

A 3.0 UF GPA (most programs require a higher GPA) is necessary to enroll in 12 hours (21 for certain programs) of graduate coursework during the junior and/or senior year. To apply the graduate credit to a master's degree, you must meet admission requirements of the Graduate School and all graduate coursework must be completed with grades of B or better. Contact the graduate coordinator for details.

I wish to apply for entry into the UF Combined Bachelors/Masters Program indicated above. I have reviewed the requirements for this program with the Undergraduate and Graduate Coordinators in my major department. I understand that up to 9 hours of graduate coursework taken while I am an undergraduate may be counted towards the graduate degree (see degree program outline for specific details).
