- 1975 B.S., Magna Cum Laude with Honors of Distinction in Psychology
Duke University, Durham, North Carolina; major in psychology
(Honors thesis advisor: Robert C. Carson, Ph.D.)
- 1977 M.A., Vanderbilt University, Nashville, Tennessee; major in clinical psychology, minor in statistics
(Thesis advisor: Mark B. Sobell, Ph.D.)
- 1979 Ph.D., Vanderbilt University, Nashville, Tennessee; major in clinical psychology, minor in alcohol dependence (APA-accredited)
(Dissertation advisor: Mark B. Sobell, Ph.D.)
- 1979-80 Clinical Psychology Internship, Department of Clinical Psychology, University of Florida, Gainesville (APA-accredited)
(Internship director: Cynthia D. Belar, Ph.D.)
- 1998 M.P.H., Department of Health Care Organization & Policy, School of Public Health, University of Alabama at Birmingham (CEPH-accredited)
(Integrative experience supervisor: Michael A. Morrissey, Ph.D.)

AWARDS

- 1971 Advanced Studies student, Stetson University (early college matriculation after junior year in high school)
- 1972 Phi Society member (academic honorary), Stetson University
- 1971-73 Honor Roll (each semester), Stetson University
- 1974 Junior Class Honors, Duke University
- 1975-76 USPHS Clinical Psychology Traineeship, Vanderbilt University
- 1976-77 NIAAA Clinical Traineeship, Vanderbilt University
- 1977-79 NIAAA Predoctoral Research Training Fellowship, Vanderbilt University
- 1990 Fellow, Division 28 (Psychopharmacology & Substance Abuse) American Psychological Association (APA)

- 1990 Fellow, American Psychological Society
- 1994 Fellow, APA Division 25 (Experimental Analysis of Behavior)
- 1995 Charter Fellow, APA Division 50 (Addictions)
- 1995 Division 50 Presidential Award for Service to the Division, APA
- 1996 Fellow, APA Division 12 (Clinical Psychology)
- 1996 Faculty Researcher of the Year, Department of Psychology Graduate Student Organization (PsyGO) Award, Auburn University
- 1999 Phi Kappa Phi member (national public health graduate student honorary)
- 1999 Delta Omega Society member (public health honorary society)
- 1999 Citation of Appreciation: Founder, Graduate Research Festival, Department of Psychology, Auburn University
- 2003 Fellow, APA Division 1 (General Psychology)
- 2010 Distinguished Faculty Researcher award, School of Public Health, University of Alabama at Birmingham
- 2010 Award for Distinguished Service to the Division on Addictions (50), APA
- 2012 Fellow, Division 38 (Health Psychology)
- 2012 Division Medal of Honor for exceptional and sustained service to Division 50 – Addictions, 1993-2012, APA
- 2015 Award for Distinguished Scientific Contributions to Clinical Psychology, Division 12 – Society of Clinical Psychology, APA
- 2017 Fellow, Association for Behavioral and Cognitive Therapies
- 2017 Lifetime Achievement Award, Addictive Behaviors Special Interest Group, Association for Behavioral and Cognitive Therapies
- 2018 Betty Ford Award, Association for Medical Education and Research on Substance Abuse; 11/2018 invited convention address, San Francisco, California
- 2019 Master Lecturer, American Psychological Association; 8/2019 invited convention address, Chicago, Illinois; sponsored by the APA Board of Scientific Affairs

MEMBERSHIPS

- 1980- American Psychological Association
- 1980 - 2002 Association for the Advancement of Behavior Therapy
- 2015 - Association for Behavioral and Cognitive Therapies
- 1990 - 02/2015- Addictive Behaviors Special Interest Group, AABT/ABCT
- 1978 - 1997 Southeastern Psychological Association
- 1981 - 1985 Florida Psychological Association
- 1982 -1 993 Society of Psychologists in Addictive Behaviors
- 1987 - 00/2006- Research Society on Alcoholism
- 1987 - 1999 Association for Behavior Analysis
- 1989 - 1997 American Psychological Society
- 1991 - 1996 Society for Behavioral Medicine
- 1991 - 2003 Alabama Psychological Association
- 1999 - 2005 American Public Health Association

EDITORIAL SERVICE

Editorship activities:

2021 - 2023	Guest Editor, Special Issue on “Addictive Behavior as Behavioral Allocation” <i>Psychology of Addictive Behaviors</i> , published 2/2023 Volume 37(1)
2015 - 2023	Strategic Advisor, <i>Addiction</i>
1999 - 2009	Assistant Editor, Regional Office for the Americas, <i>Addiction</i>
1992	Acting Field Editor, <i>Journal of Studies on Alcohol</i>
1992	Guest Editor, Special Section on Addictive Behaviors, <i>The Behavior Therapist</i>
1987 - 1993	Associate Editor, <i>Psychology of Addictive Behaviors</i>
1982 - 1986	Associate Editor, <i>Bulletin of the Society of Psychologists in Addictive Behaviors</i>

Journal editorial board memberships:

1994 - 2004/2008 - 10/2014	– <i>Psychology of Addictive Behaviors</i>

Supervision of therapy and assessment cases, clinical psychology graduate students.

1989 - 1993 Vertical Team Supervisor, Auburn University Psychological Services Center, Alabama
Supervision of therapy and assessment cases, clinical psychology graduate students.

TEACHING

University of Florida (1980 – 1986):

Graduate Research Faculty, 1980 - 1982

Doctoral Research Faculty, 1982 - 1986

Medical student lectures on alcohol dependence treatment, determinants of compliance with medical regimens, behavior theory and behavior therapy, and group processes

Seminars for psychiatry residents, psychology interns, and/or psychology graduate students on psychological assessment, behavior therapy, alcohol dependence and addictive behaviors

Wayne State University (1986 – 1989):

1986 - 89 Graduate Research Faculty (doctoral)

PSY 432 *Introduction to Clinical Psychology* (3 semester hours, undergraduate), 1986 - 1989

PSY 737 *Therapeutic Interventions I* (4 hours, graduate, co-taught) 1986 - 1989

PSY 830 *Behavioral Medicine and Health Psychology* (2 hours, graduate), 1987 - 1989

PSY 838 *Alcohol Abuse II* (2 hours, graduate), 1987 - 1989

PSY 796 *Research Seminar in Clinical Psychology* (1 hour, graduate) 1989

Auburn University (1989 – 1999):

1989 - 1999 Graduate Faculty (doctoral)

PG 658 *Health Psychology and Behavioral Medicine* (4 quarter hours, graduate) 1990*, 1992, 1993, 1995 (*taught as PG 790 in 1990)

PG 638 *Systems of Psychotherapy* (5 hours, graduate), 1990

PG 663 *Assessment and Treatment of Alcohol and Drug Problems* (4 hours, graduate) 1990*, 1993, 1994 (*taught as PG 790 in 1990)

PG 609 *Research Seminar in Psychology* (1 hour, graduate), 1992

PG 410 *Introduction to Clinical Psychology* (5 hours, undergraduate) 1994, 1996

PG 408 *Health Psychology* (5 hours, undergraduate), 1995, 1996

PG 639/673 Vertical Team Supervisor (variable credit, graduate), 1990-1993
Practicum in Behavior Change & Personality Assessment

University of Washington, Seattle (1994):

PSYCH 560 *Reinforcement, Choice, Economics, and Substance Abuse*

(4 hours, graduate, co-taught), 1994

University of Alabama at Birmingham (2000 – 2014):

- PUH 690 *Integrative Experience* (3 hours, graduate, team taught, Health Behavior faculty representative), Fall 2001, 2003, 2004
- HB 611 *Mental Illness as a Public Health Issue* (3 hours, graduate, co-taught Spring 2001; sole instructor Spring 2004, 2006, 2008)
- HB 602 *Alcohol and Drug Abuse* (3 hours, graduate), Spring 2002, 2003, 2005, 2007, 2009

University of Florida (2014 –):

- HSC 4143/5142 *Drug Education* (3 hours, undergraduate & graduate sections, Fall 2020)
Drug Education and Behavior (3 hours, undergraduate & graduate sections, Fall 2021)

STUDENT RESEARCH COMMITTEES

University of Florida (1980 - 1986):

- Chair (masters) -- *Ernest Bordini* (completed 8/83): "Alcohol consumption as a self-handicapping strategy in women in response to threat of social evaluation."
- Chair (dissertation) -- *Steven Schonhaut* (completed 8/84): "The effects of alcohol consumption on the integration of linguistic ideas."
- Chair (dissertation) -- *Helmi Perlini* (completed 12/84): "The effects of differential attention on the self-monitoring responses and activity levels of a group of rheumatoid arthritic patients." (Mark K. Goldstein, Ph.D., Co-Chair)
- U.S. Sponsor (dissertation) -- *Mark Williams* (completed 6/85): "Alcohol consumption and social activity patterns in elderly men and women: The role of retirement." (Doctoral student, Caribbean Center for Advanced Studies, Puerto Rico)
- Chair (dissertation) -- *Carole V. Harris* (completed 8/86): "Development of a behavioral measurement strategy of adolescent alcohol and drug use."
- Chair (masters) -- *Jill Samo* (completed 8/86): "Self-monitoring versus recall interview measures of drinking behavior: A comparison of data collection methods using a sample of elderly normal drinkers."

