

Q1.
APPLIED PHYSIOLOGY AND KINESIOLOGY (APK)
INTERNSHIP SITE APPROVAL FORM

Q2.

The **Department of Applied Physiology and Kinesiology** (APK) at the University of Florida would like to thank you in advance for taking the time to complete the approval process and your willingness to provide valuable internship opportunities to our students. The Department of APK requires that all **undergraduates** complete a 12-credit internship experience in their final semester of study. The experience requires a minimum of 520 clock hours or 35-40 hours a week for 15 weeks, for the Fall and Spring semesters, or 40-45 hours a week for 13 weeks during the Summer semester. **Graduate** students in the Human Performance concentration may elect to complete between 3 - 9 credits of internship to count towards their degree. Each registered credit of graduate internship requires a minimum of 48 clock hours be completed and a graduate student must register for at least 3 credits in any semester they intend to complete an internship. Therefore, a graduate student will be required to complete between 144 - 432 hours during their internship. Ideally, interns become exposed to the tasks that will be required of them as professionals in the field, as well as receive opportunities to develop their skills and areas of interest. A brief description of our undergradaute and graduate programs is below:

**APK Undergraduate Program**: Prepares students to function as an exercise technician, exercise specialist, and/or wellness instructor in hospital, corporate, private, or governmental agency, to pursue graduate study in kinesiology, OR to pursue graduate study in a health profession requiring education beyond an undergraduate degree. The curriculum provides a strong basic science background and requires additional course work in the biological aspects of exercise. Students may pursue internship opportunities in healthcare, research, fitness, or other areas of human performance.

**Human Performance (Graduate)**: The Human Performance concentration is a non-thesis program leading to a Master of Science degree in Applied Physiology and Kinesiology. Its purpose is to train students for careers where they can promote scientifically based exercise, wellness, and psychological factors to enhance health, athletic development and/or movement performance. Furthermore, students may be trained to be an integral part of the health care team that administers, assesses, and develops programs for clinical populations.

Please review the <u>APK Internship Policies and Procedures</u> Document to gain a better understanding of the expectations of students and site supervisors during the experience. Note that clicking the link to the Policies

and Procedures manual will take you away from this survey and cause any information input into the survey to be lost.
Q5. Organization Name
Florida Gulf Coast University Athletic Department
Q6. Organization Location(s) - Include Addresses Of All Locations To Be Included As Part Of This Approval
Florida Gulf Coast University 10501 FGCU Blvd South Ft. Myers Fl. 3968 Sublett Family Strength and Conditioning Center
Q10. URL of Website For Organization
fgcuathletics.com
Q7. Name of Individual Who Will Receive Applications From Students
Randy Popple
Q8. Email Address of Individual Who Will Receive Applications From Students
rpopple@fgcu.edu
Q9. Phone Number of Individual Who Will Receive Applications From Students
(239) 273-9977
Q34. Will the person receiving internship applications from students be the same person supervising the student and completing the student evaluations during the internship? $\bigcirc$ Yes

No

Q11. Name of Individual Who Will Supervise Evaluations	Students Directly During Internship and Complete Student
Greg Hurlbrink	
Q12. Email Address of Individual Who Will Student Evaluations	upervise Students Directly During Internship and Complete
ghurlbrink@fgcu.edu	
Q13. Phone number of Individual Who Will S Student Evaluations	upervise Students Directly During Internship and Complete
(443) 841-5353	
Q14. What Semester(s) Is Your Organization  ✓ Fall (August - December)  ☐ Spring (January - April)  ☐ Summer (May - August)	Available To Accept Interns? (select all that apply)
This means that site supervisors of undergrad	te supervisor hold one degree higher than the student intern. duate interns must hold at least a bachelor's degree and those of s degree. Based on this policy, for which category of students is ns? Check all that apply
✓ Undergraduate Students	✓ Graduate Students
Q16. How many interns is your organization	willing and able to support per semester?
1	
Q17. Describe the normal working hours anti- likelihood and circumstances surrounding any	cipated for an intern at your organization. Please indicate y evening or weekend time commitments.

