

Q1.  
APPLIED PHYSIOLOGY AND KINESIOLOGY (APK)  
INTERNSHIP SITE APPROVAL FORM

Q2.  
The **Department of Applied Physiology and Kinesiology (APK)** at the University of Florida would like to thank you in advance for taking the time to complete the approval process and your willingness to provide valuable internship opportunities to our students. The Department of APK requires that all undergraduates complete a 12-credit internship experience and graduate students complete a 5-credit internship experience during their final semester. The experience requires a minimum of 520 clock hours for undergraduates and 600 clock hours for graduate students, or 35-40 hours a week for 15 weeks, for the Fall and Spring semesters or 40-45 hours a week for 13 weeks, for the Summer semester. Ideally, interns become exposed to the tasks that will be required of them as professionals in the field, as well as receive opportunities to develop their skills and areas of interest within their specialization. The specializations within the department are:

**Exercise Physiology (Undergraduate):** Prepares students interested in pursuing a career in one of the health professions or graduate study in exercise science. The curriculum provides a strong basic science background and requires additional course work in the biological aspects of exercise. For intern hours in this specialization, students are expected to complete hours in a biomedical research setting related to exercise and/or sport.

**Fitness/Wellness (Undergraduate):** prepares students to function as an exercise technician, exercise specialist, and/or wellness instructor in hospital, corporate, private, or governmental agencies. The curriculum emphasizes practical aspects of fitness and wellness.

**Human Performance (Graduate):** The Human Performance concentration is a non-thesis program leading to a Master of Science degree in Applied Physiology and Kinesiology. Its purpose is to train students for careers where they can promote scientifically based exercise, wellness, and psychological factors to enhance health, athletic development and/or movement performance. Furthermore, students will be trained to be an integral part of the health care team that administers, assesses, and develops programs for clinical populations.

Please review the [APK Internship Policies and Procedures](#) Document to gain a better understanding of the expectations of students and site supervisors during the experience.

Q5. Organization Name

Tampa Sports Academy

Q6. Organization Location(s) - Include Addresses Of All Locations To Be Included As Part Of This Approval

4539 S. Dale Mabry Hwy, Tampa, FL 33611

Q7. Name of Individual Who Will Receive Applications From Students

Mary Bly

Q8. Email Address of Individual Who Will Receive Applications From Students

mbly@tampasportsacademy.com

Q9. Phone Number of Individual Who Will Receive Applications From Students

813-773-3872

Q10. URL of Website For Organization

www.tampasportsacademy.com

Q11. Name of Individual Who Will Supervise Students Directly During Internship and Complete Evaluations

Mary Bly

Q12. Email Address of Individual Who Will Supervise Students Directly During Internship and Complete Evaluations

Q13. Phone number of Individual Who Will Supervise Students Directly During Internship and Complete Evaluations

813-773-3872

Q14. What Semester(s) Is Your Organization Available To Accept Interns? (select all that apply)

- Fall (August - December)
- Spring (January - April)
- Summer (May - August)

Q15. APK Internship Policy requires that a site supervisor hold one degree higher than the student intern. This means that site supervisors of undergraduate interns must hold at least a bachelor's degree and those of graduate interns must hold at least a master's degree. Based on this policy, for which category of students is your organization willing to accept applications? Check all that apply

- Undergraduate Students
- Graduate Students

Q16. How many interns is your organization willing and able to support per semester?

3

Q17. Describe the normal working hours anticipated for an intern at your organization. Please indicate likelihood and circumstances surrounding any evening or weekend time commitments.

The club is open from 5AM-9PM most days, interns will fit their hours within that time frame depending on coaching staff schedules. Weekends are not typically required.

Q18. Does your organization offer non-paid or paid internships?

Non-paid

Paid (amount)

Q21. List other benefits your organization offers interns (i.e. housing, health insurance, travel reimbursement, etc.)

Free gym membership

Q22. List required purchases for interning with your organization (i.e. parking pass, uniform, I.D. Badge, etc.)

None

Q23. List required skills or previous experience necessary for interning with your organization

Ideally, we prefer candidates that have some experience with athletics and strength and conditioning.

Q24. List any special credentials or documents required to intern with your organization (i.e. CPR/First Aid, Liability Insurance, Personal Training Certification, OSHA training, HIPPA training, Pre-Internship orientation, background check)

None, but CPR/First Aid is preferred.

Q25. Provide a bulleted list of duties/responsibilities your organization expects to be fulfilled by interns:

- Shadowing coaching staff and assisting with training sessions for athletes and general population clients.
- Coaching group sessions as needed.
- Assisting with the front desk duties (checking in members, point of sale, etc.)
- Filming and creating content for social media.
- Helping to clean around the facility.
- Completing intern projects (research project, video content for YouTube channel, final internship project)
- Occasional marketing in the community.
- If interested, interns can also shadow with our orthopedic partners or physical therapy office.

Q26. Please describe a typical day for the intern:

Interns will spend a lot of their day shadowing and working with the coaching staff or front desk staff, depending on the day's schedule. On busier days, most of their hours will be spent assisting with the coaching staff. On slower days, they will help with facility upkeep and work on the projects assigned for all interns to include social media posts, a research project, and a final project that will take up a lot of their free hours. Other duties will be assigned as needed throughout the day.

Q28. Interns must be evaluated on at least 6 of the following 9 Student Learning Outcomes (SLO's). Please check each SLO that applies to the duties/responsibilities provided to interns at your organization.
