Course Policies

Students are expected to be professional in course discussions, which requires them to:

- Actively participate in the course throughout the semester. Active participation includes asking thoughtful questions, contributing knowledge and ideas relevant to the topic, volunteering answers to questions, and sharing relevant material from other readings, classes, newspapers, and media sources.
- Be punctual with regards to course due dates.
- Be courteous and respectful to your peers and the instructor.

Late Assignment Policy

Assignments must be submitted by the deadline posted by the instructor. The equivalent of 15% will be deducted from the assignment grade for every business day past the due date. There are no exceptions to this policy.

Requirements for make-up exams, assignments, and other work in this course are consistent with the University's policies. For more information about UF's policies, please consult (<https://catalog.ufl.edu/ugrad/current/regulations/info/attendance.aspx>). Students with prior knowledge of an excused absence must make arrangements to submit assignments prior to the due date. Documentation must be provided to the instructor for an excused absence. Excused absences include, but are not limited to, personal illness, family illness or death, jury duty, religious holiday, and official University activities. Absences will be excused at the instructor's discretion.

UF Policies

Students with Disabilities

Support services for students with disabilities are coordinated by the Disability Resource Center in the Dean of Students Office. Students requesting accommodations should first register with the [Disability Resource Center](http://www.dso.ufl.edu/drc/) (352-392-8565, www.dso.ufl.edu/drc/) by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. Any student who feels that they may need accommodations based on the impact of a disability should contact the instructor privately to discuss their specific needs. The University encourages students to follow this procedure as early as possible in the semester.

University Policy on Academic Conduct

UF students are bound by The Honor Pledge which states, "*We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honesty and integrity by abiding by the Honor Code.*" On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: "*On my honor, I have neither given nor received unauthorized aid in doing this assignment.*" The Honor Code (<http://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/>) specifies a number of behaviors that are in violation of this code and the possible sanctions. Academic dishonesty, such as plagiarism and cheating, will not be tolerated. Violation of the UF Academic Honor Code will incur serious consequences. Written assignments will be checked for plagiarism against published works, other assignments submitted by classmates at the current and previous semesters and internet pages using Turnitin, which is UF's plagiarism detection software. It is expected that submitted work will solely reflect the student's own efforts. Any violations will be reported to UF authorities. Any act of academic dishonesty will be reported to the Dean of Students Office. Plagiarism and cheating may be punished by failure on the exam, assignment, or project; failure in the course; and/or expulsion. There are no exceptions to this policy. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor.

Name Modification

It is important to the learning environment that you feel welcome and safe in this class; and that you are comfortable participating in class discussions and communicating with me on any issues related to the class. If your preferred name is not the name listed on the official UF roll, please let me know as soon as possible by e-mail or otherwise. I would like to acknowledge your preferred name, and pronouns that reflect your identity. Please let me know how you would like to be addressed in class, if your name and pronouns are not reflected by your UF-rostered name. I welcome you to the class and look forward to a rewarding learning adventure together. You may also change your "Display Name" in Canvas. Canvas uses the "Display Name" as set in myUFL. The Display Name is what you want people to see in the UF Directory, such as "Ally" instead of "Allison." To update your display name, go to one.ufl.edu, click on the dropdown at the top right, and select "Directory Profile." Click "Edit" on the right of the name panel, uncheck "Use my legal name" under "Display Name," update how you wish your name to be displayed, and click "Submit" at the bottom. This change may take up to 24 hours to appear in Canvas. This does not change your legal name for official UF records.

Student and Academic Support Services

Students experiencing crises or personal problems that interfere with their general well-being are encouraged to utilize the university's counseling resources. The Counseling & Wellness Center provides confidential counseling services at no cost for currently enrolled students. Resources are available on campus for students having personal problems or lacking clear career or academic goals, which interfere with their academic performance.