Wayne State University:

- Chair (dissertation) *Jana Atlas* (completed 12/87): "The measurement of cognitive expectations of reinforcement for restricting food intake and thinness." (Gregory Smith, Ph.D., Co-Chair)
- Chair (masters) -- *Marianne Young* (completed 2/88): "Reliability and validity of the Structural Interview Rating Scale." (Mark Goldman, Ph.D., Co-Chair)
- Chair (masters) -- *Mary F. Pierce-Stevens* (completed 6/88): "The relationship of oculomotor functioning in alcoholics to their performance on neuropsychological tests of visuo-perceptive functioning." (Mark Goldman, Ph.D., Co-Chair)
- Chair (masters) -- *Julie Akiko Gladsjo* (completed 8/89): "Agreement between subject and collateral recall of life events associated with the natural recovery of alcohol problems."

Chair (masters) -- *Jeffery L. Hawkins* (completed 8/89): "Evaluation of the reliability and validity of the Lifetime Drinking History Interview with naturally resolved alcoholics."

Chair (dissertation) -- *Jane E. Tinker* (completed 12/93): "Environmental context surrounding natural recovery from obesity without treatment."

Auburn University:

Chair (thesis) -- *Angela L. Crawford* (completed 6/93): "Effects of helper status and help appropriateness on help-seeking behavior and on affective reactions to aid."

Chair (Major Area Paper) -- *Therese Meyer* (completed 10/93): "The psychological consequences of childbearing by seriously mentally ill women."

Chair (thesis) -- *Rene J. Britt* (completed 12/93): "Perceptions of affect and conflict resolution in alcohol-related social interactions: A comparison of adult children from alcoholic and recovered families and from nonalcoholic families."

Chair (dissertation) -- *Pamela R. Snider* (completed 12/93): "Individual differences in the development of anticipatory nausea and vomiting: A prospective analysis."

APA Dissertation Award Recipient

Chair (dissertation) -- *Julie Akiko Gladsjo* (completed 3/94): "A factor analytic study of pretreatment characteristics of inpatient alcoholics and their utility in predicting short-term outcomes."

Chair (dissertation) -- *Michele Pukish* (completed 3/94): "Environmental contexts surrounding natural recovery from alcohol problems without treatment: A comparison of abstinent and nonabstinent recoveries."

Chair (dissertation) *Anita George* (completed 3/94): "The relationship between social networks and help-seeking behavior in problem drinkers."

Chair (dissertation) -- *Angela L. Crawford* (completed 8/97): "Environmental contexts and functional impairment associated with help-seeking for bulimia."

APA Dissertation Award Recipient

Chair (dissertation) -- *Rene J. Britt* (completed 6/98): "A comparison of perceptions of control on social and nonsocial tasks in adult female children of alcoholics."

Chair (thesis) -- *John W. Davison* (completed 3/99): "Assessment of addictive behavior change strategies used in treatment-assisted resolution attempts among substance abusers."

Chair (thesis) -- *Tim Coffey* (completed 12/99): "Motivation for treatment and for addictive behavior change: The role of temporal perspective."

Chair (thesis) -- *Amanda Olson* (completed 6/00): "Help-seeking patterns and preferences among college women with eating disorders."

University of Alabama at Birmingham:

Mentor (postdoctoral fellow) — *Cathy Simpson, Ph.D.*, UAB Substance Abuse Consortium (2001-02)

NIH/NIDA K-Award mentor committee member — *Sylvie Mrug, Ph.D.*, Assistant Professor, UAB Department of Psychology

Chair (Dissertation), Department of Health Behavior — *Yulia Khodneva, M.D., M.P.H.* (completed 2012): "Trajectories of depressive symptoms and illicit drug use: longitudinal temporal associations and co-morbidity in the community sample of adults (the CARDIA Study)"

Joint M.P.H. — Ph.D. (Psychology) student advisor: *Joanna Gaines*

M.P.H. Masters project Chair - *Alice Irby (2009), Ashley Wright (2009), Megan Cash (2009), Casey Balentine (2008), Monique Mullins (2008), Behnaz Somni (2006), Hyun-Jung Kim (2005), Yulia Khodneva (2009)*

M.P.H. Student Advisor, Department of Health Behavior: *Carey Taylor, Anjath Ali Syd, Sui Aur Hui, Dennis Espago, Kinsbasa Kilgore, Hyun-Jung Kim, Catherine Lem, Behnaz Somni, Caroline Ranch, Rebecca Vincent, Kassi Webster, Casey Balentine Azuero, Meghan Cash, Ashley Wright, Joanna Gaines, Alice Irby, Alexis Adams, Katie Dean, Michael Scott Cramford*

University of Florida (2014 -)

Chair (doctoral student) – *Katie N. Lindstrom (2017 - 2021; Ph.D. awarded 12/2021)*, College of Health and Human Performance (CHHP) Graduate School Preeminence Fellowship recipient; Dissertation: “Examining the effectiveness of an image-based food label nudge on adult whole food purchasing choices in a hypothetical grocery store context.”

Graduate Student Research Committee member: *Benjamin Berey, Tessa Frobe, Nathan Smith*

Research Mentor – *Justin Van Heukelom, Ph.D.*, Postdoctoral Research Associate (2023-2024), Center for Behavioral Economic Health Research & Department of Health Education and Behavior, University of Florida

Research Mentor – *Lesleigh Stinson, Ph.D., B.C.B.A.*, Postdoctoral Research Associate (2022 - 2024), Center for Behavioral Economic Health Research & Department of Health Education and Behavior, University of Florida

Primary Mentor – *Jillian M. Rung, Ph.D.*, Postdoctoral Associate, NIH/NIAAA K99 award (2022 - 2024), “Understanding Harmful Alcohol Use in Context: Utility of Dynamic Assessment of Behavioral Economic Risk Factors”

Mentor – *Jillian M. Rung, Ph.D.* (2021 – 2022), Postdoctoral Fellow, NIH/NIAAA T32 award “Translational Science Training to Reduce the Impact of Alcohol on HIV Infection,” Southern HIV & Alcohol Research Consortium, University of Florida

Mentor – *Rebecca Crain, Ph.D.* (2017), Community Based Participatory Research Fellow – Counseling & Wellness Center, University of Florida Division of Student Affairs

HEB Faculty Mentor: *JeeWon Cheong, Ph.D., Nichole M. Scaglione, Ph.D., Ali M. Yurasek, Ph.D.*

Mentor Committee: *Peter Kvam, Ph.D.*, Department of Psychology, University of Florida

UNIVERSITY COMMITTEES

University of Florida (1980 - 1986):

Employee Assistance Program Development Committee 1981 - 1982

Postdoctoral Clinical Training Committee, Department of Clinical Psychology 1981- 1982

Alcohol Research Center Executive Committee 1982 - 1985

Member, Faculty Senate, University of Florida representing the Department of Psychiatry 1984 - 1986

Undergraduate Education Committee (Medical Student curriculum), Department of Psychiatry 1984 - 1986 --

Wayne State University:

Faculty Representative, Psychology Department Alumni Association (1988 - 1989)

Auburn University:

