Our Mission: to eliminate Alzheimer's disease through the advancement of research; to provide and enhance care and support for all affected; and to reduce the risk of dementia through the promotion of brain health. Our Vision: a world without Alzheimer's disease.

Within our 17 county service area, the Florida Department of Elder Affairs estimates in 2016, there were 184,035 people living with Alzheimer's disease. This number does not include the Snowbirds. There are only eight states with higher incidence of Alzheimer's than that within our service area. Nationally one in every 61 people of all ages has Alzheimer's disease. In the State of Florida, it is one in every 40 people. In our service area, 1 in every 33 people of all ages has Alzheimer's disease!
