

Course Information and Policies

1. Please be aware that the online learning platform can sometimes present significant challenges. Unlike traditional classroom settings in which each student gets the same class at a set time and day, the online setting is available to you 24 hours a day and gives students the opportunity to tailor class to their schedule. Please note, however, this course is not entirely self-paced.
2. There are select times during which modules and course materials will be available to you. You can view each module's lectures at any time during the dates in which the module is open. However, quizzes, exams, discussion questions and other assignments will only be made available to you until the due date(s) listed. There will be no class meetings for me to remind you of important due dates so please be sure to reference the syllabus to familiarize yourself with these critical deadlines.
3. All assignments, discussions, quizzes, exams, etc. are to be submitted by 11:59pm ET on the date for which the item is due. Discussions, quizzes, and exams submitted after this time will not be eligible for credit.
4. There may be interactive meeting times schedule throughout the semester. These dates and times will be determined according to student and instructor availability.
5. If personal circumstances arise that interfere with your ability to meet a deadline, please let me know as soon as possible prior to the deadline. Only university accepted excuses will be accepted and documentation must be provided before make-up work is accepted. Requirements for make-up quizzes, assignments, and other work are consistent with university policy:
<http://gradcatalog.ufl.edu/content.php?catoid=5&navoid=1054#attendance>.
6. You have up to three (3) days after the posting grade to contact me regarding any issues or concerns, after which the grade is final. Grades are based on a point scale and will not be rounded.
7. This syllabus represents the tentative plans and objectives for this course. As we go through the semester, plans may need to change to enhance the learning opportunity. Such changes will be communicated clearly.

*** Important Note for Graduate Final Exam Requirement (ONLY for New Fall 2020 Students and beyond)

During this course, the successful completion of the marketing plan will fulfill a requirement of the Graduate Final Exam which is a requirement to be completed prior to the completion of the M.S in Sport Management degree at the University of Florida. To successfully complete the marketing plan, the student must earn a minimum of 80% on the assignment. A failure to meet the minimum of 80% will require the student to rewrite and resubmit the marketing plan to the instructor by the stated deadline which will be before the end of the semester. However, the rewrite grade will not count towards the course but will count towards the successful completion of that Graduate Final Exam portion. A failure to successfully rewrite and resubmit the marketing plan will result in earning an "Incomplete" (I) grade for the course until the requirement has been met. (Please note: An "Incomplete" (I) grade becomes punitive to your overall GPA approximately one semester following the assigned "Incomplete" grade.) It is the student's responsibility to arrange with the instructor and agree in writing the timeline for successfully completing the marketing plan in fulfillment of the Graduate Final Exam portion. If the student successfully earns a minimum of 80% on the first submission of the marketing plan, then no further action is necessary.