Departmental Representative, Allied Health Council, College of Liberal Arts (1989 - 1990)
Member, Undergraduate Social Science Curriculum Development Committee, College of Liberal Arts (Summer 1990)
Member, Executive Committee, Department of Psychology (1990 - 1993)
Chair, Graduate Curriculum Committee, Department of Psychology (1990 - 1991)
Member, Dean Search Committee, College of Liberal Arts (1991 - 1992)
Coordinator, Clinical Program Student Research Competition (1991 - 1993, 1995)
Chair, Ad hoc Committee on Tenure and Promotion, Department of Psychology (1991 - 1992)
Member, Ad hoc Committee on Bylaws, Department of Psychology (1993)
Member, Chair Search Committee, Department of Psychology (1993 - 1994)
Member, Department of Psychology Long Range Planning Committee (1994 - 1995)
Chair, Space Committee, Department of Psychology (1995 - 1996)
Chair, Colloquium Committee, Department of Psychology (1996 - 1997)
Faculty Coordinator, Department of Psychology Graduate Research Festival (1995, 1996)
Research Festival Committee Member, Department of Psychology (1997)
Teaching & Research Festival Committee Member, Department of Psychology (1998 - 1999)
Member, Alumni Professor Selection Committee, Auburn University (1998 - 1999)

University of Alabama at Birmingham:

Member, Internal Advisory Committee, UAB Center for AIDS Research (2011 - 2014)
Member, Behavioral Science Core, UAB Center for AIDS Research (2006 - 2012)
Director, Behavioral & Community Science Core, UAB Center for AIDS Research (2012 - 2014)
Member, Substance Abuse, Mental Health, and HIV Interdisciplinary Research Group, UAB Center for AIDS Research (2009 - 2010)
Member, School of Public Health Executive Committee (2008 - 2014)
Chair, Faculty Affairs Committee, School of Public Health (2006 - 2008)
Member, Search Committee, Department of Health Behavior (2006 - 2007)
Departmental Representative (Health Behavior), Faculty Affairs Committee, School of Public Health (2001 - 2008)
Member, Internal Advisory Committee, Lister Hill Center for Health Policy Research (2000 - 2008)
Member, Search Committee, Division Director, Division of Preventive Medicine, Department of Medicine (2000 - 2001)
Co-Chair, Search Committee, Tobacco Prevention and Control faculty position, Division of Preventive Medicine, Department of Medicine (2000 - 2001)
Member, University ad hoc committee on Employee Health Insurance Programs (2001)
Member, Search Committee, Mental health economist position, Department of Healthcare Organization and Policy, School of Public Health (2001)
Member, University Committee on Employee Health Insurance Programs (2002)
Member, Chair Search Committee, Department of Health Behavior, School of Public Health (2002 - 2003)
Member, Search Committee, Substance abuse faculty positions (2), Division of Preventive Medicine, Department of Medicine (2003)

University of Florida (2014 -):

Member, Community and Behavioral Science Seminar Committee, Department of Health Education and Behavior (HEB), Member (2015 -)
Member, University of Florida Center for Addiction Research and Education (CARE) Internal Advisory Committee (2018 - 2021)
Member, Research Committee, College of Health and Human Performance (HHP) (2014 – 2016 & 2021 – 2022)
Member, HHP College Council (2014)
Member, University of Florida Community Alcohol Coalition (2015 - 2019)
Chair, Space Committee, Department of Health Education and Behavior (2019 – 2021)
Member, HEB Academic Personnel Committee (2019 - 2020)
Chair, HEB Academic Personnel Committee (2020 - 2022)
Member, HHP Tenure and Promotion Committee (2020 - 2022)

GRANTS:

2. Co-Principal Investigator, *Identifying the Determinants of Alcoholic Relapse*. National Institute on Alcohol Abuse and Alcoholism, grant no. R03-AA05248, \$9978 direct costs, 3/1981 - 9/1982.
3. Principal Investigator, *Changes in Drinking Behavior After Retirement*. National Institute on Alcohol Abuse and Alcoholism Alcohol Research Center program grant no. P50-AA05793-015, \$135,864 direct costs, 10/1982 - 11/1985.
4. Co-Principal Investigator, *A Behavioral-Economic Analysis of Alcoholic Relapse*. National Institute on Alcohol Abuse and Alcoholism, grant no. R01-AA06122, \$134,480 direct costs, 1/1984 – 6/1986.
5. Co-Principal Investigator, *A Behavioral-Economic Analysis of Alcoholic Relapse*. National Institute on Alcohol Abuse and Alcoholism, grant no. R01-AA07258, \$246,412 direct costs, 9/1986 – 8/1990.
6. Principal Investigator, *Developing Measurement Procedures to Investigate the Natural Resolution of Alcohol Problems*. Biomedical Research Award, \$5000, Wayne State Office of Research and Sponsored Programs, 6/1987 – 9/1988.
7. Principal Investigator, *Determinants of Help-Seeking and Recovery from Alcohol Problems*. Grant-in-Aid award (\$2100), Auburn University, 7/1991 – 6/1992.
8. Principal Investigator, *Environmental Factors in Help-Seeking and Natural Recovery*. National Institute on Alcohol Abuse and Alcoholism, grant no. R01-AA08972, \$956,380 direct costs, 9/1/1992 – 8/31/1997.
9. Principal Investigator, *Help-Seeking and Recovery Processes in Problem Drinkers*. National Institute

on Alcohol Abuse and Alcoholism, Research Scientist Development Award no. 1 K02-AA00209, \$402,232 direct costs, 4/1/1996 – 3/31/2001.

10. Principal Investigator, *Recovery and Help-Seeking Processes in Problem Drinkers*. National Institute on Alcohol Abuse and Alcoholism, grant no. R01-AA08972, \$1,240,396 direct costs, 9/1/1997 - 8/31/2004 (includes NCEs).
11. Principal Investigator, *Help-Seeking and Recovery Processes in Problem Drinkers*. National Institute on Alcohol Abuse and Alcoholism, Independent Scientist Development Award no. 2 K02-AA00209, \$567,083 direct costs (\$612,449 total award), 6/1/2001 – 11/30/2006.
12. Co-Investigator, *College Impaired Driving Intervention*. National Institute on Drug Abuse, grant no. 5 R01AA012961-03, \$901,116 total award, J. Schumacher, PI, 9/1/2003 – 8/31/2007.
13. Principal Investigator, *Telehealth Assessment of Risk Behaviors in Rural HIV+ Substance Users*. National Institute on Drug Abuse grant no. 5 R21-DA021524, \$275,000 direct costs (\$400,125 total award), 9/20/2006 – 6/30/2009.
14. Principal Investigator, *Recovery and Help-Seeking Processes in Problem Drinkers*. *National Institute on Alcohol Abuse and Alcoholism, grant no. 2 R01-AA08972, \$1,626,871 direct costs (\$2,363,518 total award), 3/15/2005 – 2/28/2012 (includes an NCE).
15. Principal Investigator, *American Recovery and Reinvestment Act (ARRA) Supplement* no. 3 R01 AA008972-16S1 to above parent grant*, \$112,853 direct costs (\$165,251 total costs), 7/20, 2009 – 2/28/2011.
16. Co-Investigator, *Healthy Passages: A Longitudinal Study of Adolescent Health*, Centers for Disease Control and Prevention grant no.5U48DP000046-5 SIP 03-04, \$622,225 total award (S. Davies, PI), 9/30/2008 – 9/29/2010.
17. Principal Investigator (UAB subcontract), *Applying Behavioral Economics and EMA to Physical Activity and Marijuana Use*,” University of Buffalo/National Institute on Drug Abuse grant no. 1 R01 DA027606-01 (L. Collins, PI), 5-year award (Total subcontract award: \$50,790 Years 1-3), 9/30/2009 – 9/31/2011.
18. Co-Investigator, *Healthy Passages II: A Longitudinal Study of Adolescent Health*, Centers for Disease Control and Prevention grant no. 1U19DP002665-01, \$1,416,666 total award (S. Davies, PI), 9/30/2010 – 9/29/2012.
19. Co-Investigator, *Midlife Health and Service Utilization Associated with Early Life Drug Use* (S. Kerstesz, PI), National Institute on Drug Abuse grant no. 1 R01 DA025067-01 (\$1,076,573 total award), 7/1/2008-6/30/2012.
20. Principal Investigator, *Time Horizons and the Behavioral Economics of Recovery from Drinking Problems*, National Institute on Alcohol Abuse and Alcoholism, grant no. 1 R01 AA017880-01A1, \$1,946,510 direct costs (\$2,851,479 total costs), 9/15/2009 – 8/31/2015.

