PLEASE REVIEW ALL INSTRUCTIONS CAREFULLY TO ENSURE PROPER COMPLETION OF THIS FORM.

All sections of this form must be completed before being submitted to the Office of the University Registrar for processing.

Note: Graduate students should NOT use this form. Contact your major department for information on graduate minors.

Before you start:

- You must have at least 45 hours to apply for a minor. Students on college probation cannot apply for minors.
- Choosing to add a minor may result in an excess hour surcharge. Consult with an academic advisor in your college for more information about how a minor may impact your excess hours assessment. Additional information may be found on ONE.UF under your degree audit.
- You may only select ONE minor per form. If you are applying for multiple minors, you will need to complete a form for each individual minor.

To complete this form:

- Complete the top section of the form with your UFID, name, and Gatorlink email address.
- Select the minor you are applying for on the second page of this form. If the minor is not listed, write it in the field provided on the bottom of the second page.
- Sign the form in the “Student’s Signature” section.
- Contact your college advisor to sign the “Dean/Authorized Representative of Student’s College” section. **This form will not be accepted and processed without this approval signature.**
- Contact the dean’s office for the college that offers the minor to sign the “Dean/Authorized Representative of College Offering Minor” section. **This form will not be accepted and processed without this approval signature.**

If you are requesting to CANCEL a minor, only the student signature is required. Check the box below, select the appropriate minor on the second page and submit to the Office of the University Registrar for processing.
