

Q1.
APPLIED PHYSIOLOGY AND KINESIOLOGY (APK)
INTERNSHIP SITE APPROVAL FORM

Q2.
The **Department of Applied Physiology and Kinesiology (APK)** at the University of Florida would like to thank you in advance for taking the time to complete the approval process and your willingness to provide valuable internship opportunities to our students. The Department of APK requires that all **undergraduates** complete a 12-credit internship experience in their final semester of study. The experience requires a minimum of 520 clock hours or 35-40 hours a week for 15 weeks, for the Fall and Spring semesters, or 40-45 hours a week for 13 weeks during the Summer semester. **Graduate** students in the Human Performance concentration may elect to complete between 3 - 9 credits of internship to count towards their degree. Each registered credit of graduate internship requires a minimum of 48 clock hours be completed and a graduate student must register for at least 3 credits in any semester they intend to complete an internship. Therefore, a graduate student will be required to complete between 144 - 432 hours during their internship. Ideally, interns become exposed to the tasks that will be required of them as professionals in the field, as well as receive opportunities to develop their skills and areas of interest. A brief description of our undergraduate and graduate programs is below:

APK Undergraduate Program: Prepares students to function as an exercise technician, exercise specialist, and/or wellness instructor in hospital, corporate, private, or governmental agency, to pursue graduate study in kinesiology, OR to pursue graduate study in a health profession requiring education beyond an undergraduate degree. The curriculum provides a strong basic science background and requires additional course work in the biological aspects of exercise. Students may pursue internship opportunities in healthcare, research, fitness, or other areas of human performance.

Human Performance (Graduate): The Human Performance concentration is a non-thesis program leading to a Master of Science degree in Applied Physiology and Kinesiology. Its purpose is to train students for careers where they can promote scientifically based exercise, wellness, and psychological factors to enhance health, athletic development and/or movement performance. Furthermore, students may be trained to be an integral part of the health care team that administers, assesses, and develops programs for clinical populations.

Please review the [APK Internship Policies and Procedures](#) Document to gain a better understanding of the expectations of students and site supervisors during the experience. Note that clicking the link to the Policies

and Procedures manual will take you away from this survey and cause any information input into the survey to be lost.

Q5. Organization Name

Oak Hammock at the University of Florida

Q6. Organization Location(s) - Include Addresses Of All Locations To Be Included As Part Of This Approval

5100 SW 25th Blvd. Gainesville, Fl. 32608

Q10. URL of Website For Organization

www.oakhammock.org

Q7. Name of Individual Who Will Receive Applications From Students

Stacey Hogan

Q8. Email Address of Individual Who Will Receive Applications From Students

shogan@oakhammock.org

Q9. Phone Number of Individual Who Will Receive Applications From Students

352-548-1070

Q34.

Will the person receiving internship applications from students be the same person supervising the student and completing the student evaluations during the internship?

Yes

No

Q11. Name of Individual Who Will Supervise Students Directly During Internship and Complete Student Evaluations

This question was not displayed to the respondent.

Q12. Email Address of Individual Who Will Supervise Students Directly During Internship and Complete Student Evaluations

This question was not displayed to the respondent.

Q13. Phone number of Individual Who Will Supervise Students Directly During Internship and Complete Student Evaluations

This question was not displayed to the respondent.

Q14. What Semester(s) Is Your Organization Available To Accept Interns? (select all that apply)

- Fall (August - December)
- Spring (January - April)
- Summer (May - August)

Q15. APK Internship Policy requires that a site supervisor hold one degree higher than the student intern. This means that site supervisors of undergraduate interns must hold at least a bachelor's degree and those of graduate interns must hold at least a master's degree. Based on this policy, for which category of students is your organization willing to accept applications? Check all that apply

- Undergraduate Students Graduate Students

Q16. How many interns is your organization willing and able to support per semester?

2-3

Q35. APK Undergraduate students are permitted to complete a single 12-credit (520 hour minimum) internship in a single semester or two, 6-credit (260 hour minimum) internships over two semesters. Are you willing and able to provide a part-time internship experience (~20 hours per week), full-time (~40 hours per week), or either to our undergraduate students depending on the student's internship plans?

- Part-Time Internship (~20 hours per week)
- Full-Time Internship (~40 hours per week)
- Either Part-Time or Full-Time depending on the student's internship plan

Q17. Describe the normal working hours anticipated for an intern at your organization. Please indicate

likelihood and circumstances surrounding any evening or weekend time commitments.

The Wellness Center Internship is an 8-hour shift, 5 days a week. Other tasks may include: greeting residents, aiding program set up, providing one-on-one consultations, and assisting with balance training

Q18. Does your organization offer non-paid or paid internships?

Non-paid

Paid (amount)

Q21. List other benefits your organization offers interns (i.e. housing, health insurance, travel reimbursement, etc.)

N/A

Q22. List required purchases for interning with your organization (i.e. parking pass, uniform, I.D. Badge, etc.)

N/A

Q23. List required skills or previous experience necessary for interning with your organization

* Prior experience working with the senior community, wellness center or similar environment (preferred) * Excellent verbal and written communication skills * Strong organizational skills * Ability to work well with others * Basic computer proficiency, including the ability to use the Microsoft Office Suite, email, and internet

Q24. List any special credentials or documents required to intern with your organization (i.e. CPR/First Aid, Liability Insurance, Personal Training Certification, OSHA training, HIPPA training, Pre-Internship orientation, background check)

* Liability Insurance (if teaching a class)

Q25. Provide a bulleted list of duties/responsibilities your organization expects to be fulfilled by interns:

* Greet residents * Ensure all residents are safe. * Handle front desk activities; this may include answering the telephone and providing tours to prospective residents * Respond to resident's questions in a timely and professional manner (elevating to Wellness Coordinator as needed). * Assist with scheduling group fitness classes and one-on-one sessions. * Promote the Fitness Center/classes through the posting of materials, updating boards, etc. * Perform shift opening and closing duties as assigned. * Maintain the cleanliness of the Wellness Center * Inspect facilities and equipment to ensure proper working order.

Q26. Please describe a typical day for the intern:

A typical day will consist of an 8-hour shift. You will be helping our residents with fitness machines, teaching proper form, one on one balance/stretching activities. If interested, we do offer classes throughout the day and able to help teach them (independent & assisted living and skilled nursing)

Q28. All Interns (undergraduate and graduate) MUST be evaluated on **at least 6** of the following 9 Student Learning Outcomes (SLO's), though evaluation of all 9 is preferred. Please check each SLO that applies to the duties/responsibilities provided to interns at your organization.