21. Principal Investigator, "CITY Health" Core Research Project, Centers for Disease Control and Prevention, Prevention Research Center grant no. 1 U48 DP001915-01 (M. Michael, PI), 5-year award (Research Core: \$1,098,945 Years 1 & 2 total award; TBD Years 3-5), 9/30/2009- 9/29/2014.
22. Co-Investigator/Executive Committee Member & Director, Behavioral and Community Science Core J, UAB Center for AIDS Research, National Institute of Allergy and Infectious Diseases grant no. 5 P30-AI027767 (M. Saag, PI), \$1,146,528 direct costs, 7/19/2009 – 5/31/2014.
23. Principal Investigator (UAB subcontract), Telehealth Evaluation, Screening, and Treatment (TEST). Substance Abuse and Mental Health Services Administration/Centers for Substance Abuse Treatment. Health Services Center, Inc., Hobson City, AL subcontract. (C. Simpson, PI) (\$215,844 Years 1-2), 10/1/2011 - 6/30/2014.
24. Co-Investigator (2014 - 2015), "CITY Health II" Core Research Project, Centers for Disease Control and Prevention, Prevention Research Center application no. 1 U488 DP005037-01 (M. Michael, Center Director; C. Simpson Core Research PI), 5-year award, \$3,583,334 direct costs, 9/30/2014 – 9/29/2019.
25. Principal Investigator, Shifts in Behavioral Allocation as an Alcohol Recovery Mechanism, National Institutes of Health/National Institute of Alcohol Abuse and Alcoholism grant no. 7 R01 AA023657-02, \$374,850 direct costs (\$562,275 total costs), 9/15/2015 – 4/30/2019.
26. Principal Investigator (McMaster University subcontract). Applying Behavioral Economics to Predict Alcohol Trajectories during the Transition to Adulthood (J. MacKillop, PI), National Institutes of Health/National Institute of Alcohol Abuse and Alcoholism grant no. R01AA024930-01A1, \$18,645 direct costs (\$35,929 total costs), 2/1/2017 – 1/31/2019.
27. Principal Investigator (University of Memphis subcontract). Applying Behavioral Economics to Predict Alcohol Trajectories during the Transition to Adulthood (J. G. Murphy, PI), National Institutes of Health/National Institute of Alcohol Abuse and Alcoholism grant no. R01AA024930-01A1, \$36,119 direct costs (\$55,081 total costs), 2/1/2019 – 1/31/2023.
28. Co-Investigator, Mobile Combined Alcohol and HIV Prevention Including PrEP Uptake/Adherence for High-Risk Young Men (R. Leeman, PI), National Institutes of Health/National Institute of Alcohol Abuse and Alcoholism grant no. 1UH2AA026214-01, \$136,911 direct costs (\$208,789 total costs), 9/01/2017 – 8/31/2019, & 5UH2AA026214-02 (\$1,143,750 total costs), 9/1/2019 – 8/31/2023.
29. Consultant, Alcohol and Addiction Research Domain Criteria and Alcohol Use Disorder Recovery (K. Witkiewitz, PI), National Institutes of Health/National Institute of Alcohol Abuse and Alcoholism grant no. 5R01AA022328-05, 4/15/2013 – 3/31/2023.
30. Principal Investigator, Digital Motivational Behavioral Economic Intervention to Reduce Risky Drinking Among Community-Dwelling Emerging Adults, National Institutes of Health/National Institute of Alcohol Abuse and Alcoholism grant no. 1 R01 AA028230-01A1, (\$2,108,623 total costs), 9/25/2021 – 8/31/2026.

31. Primary Mentor, *Understanding Harmful Alcohol Use in Context: Utility of Dynamic Assessment of Behavioral Economic Risk Factors* (J. Rung, PI), National Institutes of Health/National Institute of Alcohol Abuse and Alcoholism grant no. 1K99AA029732-01 (\$251,542 total costs), 4/1/2022 – 3/31/2024. Award relinquished voluntarily by PI in 2022.

PRESENTATIONS:

1. Tucker, J. A., Vuchinich, R. E., & Sobell, M. B. (1977, December). Stress reduction as a determinant of male normal drinkers' voluntary alcohol consumption. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Atlanta, GA.
2. Tucker, J. A., & Vuchinich, R. E. (1978, March). Differential discriminative stimulus control of drinking behavior in alcoholic and normal drinkers. Presented at the meeting of the Southeastern Psychological Association, Atlanta, GA.
3. Vuchinich, R. E., & Tucker, J. A. (1978, November), Alcohol expectancy, cognitive labeling and mirth, Presented at the meeting of the Association for the Advancement of Behavior Therapy, Chicago, IL.
4. Tucker, J. A., Blumenthal, L., Maisto, S. A., & Vuchinich, R. E. (1979, March). Affective responses to alcohol: The role of drinking context, expectancy, and sex of subject. Presented at the meeting of the Southeastern Psychological Association, New Orleans, LA.
5. Vuchinich, R. E., & Tucker, J. A. (1979, March). Alcohol research and psychology: A look at historical and contemporary trends. Topical discussion conducted at the meeting of the Southeastern Psychological Association, New Orleans, LA.
6. Vuchinich, R. E., & Tucker, J. A. (1980, March). A conceptual model of alcoholic relapse. Topical discussion conducted at the meeting of the Southeastern Psychological Association, Washington, D.C.
7. Tucker, J. A., & Vuchinich, R. E. (1980, March). Self-handicapping through alcohol consumption vs. performance facilitation through studying in response to intellectual performance demands. Paper presented at the meeting of the Southeastern Psychological Association, Washington, D.C.
8. Tucker, J. A. (1980, October). Behavioral approaches to the outpatient treatment of obesity. Workshop presentation at the meeting of the Academy of Psychosomatic Medicine, Miami, FL.
9. Tucker, J. A., & Vuchinich, R. E. (1981, March). Self-enhancing attributions as a function of objective response-outcome contingencies. Presented at the meeting of the Southeastern Psychological Association, Atlanta, GA.
10. Bordini, E., Vuchinich, R. E., Tucker, J. A., & Sullwold, A. F. (1981, March). Attributions of causality for drinking behavior made by alcoholics and normal drinkers. Presented at the meeting of the Southeastern Psychological Association, Atlanta, GA.

11. Vuchinich, R. E., & Tucker, J. A. (1981, March). Alcohol use as a self-handicapping strategy following noncontingent success. Presented at the meeting of the Southeastern Psychological Association, Atlanta, GA.
12. Vuchinich, R. E., & Tucker, J. A. (1981, December). Recent developments in theories of alcohol's effects on human behavior. Symposium presentation at the meeting of the Southeastern Psychological Association, New Orleans, LA.
13. Tucker, J. A. (1982, March). Why a quark is a quark: On the use of normal language in behavior theory. Symposium presentation at the meeting of the Southeastern Psychological Association, New Orleans, LA.
14. Sullwold, A. F., Tucker, J. A., & Bordini, E. (1982, March). The generality of the stimulus-binding hypothesis across drinking behavior and task performance in alcoholics. Presented at the meeting of Southeastern Psychological Association, New Orleans, LA.
15. Isleib, R. A., Vuchinich, R.E., & Tucker, J. A. (1982, March). An investigation of attributions for performance and changes in self-esteem following self-handicapping through alcohol consumption. Presented at the meeting of Southeastern Psychological Association, New Orleans, LA.
16. Tucker, J. A., & Vuchinich, R. E. (1982, August). Effects of alcohol on affect perception: An information processing analysis. Paper presented at the meeting of the American Psychological Association, Washington, D.C.
17. Vuchinich, R. E. & Tucker, J. A. (1982, August). Behavioral theories of choice as a framework for studying alcoholism. Paper presented at the meeting of the American Psychological Association, Washington, D.C.
18. Vuchinich, R. E., Tucker, J. A., & Rudd, E. J. (1983, March). Normal drinkers' preference for alcohol as a function of delay of alternative reward. Paper presented at the meeting of the Southeastern Psychological Association, Atlanta, GA.
19. Bordini, E., Tucker, J. A, Vuchinich, R. E, & Rudd, E. J. (1983, March). Alcohol consumption as a self-handicapping strategy in women. Paper presented at the meeting of the Southeastern Psychological Association, Atlanta, GA.
20. McNeil, D. W., Sullwold, A. F., Tucker, J. A, & Vuchinich, R. E. (1983, March). Identification of problem drinkers in general health care settings. Topical discussion presented at the meeting of the Southeastern Psychological Association, Atlanta, GA.
21. Vuchinich, R. E., & Tucker, J. A. (1983, December). Identifying the determinants of alcoholic relapse. World Congress on Behavior Therapy, Washington, D.C.
22. Tucker, J. A., & Vuchinich, R. E. (1984, March). Effects of alcohol on recall of social

interactions. Paper presented at the meeting of the Southeastern Psychological Association, New Orleans, LA.

