). Behavioral economics of help-seeking and recovery in problem drinkers. Paper presented at a thematic meeting on "Addiction in the life course perspective: Entry and exit processes" hosted by the Nordic Council for Alcohol and Drug Research and the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Stockholm, Sweden.

Tucker, J. A. (2003, November). Behavioral economics of substance abuse: Consumer preferences for services. Invited colloquium, Veterans Administration Program Evaluation and Resource Center, Stanford University Medical School, Menlo Park, CA.

Tucker, J. A. (2004, March). Behavioral economics of alcohol abuse and addiction. Faculty speaker at the Dean's Luncheon, UAB School of Public Health.

Tucker, J. A., & Reed, G. M. (Co-Chairs) (2004, November). Broadening the evidentiary base of psychological services: Introduction and charge. Presentation at the annual retreat of the Board of Professional Affairs, American Psychological Association, Washington, D.C.

Tucker, J. A. (2004, November). Pathways to the resolution of drinking problems: Linking service utilization and behavior change. Invited colloquium, Department of Psychology, University of Alabama at Birmingham.

Tucker, J. A. (2005, September). How problem drinkers recover: Help-seeking and self-change. Invited Grand Rounds presentation, Department of Psychiatry, University of Vermont College of Medicine, Burlington.

Tucker, J. A. (2006, January). The case for evidentiary pluralism in support of evidence

based practice. Invited presentation, UAB Center for Aging and Veterans Administration GRECC Seminar Series, Birmingham, AL.

Tucker, J. A. (2006, April). Changing addictive behavior: Population perspectives and clinical strategies. Invited presentation. Florida Hospital Family Medicine Residency Program, Orlando, FL.

Tucker, J. A. (2007, July). Behavioral economics of drinking problem resolutions. Invited presentation at the 3rd annual Research Society on Alcoholism Pre-conference Workshop, “Mechanisms of behavior change in behavioral treatments: Current knowledge and new perspectives,” Chicago, IL.

Tucker, J. A. (2007, October). Addiction health services research: A confederacy of disciplines or an emerging trans-disciplinary union? Closing speaker 2007 Addiction Health Services Research Conference: “Sustainability and Change: Challenges for Research and Practice,” Athens, GA.

Tucker, J. A. (2008, June). Constructs in mechanism of behavior change research: A critical look – A panel discussion. Panel discussant at the 4th annual Research Society on Alcoholism Pre-conference Workshop, “Mechanisms of behavior change in behavioral treatments: Today and tomorrow.” Washington, DC.

Tucker, J. A. (2008, July). Public health implications of substance use diagnosis. Presented as part of an International Union of Psychological Science symposium “Challenges in diagnostic classification: The IUPsyS-WHO collaboration on mental and behavioural disorders for ICD 11” (P. Ritchie, Chair). XXIX International Congress of Psychology, Berlin, Germany.

Tucker, J. A. (2008, September). Behavioral economics of recovery and help-seeking in problem drinkers. Seminar presented at the Research Institute on Addictions, Buffalo, NY.

Tucker, J. A. (2009, June). Behavioral economics of addictive behavior change. Participant and speaker in the National Institutes of Health Science of Behavior Change Meeting to develop a transformative research agenda, Bethesda, MD.

Tucker, J. A., Franklin, F., LaGory, M., Simpson, C. A., & Davies, S. (2009, December). CITY Health: A social network approach to studying risk and resilience in emerging adults. Grand Rounds presentation, Division of Preventive Medicine, Department of Medicine, University of Alabama at Birmingham.

Tucker, J. A. (2011, April). Behavioral economics of recovery from alcohol related problems. Invited colloquium, Department of Psychology, University of North Dakota, Grand Forks, ND.

Tucker, J. A. (2012, July). Behavioral economics and strategies based on choice architecture to reduce alcohol-related problems. Presented as part of an International Union of Psychological Science symposium “Mechanisms of Behavior Change and Alcohol Use Disorders: Research Advances from Behavioral Neuroscience to Public Health” (J. B. Overmier, Chair). 30th International Congress of Psychology, Capetown, South Africa.

Tucker, J. A. (2013, October). Behavioral economics of help-seeking and recovery among problem drinkers. Seminar presented to the Alcohol Research Group, Public Health Institute, Emeryville, CA.

Tucker, J. A. (2013, October). Behavioral economics of addictive behavior change: Applications to problem drinking. Paper presented at the “Decision Making and Emotion Regulation in Life Span Transitions” conference, University of California-Berkeley.

Tucker, J. A. (2014, June). Public health perspective on the new opiate epidemic. Paper presentation at the “Pills to Needles: The Pathway to Rising Heroin Deaths – A Community Alert and Call to Action” conference, U.S. Attorney’s Office, Northern District of Alabama & the University of Alabama at Birmingham.

Tucker, J. A. (2015, May). Behavioral economic strategies to reduce substance misuse. Invited speaker, Alcohol, Tobacco & Other Drug Coalition, American College Health Association meeting, Orlando, FL.

Tucker, J. A. (2015, December). Behavioral economic and public health contributions to interventions for substance misuse. Society of Addiction Psychology Visiting Scholars Conference Call Series.
