

Q1.
APPLIED PHYSIOLOGY AND KINESIOLOGY (APK)
INTERNSHIP SITE APPROVAL FORM

Q2.
The **Department of Applied Physiology and Kinesiology (APK)** at the University of Florida would like to thank you in advance for taking the time to complete the approval process and your willingness to provide valuable internship opportunities to our students. The Department of APK requires that all undergraduates complete a 12-credit internship experience and graduate students complete a 5-credit internship experience during their final semester. The experience requires a minimum of 520 clock hours for undergraduates and 600 clock hours for graduate students, or 35-40 hours a week for 15 weeks, for the Fall and Spring semesters or 40-45 hours a week for 13 weeks, for the Summer semester. Ideally, interns become exposed to the tasks that will be required of them as professionals in the field, as well as receive opportunities to develop their skills and areas of interest within their specialization. The specializations within the department are:

Exercise Physiology (Undergraduate): Prepares students interested in pursuing a career in one of the health professions or graduate study in exercise science. The curriculum provides a strong basic science background and requires additional course work in the biological aspects of exercise. For intern hours in this specialization, students are expected to complete hours in a biomedical research setting related to exercise and/or sport.

Fitness/Wellness (Undergraduate): prepares students to function as an exercise technician, exercise specialist, and/or wellness instructor in hospital, corporate, private, or governmental agencies. The curriculum emphasizes practical aspects of fitness and wellness.

Human Performance (Graduate): The Human Performance concentration is a non-thesis program leading to a Master of Science degree in Applied Physiology and Kinesiology. Its purpose is to train students for careers where they can promote scientifically based exercise, wellness, and psychological factors to enhance health, athletic development and/or movement performance. Furthermore, students will be trained to be an integral part of the health care team that administers, assesses, and develops programs for clinical populations.

Please review the [APK Internship Policies and Procedures](#) Document to gain a better understanding of the expectations of students and site supervisors during the experience.

Q5. Organization Name

Swamp Fitness

Q6. Organization Location(s) - Include Addresses Of All Locations To Be Included As Part Of This Approval

2345 NW 54th Blvd. Gainesville, FL 32653

Q7. Name of Individual Who Will Receive Applications From Students

Jarred Mussen

Q8. Email Address of Individual Who Will Receive Applications From Students

swampfitness@gmail.com

Q9. Phone Number of Individual Who Will Receive Applications From Students

352-562-0444

Q10. URL of Website For Organization

www.swampfitness.com

Q11. Name of Individual Who Will Supervise Students Directly During Internship and Complete Evaluations

Jarred Mussen

Q12. Email Address of Individual Who Will Supervise Students Directly During Internship and Complete Evaluations

Q13. Phone number of Individual Who Will Supervise Students Directly During Internship and Complete Evaluations

352-562-0444

Q14. What Semester(s) Is Your Organization Available To Accept Interns? (select all that apply)

- Fall (August - December)
- Spring (January - April)
- Summer (May - August)

Q15. APK Internship Policy requires that a site supervisor hold one degree higher than the student intern. This means that site supervisors of undergraduate interns must hold at least a bachelor's degree and those of graduate interns must hold at least a master's degree. Based on this policy, for which category of students is your organization willing to accept applications? Check all that apply

- Undergraduate Students
- Graduate Students

Q16. How many interns is your organization willing and able to support per semester?

4

Q17. Describe the normal working hours anticipated for an intern at your organization. Please indicate likelihood and circumstances surrounding any evening or weekend time commitments.

40 hours per week which will likely be in between the hours of 6am and 9pm including weekends.

Q18. Does your organization offer non-paid or paid internships?

Non-paid

Paid (amount)

Q21. List other benefits your organization offers interns (i.e. housing, health insurance, travel reimbursement, etc.)

company outings and personal trainer mastermind meetings (food payed for during both of these types of events)

Q22. List required purchases for interning with your organization (i.e. parking pass, uniform, I.D. Badge, etc.)

Transportable fitness equipment that intern would like to work with.

Q23. List required skills or previous experience necessary for interning with your organization

Confident and comfortable with giving necessary exercise guidance and instruction after considering client's health situation and fitness goals.

Q24. List any special credentials or documents required to intern with your organization (i.e. CPR/First Aid, Liability Insurance, Personal Training Certification, OSHA training, HIPPA training, Pre-Internship orientation, background check)

Personal Training Certification and CPR Certification

Q25. Provide a bulleted list of duties/responsibilities your organization expects to be fulfilled by interns:

- Flexibility/adaptability. Adjusts quickly to changing priorities and conditions. Copes effectively with complexity and change.
- Enthusiasm. Exhibits passion and excitement over work. Has a "can-do" attitude.
- Work ethic. Possesses a strong willingness to work hard and sometimes long hours to get the job done. Has a track record of working hard.
- High standards. Expects personal performance and team performance to be nothing short of the best.
- Openness to criticism and ideas. Often solicits feedback and reacts calmly to constructive criticism or negative feedback.
- Communication. Speaks and writes clearly and articulately without being overly verbose or talkative. Maintains this standard in all forms of written communication.
- Teamwork. Reaches out to peers and cooperates with supervisors to establish an overall collaborative working relationship.
- Persuasion. Able to convince others to pursue a course of action.

Q26. Please describe a typical day for the intern:

Primarily, intern will provide personal training sessions to clients during various hours throughout the day. When not providing personal training sessions, intern will be doing research on how to best help each individual client reach their goals while furthering their understanding of client's current health situation. Intern will also spend time regularly discussing all successes and challenges with supervisor to work together and make any improvements to help clients overcome challenges.

Q28. Interns must be evaluated on at least 6 of the following 9 Student Learning Outcomes (SLO's). Please check each SLO that applies to the duties/responsibilities provided to interns at your organization.