23. Rudd, E. J., Harris, C. V., Tucker, J. A., & Vuchinich, R. E. (1984, March). Development of a behavioral measurement strategy of human alcohol consumption in laboratory setting. Paper presented at the meeting of the Southeastern Psychological Association, New Orleans, LA.
24. Vuchinich, R. E., Tucker, J. A., Harlee, L. M., Hoffman, S., & Schwartz, J. (1985, November). Reliability of reports of temporal patterning of drinking behavior by alcoholics. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Houston, TX.
25. Tucker, J. A., Vuchinich, R. E., Harris, C. V., & Rudd, E. J. (1985, November). Development of a behavioral measurement strategy of human time allocation in natural environments. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Houston, TX.
26. Vuchinich, R. E., & Tucker, J. A. (1986, March). Relationships among pre- and posttreatment measures of alcohol consumption and alcohol-related dysfunctions in alcoholics. Presented at the meeting of the Southeastern Psychological Association, Orlando, FL.
27. Tucker, J. A., Vuchinich, R. E., Gavornik, M. G., & Lazzari-Covey, O. (1986, August). Accuracy of self-monitoring reports of alcohol consumption. Presented at the meeting of the American Psychological Association, Washington, D.C.
28. Vuchinich, R. E., Tucker, J. A., & Harlee, L. M. (1986, August). Individual differences in the reliability of alcoholics' reports of drinking. Presented at the meeting of the American Psychological Association, Washington, D.C.
29. Samo, J., Tucker, J. A., & Vuchinich, R. E. (1986, November). Agreement among three verbal report measures of alcohol consumption in natural environments. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Chicago, IL.
30. Harris, C. V., & Tucker, J. A. (1986, November). The development of a behavioral measurement strategy of adolescent alcohol and drug use. Presented at the meeting of the Association for the Advancement of Behavior Therapy, Chicago, IL.
31. Samo, J., Tucker, J. A., & Vuchinich, R. E. (1987, March). Agreement between self-monitoring and recall reports of durations of alcohol consumption episodes. Presented at the meeting of the Southeastern Psychological Association, Atlanta, GA.
32. Tucker, J. A., & Vuchinich, R. E. (1987, May). A time allocation measure of alcohol consumption in natural environments. Symposium presentation at the meeting of the Association for Behavior Analysis, Nashville, TN.

82. Black, B. C., Simpson, C. A., Vignolo, M. J., Tucker, J. A, & Stewart, K. E. (2008, August). Delay discounting and risky behaviors in rural HIV⁺ individuals. Poster presentation at the annual meeting of the American Psychological Association, Boston, MA.
83. Tucker, J. A. (2009, June). Facilitating natural resolution using Interactive Voice Response self-monitoring. Presented at the meeting of the Research Society on Alcoholism, San Diego, CA, as part of a symposium titled "Enhancing self-change in problem drinkers: Web, IVR, and media based approaches." (J. E. Helzer & J. A. Tucker, Symposium Chairs)
84. Khodneva, Y, Pletcher, M., Jones, B., Tucker, J., & Kertesz, S. (2009, June). Mental health outcomes and drug use trajectories among adults in the general population (the CARDIA study). Poster presented at the annual meeting of the College on Problems of Drug Dependence, Reno/Sparks, NV.
85. Khodneva, Y., Pletcher, M., Jones, B., Tucker, J., & Kertesz, S. (2009, November). Depressive Symptoms anger expression and drug use trajectories among adults in the general population (the CARDIA study). Presentation at the annual meeting of the American Public Health Association, Philadelphia, PA.

86. Blum, E. R., Simpson, C. A., Xi, L., & Tucker, J. A. (2010, April). Delay discounting and IVR compliance in rural HIV⁺ adults. Symposium presentation at the annual meeting of the Society of Behavioral Medicine, Seattle, WA.
87. Khodneva, Y., Pletcher, M., Tucker, J., Safford, M., Schumacher, J., & Kertesz, S. (2010, June). Interaction of race/gender and non-marijuana drug use trajectories in predicting self-reported depressive symptoms in the longitudinal study of community sample (the CARDIA study). Poster presentation at the annual meeting of the College on Problems of Drug Dependence, Scottsdale, AZ.
88. Khodneva, Y., Pletcher, M., Schumacher, J., Safford, M., Tucker, J. & Kertesz, S. (2010, November). Do race and sex alter the association between non-marijuana drug use trajectories and depressive symptoms in a community-based adult cohort?" (the CARDIA study). Presentation at the annual meeting of the American Association of Education and Research in Substance Abuse (AMERSA) Washington, DC.
89. Khodneva, Y., Pletcher, M., Schumacher, J., Safford, M., Tucker, J. & Kertesz, S. (2011, February). Frequent illicit drug use in young adulthood predicts higher risk of depressive symptoms in the middle-aged adults from the community. sample (the CARDIA Study). Presentation at the University of Alabama at Birmingham Graduate Student Research Days, Birmingham, AL.
90. Khodneva, Y., Pletcher, M., Schumacher, J., Safford, M., Tucker, J. & Kertesz, S. (2011, June). Does marijuana use trajectory predict self-reported depressive symptoms a longitudinal community-based cohort followed for 20 years? (the CARDIA study). Poster presented at the annual meeting of the College on Problems of Drug Dependence, Hollywood, FL.
91. Khodneva, Y., Pletcher, M., Schumacher, J., Safford, M., Tucker, J. & Kertesz, S. (2011, November). Do race and sex alter the association between non-marijuana drug use trajectories and depressive symptoms in community-based adult cohort? (the CARDIA study). Presentation at the annual meeting of the American Association of Education and Research in Substance Abuse (AMERSA), Arlington, VA.
92. Schroder, K. E. E., Tucker, J. A., & Simpson, C. A. (2012, April). Do telehealth educational modules support maintenance of problem drinking resolutions? Paper presented at the annual meeting of the Society of Behavioral Medicine, New Orleans, LA.
93. Khodneva*, Y., Pletcher, M., Safford, M., Schumacher, J., Tucker, J., & Kertesz, S. (2012, June). Conjoint trajectories of drug use and trajectories of depressive symptoms in adults: a 2- decade portrait of comorbidity. (the CARDIA study). Presentation at the annual meeting of the College on Problems of Drug Dependence. (*CPDD Early Investigator Travel Award recipient)
94. Tucker, J. A. (2012, August). Community-based behavioral economic strategies to reduce alcohol-related problems. Paper presented as part of a symposium titled "Behavioral economics as a platform for translational research on addiction" (W. K. Bickel, Chair) at

the annual meeting of the American Psychological Association, Orlando, FL.

95. Tucker, J. A. (2012, August). Re-conceptualizing and broadening the context of addictive behavior change. Paper presented as part of a symposium titled "Understanding addictive behaviors: Celebrating the work and generativity of G. Alan Marlatt" (J. A. Tucker & M. Larimer, Co-Chairs) at the annual meeting of the American Psychological Association, Orlando, FL.
96. Cheong, J., Tucker, J. A., & Simpson, C. A. (2013, May). Time perspective predicts substance use by disadvantaged urban emerging adults. Poster presented at the Division 28/Division 50 Collaborative Perspectives on Addiction Conference, Atlanta, GA.
97. Tucker, J. A., Cheong, J., Chandler, S., Davies, S., Lewis, T., & Simpson, C. A. (2013, July). Substance use and behavioral impulsivity predict sexual risk-taking in emerging adults. Poster presented at the annual meeting of the American Psychological Association, Honolulu, HI.
98. Chandler, S. D., Tucker, J. A., & Cheong, J. (2014, February). Substance use, sexual practices, and social network reinforcement among African American emerging adult women living in disadvantaged urban neighborhoods. Poster presentation at the Division 28/ Division 50 Collaborative Perspectives on Addiction Conference, Atlanta, GA.
99. Cheong, J., Tucker, J. A., & Chandler, S. D. (2014, February). Perceived quality of life, substance use, and risky sexual practices among African American youths living in underserved urban neighborhoods. Poster presentation at the Division 28/ Division 50 Collaborative Perspectives on Addiction Conference, Atlanta, GA.
100. Tucker, J. A., Cheong, J., & Chandler, S. D. (2014, November). Selecting communication channels for substance misuse prevention with at-risk emerging adults in the Southern U.S. Paper presented at the 7th International Congress on Health Psychology — Psychohealth 2014 (Psicosalud), Havana, Cuba.
101. Tucker, J. A., Cheong, J., Chandler, B. H., Lambert, B. H., & Simpson, C. A. (2015, June). Behavioral impulsivity and time perspective predict different problem severity dimensions among untreated problem drinkers attempting natural recovery. Paper presented as part of a symposium titled "The behavioral economics of alcohol use disorders: Translational findings from behavioral and brain investigations" (M. Amlung, Chair) at the annual meeting of the Research Society on Alcoholism, San Antonio, TX.
102. Tucker, J. A., Chandler, S. D., Cheong, J., Lambert, B. H., Pietrzak, B., Kwok, H., & Davies, S. L. (2016, March). Behavioral economic predictors of moderation outcomes during natural recovery from alcohol problems. Poster presented at the Division 50 Collaborative Perspectives on Addiction Conference, San Diego, CA.
103. Tucker, J. A. (2016, March). Behavioral economics of low risk drinking during natural recovery from alcohol problems. Paper presented as part of a symposium titled "Contributions from psychology to understanding and promoting low risk drinking" (J. Tucker, Chair) at the Division 50 Collaborative Perspectives on Addiction Conference, San Diego, CA.