	e typically here with the interns from 8:30 to 5:00. In the fall the intern will work with Men's Basketball. They will be able to help prep and attend tball games but it is not mandatory.
<i>Q18.</i> D	oes your organization offer non-paid or paid internships?
	on-paid aid (amount)
<i>Q21.</i> Li etc.)	ist other benefits your organization offers interns (i.e. housing, health insurance, travel reimbursement,
We ar	e not able to offer anything in the form of compensation.
Q <i>22.</i> Li	ist required purchases for interning with your organization (i.e. parking pass, uniform, I.D. Badge, etc.)
No red	quired cost.
	ist required skills or previous experience necessary for interning with your organization
Back (	ground in Exercise and Sport Science field.
Liability	ist any special credentials or documents required to intern with your organization (i.e. CPR/First Aid, Insurance, Personal Training Certification, OSHA training, HIPPA training, Pre-Internship orientation, ound check)
Backg	round check.

	training sessions. May work with multiple sports during the day. Setup and cleanup sessions of the weight room. Design and implementation of strength and terials.
026. Please describe a typical day for the intern:	
Setup for teams training sessions. Observe athletes during exercises a exercises and hands on training with those exercises. Prepare and cle	and motivate as well as correct when necessary. Short study session for upcoming ean up for the next days session.
028. All Interns (undergraduate and graduate) MUST be earning Outcomes (SLO's), though evaluation of all 9 ne duties/responsibilities provided to interns at your org	is preferred. Please check each SLO that applies to
Integrate principles and methods of math, social sciences, and/or arts and humanities to applied physiology and kinesiology, health, wellness, and/or fitness environments.	Select and utilize the appropriate scientific principles when assessing the health and fitness of an individual and prescribing physical activity based on those assessments.
Identify and relate the nomenclature, structures, and locations of components of human anatomy to health, disease, and physical activity.	Solve applied physiology and kinesiology problems from personal, scholarly, and professional perspectives using fundamental concepts of health and exercise, scientific inquiry, and analytical, critical, and creative thinking.
Identify, examine, and explain physiological mechanisms of homeostasis at various levels of an organism (i.e., cells, tissues, organs, systems).	Collect, compare, and interpret qualitative or quantitative data in an applied physiology and kinesiology context.
Investigate and explain the effects of physical activity on  yespectives used to enhance adherence to healthier lifestyles.	Effectively employ written, oral, visual, and electronic communication techniques to foster inquiry, collaboration, and engagement among applied physiology and kinesiology peers and professionals as well as with patients, clients, and/or subjects.
Identify and explain the acute and chronic anatomical and physiological adaptations to exercise, training, and physical activity.	
933. Name of APK student that requested the site app	roval form from you (if applicable)
220. Would you like to be added to the Department li	et of annual ad aited for firthing interned
029. Would you like to be added to the Department's lis	si oi approved siles ior future interns?
<ul><li>Yes</li><li>No</li></ul>	

Q25. Provide a bulleted list of duties/responsibilities your organization expects to be fulfilled by interns:

Q32. Have you reviewed the APK Internship <u>Policies and Procedures Manual</u>? Note that clicking the link will take you away from this survey and any information input into the survey will be lost if you navigate back. We recommend holding the ctrl button on your keyboard when clicking the link to open it in a new browser tab.

○ Yes

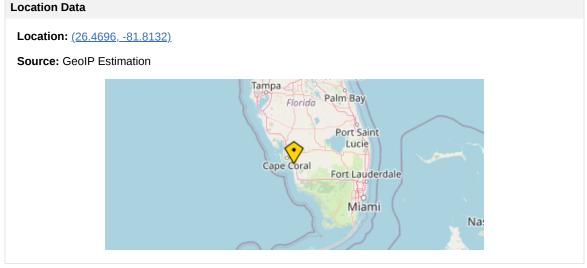

O No

## Q30. Signature of Individual Who Will Be Receiving Internship Applications

## Q31. Signature of Individual Who Will Be Supervising And Evaluating Students During The Internship

Blain Harrison
