Dear University of Florida Faculty,

As we all deal with the stress brought on by the rapidly changing circumstances surrounding COVID-19 coronavirus, please be aware of this resource that is available to support faculty mental health. The UF Employee Assistance Program offers someone to talk to and resources to consult whenever and wherever you need them. All faculty, **staff**, graduate assistants, non-student OPS employees, housestaff/residents and postdoc associates as well as their household members are eligible to receive services. For more information, please visit <https://eap.ufl.edu/>