104. Cheong, J., Tucker, J. A., Jung, S., Chandler, S. D., & Lambert, B. H. (2016, June). Social network support moderates the association of a behavioral economic indicator of alcohol demand on natural resolution outcomes. Poster presented at the Research Society on Alcoholism Preconference Workshop, "Mechanisms of behavior change in behavioral treatments: Moving Toward Precision Medicine in the Treatment of Alcohol and Substance Use Disorders," New Orleans, LA.
105. Chandler, S. D., Tucker, J. A., & Cheong, J. (2016, August). HIV testing predictors for young African American women in low-income Southern urban communities. Poster presented at the annual meeting of the American Psychological Association, Denver, CO.
106. Tucker, J. A., Cheong, J., Chandler, S. D., & Lambert, B. H. (2017, June). Behavioral economic measures of impulsivity and alcohol demand predict different dimensions of drinking problem severity and outcomes among problem drinkers attempting natural recovery. Paper presented as part of a symposium titled "Behavioral economic perspectives on alcohol misuse: Emerging across multiple disciplines" (J. J. Ramirez, Chair) at the Research Society on Alcoholism meeting, Denver, CO.
107. Cheong, J., Tucker, J. A., & Chandler, S. D. (2017, November). Voluntary HIV test choice and reasons for accepting or declining testing among young African American women living in disadvantaged southern urban communities. Poster presented at the annual meeting of the American Public Health Association, Atlanta, GA.
108. Tucker, J. A. (2018, March). Molar economic contexts surrounding successful natural recovery. Paper presented as part of a symposium titled "Behavioral economic contributions to understanding substance misuse in different life stages" (K. Joyner, Chair) at the APA Collaborative Perspectives on Addiction meeting, Tampa, FL.
109. Lindstrom, K., Cheong, J., Jung, S., Chandler, S. D. & Tucker, J. A. (2018, April). Utility of different dimensional properties of drinking behavior to predict natural recovery outcomes. Poster presented at the annual Center for Addiction Research and Education symposium, University of Florida, Gainesville.
110. Pebley, K., Wallace, A. L., Dennhardt, A. A., Amlung, M. T., Goldman, M. S., Tucker, J. A., MacKillop, J., & Murphy, J. M. (2018, June). Racial differences in social density of alcohol consumption as a predictor of individual drinking level. Poster presented at the annual meeting of the Research Society on Alcoholism, San Diego.
111. Campbell, K. Pebley, K., Wallace, A. Dennhardt, A., Amlung, M., Goldman, M., Tucker, J., MacKillop, & J. Murphy, J. (2018, June). Examining the relationship between behavioral economic risk profiles and alcohol use using latent profile analysis. Poster presented at the annual meeting of the Research Society on Alcoholism, San Diego, CA.
112. Cheong, J., Lindstrom, K., Chandler, S., Lin, J., & Tucker, J. (2019, April). Behavioral economic predictors of drinking and consequences in community-dwelling emerging adults. Poster presented at the annual Collaborative Perspectives on Addiction meeting, Providence, RI.

113. Lindstrom, K., Chandler, S., Arrocha, D., Kousek, L., Cheong, J., & Tucker, J. (2019, April). Feasibility of digital Respondent Driven Sampling to recruit and assess emerging adult drinkers. Poster presented at the annual Collaborative Perspectives on Addiction meeting, Providence, RI.
114. Lindstrom, K., Chandler, S. D., Bacon, J. P., Sawant, A. A., Lin, J., Cheong, J., & Tucker, J. A. (2019, March). Utility of digital Respondent Driven Sampling to recruit and assess behavioral economic predictors of drinking among emerging adults. Poster presented at the annual D. K. Stanley Lecture, College of Health & Human Performance, University of Florida, Gainesville, FL.
115. Dennhardt, A. A., Acuff, S. F., Amlung, M. T., Goldman, M. S., Tucker, J. A., MacKillop, J., & Murphy, J. G. (2019, June). Correlates of daily cannabis use in a diverse sample of emerging young adult heavy drinkers. Poster presented at the annual meeting of the Research Society on Alcoholism, Minneapolis, MN.
116. Campbell, K. W., Pebley, K., Wallace, A. L., Dennhardt, A. A., Amlung, M. T., Goldman, M. S., Tucker, J. A., MacKillop, J., & Murphy, J. G. (2019, June). Factorial invariance of the Alcohol Purchase Task across race and sex. Poster presented at the annual meeting of the Research Society on Alcoholism, Minneapolis, MN.
117. Oddo, L., Acuff, S., Arenson, M., Triage, P., Meinzer, M., Goldman, M., MacKillop, J., Tucker, J., A. Chronis-Tuscano, A., & Murphy, J. (2019, June). Empirically derived profiles of problematic alcohol use: Relationships with ADHD and reward functioning. Poster presented at the 42nd annual meeting of the Research Society on Alcoholism, Minneapolis, MN.
118. Soltis, K. E., Wallace, A. L., Dennhardt, A. A., Amlung, M. T., Goldman, M. S., Murphy, J. G., Tucker, J. A., & MacKillop, J. (2019, June). Behavioral economic mediators of relationships between alcohol self-Concept, alcohol use, and consequences in a diverse young adult sample. Poster presented at the 42nd annual meeting of the Research Society on Alcoholism, Minneapolis, MN.
119. Soltis, K. E., Olin, C. C., Wallace, A. L., Dennhardt, A. A., Amlung, M. T., Goldman, M. S., Murphy, J. G., Tucker, J. A., & MacKillop, J. (2019, June). Alcohol self-concept moderates the relation between negative affective symptoms and alcohol-related consequences. Poster presented at the 42nd annual meeting of the Research Society on Alcoholism, Minneapolis, MN.
120. Gebru, N., Pritschmann, R., Yurasek, A., Tucker, J., & Leeman, R. (2019, June). Alcohol demand in relation to laboratory alcohol self-administration. Poster presented at the 42nd annual meeting of the Research Society on Alcoholism, Minneapolis, MN.
121. Lindstrom*, K. N., Cheong, J., Chandler, S. D., Bacon, J. P., & Tucker, J. A. (2020, August). Social network feedback and drinking outcomes in community-dwelling emerging adults recruited by peer referral. Poster presented at the virtual annual convention of the American Psychological Association. **Student Recipient 2020 National Institute on Drug Abuse*

122. Leeman, R. F., Rowland, B. H. P., Benvenuti, B., Gebru, N., Bacon, J., Lewis, M. A., Tucker, J. A., Cheong, J., & Cook, R. L. (2021, April). Formative research and evaluation of a mobile alcohol and HIV preventive intervention for young adult men who have sex with men. Poster presented at the virtual annual convention of the Society of Behavioral Medicine.
123. Campbell, K. W., Minhas, M., Wallace, A. L., Dennhardt, A. A., Amlung, M.T., Goldman, M. S., Tucker, J. A., MacKillop, J., & Murphy, J. G. (2021, June). Differential trajectories of alcohol-related behaviors across emerging adulthood by latent profiles of substance use and psychopathology. Poster presented at the virtual annual convention of the Research Society on Alcoholism.
124. Chandler, S. D., Cheong, J., Lindstrom, K., & Tucker, J. A. (2021, June). Social network drinking feedback is associated with use of protective behavioral strategies and drinking outcomes in emerging adults. Poster presented at the virtual annual convention of the Research Society on Alcoholism.
125. Tucker, J. A. (2021, August). Discussant: Substance-free reinforcers reduce alcohol and drug use: Findings across the translational spectrum. Symposium presented at the virtual annual convention of the American Psychological Association.
126. Julia E. Swan, J. E., Aldridge, A., Joseph, V., Tucker, J. A., & Witkiewitz, K. (2022, June). Recovery from alcohol use disorder and social determinants of health three years after treatment. Poster presented at the annual convention of the Research Society on Alcoholism, Orlando, FL.
127. Cheong, J., Stinson, L., Chandler, S., & Tucker, J. (2023, March). Preferences for helping resources among emerging adult risky drinkers living in urban communities. Poster presentation at the annual Collaborative Perspectives on Addiction conference, Albuquerque, NM.
128. Kuhlemeir, A., Witkiewitz, K., & Tucker, J. A. (2023, March). Relative reinforcement value of alcohol-free activities and alcohol use one-year post treatment. Poster presentation at the annual Collaborative Perspectives on Addiction conference, Albuquerque, NM.
129. Bird, B. M., Belisario, K., Ferro, M., Goldman, M., Tucker, J., Murphy, J. G., & MacKillop, J. (2023, June). Longitudinal examination of alcohol demand and alcohol-related reinforcement as predictors of heavy drinking and adverse alcohol consequences in emerging adults. Poster presentation at the annual meeting of the Research Society on Alcohol, Bellevue, WA.
130. Witkiewitz, K., & Tucker, J. A. (2023, June). Whole person recovery from alcohol use disorder. Paper presented as part of a symposium titled "Recovery from alcohol use disorder: New theoretical perspectives and novel approaches to measurement and methods" (W. Bickel & K. Witkiewitz, Chairs) at the annual meeting of the Research Society on Alcohol, Bellevue, WA.

131. Kuhlemeier, A., Witkiewitz, K., & Tucker, J. A. (2023, June). Examining participation in alcohol-free activities as a dimension of social recovery capital. Paper presented as part of a symposium titled "Recovery from alcohol use disorder: New theoretical perspectives and novel approaches to measurement and methods" (W. Bickel & K. Witkiewitz, Chairs) at the annual meeting of the Research Society on Alcohol, Bellevue, WA.
132. Acuff, S. F., Belisario, K., Halladay, J., Dennhardt, A. A., Amlung, M., Tucker, J. A., MacKillop, J., & Murphy, J. G. (2024, April). Behavioral economic predictors of heavy episodic drinking trajectories: Differences by sex, race, and education. Paper presented as part of a symposium titled "Applying a Behavioral Economic Framework to Advance Health Equity among Underrepresented Populations." (M.S. Bello & N.M. Gebru, Co-Chairs), at the annual Collaborative Perspectives on Addiction meeting, Minneapolis, MN.
133. Cruthird, C., Dennhardt, A. A., Belisario, K., Acuff, S. A., Amlung, A. T., Tucker, J.A., MacKillop, J. & Murphy, J. M. (2024, June). Alcohol misuse family history is associated with higher drinking and alcohol-related consequences, but not with alcohol demand in emerging adult risky drinkers. Poster presented at the annual meeting of the Research Society on Alcohol, Minneapolis, MN.
134. Buck, A. C., Acuff, S. A., Amlung, M. T., Belisario, K., Dennhardt, A. A., Tucker, J.A., MacKillop, J. & Murphy, J. M. (2024, June). Sustained Word Health Organization drinking risk reduction among emerging adults is associated with changes in social network and reinforcement variables. Poster presented at the annual meeting of the Research Society on Alcohol, Seattle, WA.
135. Stinson, L. A., Tucker, J. A., Cheong, J., & Vuchinich, R. E. (2024, August). Role of life events during early non-abstinent natural recovery from Alcohol Use Disorder. Poster presentation at the annual convention of the American Psychological Association, Seattle, WA.
136. Van Heukelom*, J., Cheong, J., & Tucker, J. A. (2024, August). Social network homogeneity of behavioral economic indices affects risky drinking in emerging adults. Poster/oral presentation at the annual convention of the American Psychological Association, Seattle, WA. *Recipient 2024 National Institute on Alcohol Abuse and Alcoholism R13-funded travel award from American Psychological Association Divisions 28 & 50.

INVITED PRESENTATIONS:

1. Vuchinich, R. E., & Tucker, J. A. (1982, May). Alcohol problems: Assessment, treatment, and program evaluation. Workshop presentation at the meeting of the Florida Psychological Association, Sarasota, FL.
2. Tucker, J. A. (1984, March). Stressful events and human drinking behavior: The role of contextual variables. Presentation at the 7th Annual Coatesville-Jefferson conference entitled "Alcohol, Drug, and Stress Interactions," Coatesville, PA.
3. Vuchinich, R. E., & Tucker, J. A. (1987, April). Behavioral theories of choice as a

framework for studying human drinking behavior and alcoholic relapse. Research Scientist Seminar presented at the Clinical Institute, Addiction Research Foundation, Toronto, Canada.

4. Vuchinich, R. E., & Tucker, J. A. (1987, November). Assessing patterns of drinking and predicting relapse in alcoholics. Clinical roundtable presentation at the meeting of the Association for the Advancement of Behavior Therapy, Boston, MA.
5. Vuchinich, R. E., & Tucker, J. A. (1988, October). Applying theories of choice to studying alcohol abuse. Presentation at the meeting of the Southeastern Association for Behavior Analysis, Gatlinburg, TN.
6. Tucker, J. A. (1993, April). Influences on help-seeking for alcohol problems and on recovery without treatment. Colloquium presented at the Center on Alcoholism, Substance Abuse, & Addictions and The Dept. of Psychology, University of New Mexico, Albuquerque.
7. Tucker, J. A. (1994, June). Molar contexts surrounding recovery from alcohol problems. Colloquium presented at the Addictive Behaviors Research Center and the Dept. of Psychology, University of Washington, Seattle, WA.
8. Tucker, J. A. (1995, November). Environmental contexts surrounding addictive behavior change. Presented at the meeting of the Southeastern Association for Behavior Analysis, Charleston, SC.
9. Tucker, J. A. (1996, December). Help-seeking for problems related to substance abuse: Contributions from behavioral economics. Presented at a conference sponsored by the National Institute on Drug Abuse titled "Treatment readiness: Factors influencing entry and engagement," Rockville, MD.
10. Tucker, J. A. (1997, November). Applied research opportunities for psychologists in the changing health care environment. Presented at the meeting of the Addictive Behavior Special Interest Group, Association for the Advancement of Behavior Therapy, as part of a symposium titled "Randomized clinical trials and alternatives to evaluating treatment efficacy" (K. Fromme, Chair), Miami Beach, FL.
11. Tucker, J. A. (1998, November). Delivering and evaluating substance abuse services in the changing health care environment: Expanding roles for psychologists. Workshop presented at the meeting of the Association for the Advancement of Behavior Therapy, Washington, D.C.
12. Tucker, J. A. (1999, March). Environmental contexts surrounding resolution among problem drinkers with different help-seeking experiences. Paper presented at a thematic meeting on the natural history of addictions hosted by the Swiss Institute for the Prevention of Alcohol and Drug Problems and the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Les Diablerets, Switzerland.
13. Tucker, J. A. (2000, March). Expanding services for alcohol problems: Understanding help-

seeking and natural resolution. Colloquium presented at the Center for Research on Behavioral Health and Human Service Delivery, Institute for Behavioral Research, University of Georgia, Athens, GA.

14. Tucker, J. A. (2001, December). Broadening the base of services for substance abuse. Colloquium presented at the University of Florida Health Sciences Center, Department of Clinical and Health Psychology and College of Health Professions, Gainesville, FL.
15. Tucker, J. A., & Simpson, C. A. (2002, March). Merging behavioral economic and public health approaches to the delivery of services for substance abuse: and applications. Paper presented at a NIAAA-sponsored thematic meeting "Choice, behavioral economics, and addiction," The University of Alabama at Birmingham, AL.
16. Tucker, J. A. (2002, October). Behavioral economics of help-seeking and recovery in problem drinkers. Paper presented at a thematic meeting on "Addiction in the life course perspective: Entry and exit processes" hosted by the Nordic Council for Alcohol and Drug Research and the Kettil Bruun Society for Social and Epidemiological Research on Alcohol, Stockholm, Sweden.
17. Tucker, J. A. (2003, November). Behavioral economics of substance abuse: Consumer preferences for services. Invited colloquium, Veterans Administration Program Evaluation and Resource Center, Stanford University Medical School, Menlo Park, CA.
18. Tucker, J. A. (2004, March). Behavioral economics of alcohol abuse and addiction. Faculty speaker at the Dean's Luncheon, UAB School of Public Health, Birmingham, AL.
19. Tucker, J. A., & Reed, G. M. (Co-Chairs) (2004, November). Broadening the evidentiary base of psychological services: Introduction and charge. Presentation at the annual retreat of the Board of Professional Affairs, American Psychological Association, Washington, D.C.
20. Tucker, J. A. (2004, November). Pathways to the resolution of drinking problems: Linking service utilization and behavior change. Invited colloquium, Department of Psychology, University of Alabama at Birmingham, AL.
21. Tucker, J. A. (2005, September). How problem drinkers recover: Help-seeking and self-change. Invited Grand Rounds presentation, Department of Psychiatry, University of Vermont College of Medicine, Burlington, VT.
22. Tucker, J. A. (2006, January). The case for evidentiary pluralism in support of evidence based practice. Invited presentation, UAB Center for Aging and Veterans Administration GRECC Seminar Series, Birmingham, AL.
23. Tucker, J. A. (2006, April). Changing addictive behavior: Population perspectives and clinical strategies. Invited presentation. Florida Hospital Family Medicine Residency Program, Orlando, FL.
24. Tucker, J. A. (2007, July). Behavioral economics of drinking problem resolutions. Invited

presentation at the 3rd annual Research Society on Alcoholism Pre-conference Workshop, "Mechanisms of behavior change in behavioral treatments: Current knowledge and new perspectives," Chicago, IL.

25. Tucker, J. A. (2007, October). Addiction health services research: A confederacy of disciplines or an emerging trans-disciplinary union? Closing speaker 2007 Addiction Health Services Research Conference: "Sustainability and Change: Challenges for Research and Practice," Athens, GA.
26. Tucker, J. A. (2008, June). Constructs in mechanism of behavior change research: A critical look -A panel discussion. Panel discussant at the 4th annual Research Society on Alcoholism Preconference Workshop, "Mechanisms of behavior change in behavioral treatments: Today and tomorrow." Washington, DC.
27. Tucker, J. A. (2008, July). Public health implications of substance use diagnosis. Presented as part of an International Union of Psychological Science symposium "Challenges in diagnostic classification: The IUPsyS-WHO collaboration on mental and behavioural disorders for ICD 11" (P. Ritchie, Chair). XXIX International Congress of Psychology, Berlin, Germany.
28. Tucker, J. A. (2008, September). Behavioral economics of recovery and help-seeking in problem drinkers. Seminar presented at the Research Institute on Addictions, Buffalo, NY.
29. Tucker, J. A. (2009, June). Behavioral economics of addictive behavior change. Participant and speaker in the National Institutes of Health Science of Behavior Change Meeting to develop a transformative research agenda, Bethesda, MD.
30. Tucker, J. A., Franklin, F., LaGory, M., Simpson, C. A., & Davies, S. (2009, December). CITY Health: A social network approach to studying risk and resilience in emerging adults. Grand Rounds presentation, Division of Preventive Medicine, Department of Medicine, University of Alabama at Birmingham, AL.
31. Tucker, J. A. (2011, April). Behavioral economics of recovery from alcohol related problems. Invited colloquium, Department of Psychology, University of North Dakota, Grand Forks, ND.
32. Tucker, J. A. (2012, July). Behavioral economics and strategies based on choice architecture to reduce alcohol-related problems. Presented as part of an International Union of Psychological Science symposium "Mechanisms of Behavior Change and Alcohol Use Disorders: Research Advances from Behavioral Neuroscience to Public Health" (J. B. Overmier, Chair). 30th International Congress of Psychology, Capetown, South Africa.
33. Tucker, J. A. (2013, October). Behavioral economics of help-seeking and recovery among problem drinkers. Seminar presented to the Alcohol Research Group, Public Health Institute, Emeryville, CA.
34. Tucker, J. A. (2013, October). Behavioral economics of addictive behavior change:

Applications to problem drinking. Paper presented at the "Decision Making and Emotion Regulation in Life Span Transitions" conference, University of California-Berkeley, CA.

35. Tucker, J. A. (2014, June). Public health perspective on the new opiate epidemic. Paper presentation at the "Pills to Needles: The Pathway to Rising Heroin Deaths — A Community Alert and Call to Action" conference, U.S. Attorney's Office, Northern District of Alabama & the University of Alabama at Birmingham, AL.
36. Tucker, J. A. (2015, May). Behavioral economic strategies to reduce substance misuse. Invited speaker, Alcohol, Tobacco & Other Drug Coalition, American College Health Association meeting, Orlando, FL.
37. Tucker, J. A. (2015, December). Behavioral economic and public health contributions to interventions for substance misuse. Society of Addiction Psychology Visiting Scholars Conference Call Series.
38. Tucker, J. A. (2016, January). Population health review and response to the new opiate epidemic. Presentation for the Community and Behavioral Science Seminar series, Department of Health Education and Behavior, University of Florida.
39. Tucker, J. A. (2017, October). Behavioral economics of natural recovery from alcohol problems. Presentation for the Center for Behavioral Economic Health Research Seminar series, University of Florida.
40. Tucker, J. A. (2017, November). ZIKA nudges: Applying behavioral economic choice architecture principles and findings. Presentation at the annual meeting of the EU ZIKAction Consortium, Emerging Pathogens Institute, College of Public Health & Health Professions and College of Veterinary Medicine, University of Florida.
41. Tucker, J. A. (2017, November). Behavioral economics of addictive behavior change. Invited award presentation, Addictive Behaviors Special Interest Group, Association for Behavioral and Cognitive Therapies, San Diego, CA.
42. Tucker, J. A. (2018, November). The many pathways to addiction recovery: Contributions from psychology, public health, and behavioral economics. Betty Ford Award recipient invited address, Association for Medical Education and Research on Substance Abuse, San Francisco, CA.
43. Tucker, J. A. (2019, August). Contributions from behavioral economics to understanding and promoting addictive behavior change. Invited Master Lecture sponsored by the American Psychological Association (APA) Board of Scientific Affairs, APA annual convention, Chicago, IL.
44. Tucker, J. A. (2019, September). Behavioral economics of addictive behavior change: Applications to alcohol use disorders. Invited colloquium, Department of Psychology, University of New Mexico, Albuquerque, NM.
45. Tucker, J. A. (2020, May). Using Respondent Driven Sampling to investigate health risk and

protective behaviors in emerging adult community samples. Invited research presentation, School of Social Work, Boston University, MA.

46. Bacon, J. P., Chandler, S. D., Lindstrom, K., & Tucker, J. A. (2020, May). Respondent Driven Sampling: Data collection and analysis. Invited workshop, School of Social Work, Boston University, MA.
47. Tucker, J. A. (2020, September). Why studying multiple pathways to AUD recovery matters: Lessons learned from natural recovery research. Invited symposium presentation, NIAAA Recovery from Alcohol Use Disorder: A Virtual Roundtable Discussion.
48. Tucker, J. A. (2021, May). Using choice architecture to create demand for health screening. Invited presentation, 2021 virtual Working Conference on Peer Support in Diabetes: Behavioral Economics, University of Michigan Center for Diabetes Translational Research – Peer Support Research Core.
49. Tucker, J. A. (2022, September). Invited panelist, Pathways to recovery: The role of internal and external conditions. 2022 virtual Recovery Research Summit: Advancing a Recovery-Ready Nation, Global Recovery Initiatives Foundation.
50. Tucker, J. A. (2023, April). Dynamic pathways to recovery from alcohol use disorder: Behavioral economic and contextual factors. Invited Peter Boris Lecture, Department of Psychiatry and Peter Boris Centre for Addictions Research, McMaster University, Hamilton, Ontario.
51. Tucker, J. A. (2023, November). Lessons learned from the behavioral study of alcohol-related problems and risk reduction. Keynote lecture presented at the Mary F. Lane Endowed Professorship installation ceremony. University of Florida, Gainesville.
