

Q1.

APPLIED PHYSIOLOGY AND KINESIOLOGY (APK)
INTERNSHIP SITE APPROVAL FORM

Q2.

The **Department of Applied Physiology and Kinesiology (APK)** at the University of Florida would like to thank you in advance for taking the time to complete the approval process and your willingness to provide valuable internship opportunities to our students. The Department of APK requires that all **undergraduates** complete 12-credits of internship experience once becoming eligible. Undergraduate students must earn a minimum of 520 clock hours in the process of completing the 12-credits of the internship course. However, undergraduate students may choose to complete all 12-credits in a single semester, or split the credits over two semesters. Students choosing to split the internship credit into two, 6-credit, semesters are required to complete a minimum of 260 clock hours at the internship site each semester. **Graduate** students in the Human Performance concentration may elect to complete between 3 - 9 credits of internship to count towards their degree. Each registered credit of graduate internship requires a minimum of 48 clock hours be completed and a graduate student must register for at least 3 credits in any semester they intend to complete an internship. Therefore, a graduate student will be required to complete between 144 - 432 hours during their internship. Ideally, interns become exposed to the tasks that will be required of them as professionals in the field, as well as receive opportunities to develop their skills and areas of interest. A brief description of our undergraduate and graduate programs is below:

APK Undergraduate Program: Prepares students to function as an exercise technician, exercise specialist, and/or wellness instructor in hospital, corporate, private, or governmental agency, to pursue graduate study in kinesiology, OR to pursue graduate study in a health profession requiring education beyond an undergraduate degree. The curriculum provides a strong basic science background and requires additional course work in the biological aspects of exercise. Students may pursue internship opportunities in healthcare, research, fitness, or other areas of human performance.

Human Performance (Graduate): The Human Performance concentration is a non-thesis program leading to a Master of Science degree in Applied Physiology and Kinesiology. Its purpose is to train students for careers where they can promote scientifically based exercise, wellness, and psychological factors to enhance health, athletic development and/or movement performance. Furthermore, students may be trained to be an integral part of a health care team that administers, assesses, and develops programs for clinical, general public, or high-performance populations.

Please review the [APK Internship Policies and Procedures](#) Document to gain a better understanding of the expectations of students and site supervisors during the experience. Note that clicking the link to the Policies and Procedures manual will take you away from this survey and cause any information input into the survey to be lost. We recommend holding the ctrl button on your keyboard when clicking the link to open it in a new browser tab.

Q5. Organization Name

University of Georgia - Department of Recreational Sports

Q6. Organization Address(es) - Include Addresses Of All Locations To Be Included As Part Of This Approval

330 River Rd. Athens, GA 30602; 201 Ramsey Student Center Athens, GA 30602

Q10. URL of Website For Organization

<https://recsports.uga.edu/>

Q7. Name of Individual who will receive applications from students and whom students should contact about Internship availability

Lisa Williamson

Q8. Email Address of Individual who will receive applications from students and whom students should contact about Internship availability

lisawilliamson@uga.edu

Q9. Phone Number of Individual who will receive applications from students and whom students should contact about Internship availability

706-542-8023

Q34.

Will the person receiving internship applications from students be the same person supervising the student and completing the student evaluations during the internship?

☒ Yes

☐ No

Q11. Name of Individual Who Will Supervise Students Directly During Internship and Complete Student Evaluations

This question was not displayed to the respondent.

Q12. Email Address of Individual Who Will Supervise Students Directly During Internship and Complete Student Evaluations

This question was not displayed to the respondent.

Q13. Phone number of Individual Who Will Supervise Students Directly During Internship and Complete Student Evaluations

This question was not displayed to the respondent.

Q14. What Semester(s) Is Your Organization Available To Accept Interns? (select all that apply)

☒ Fall (August - December)

☒ Spring (January - April)

☐ Summer (May - August)

Q15. APK Internship Policy requires that a site supervisor hold one degree higher than the student intern. This means that site supervisors of undergraduate interns must hold at least a bachelor's degree and those of graduate interns must hold at least a master's degree. Based on this policy, for which category of students is your organization willing to accept applications? Check all that apply

☐ Undergraduate Students

☒ Graduate Students

Q16. How many interns is your organization willing and able to support per semester?

1

Q35. APK Undergraduate students are permitted to complete a single 12-credit (520 hour minimum) internship in a single semester or two, 6-credit (260 hour minimum) internships over two semesters. Are you willing and able to provide a part-time internship experience (~20 hours per week), full-time (~40 hours per week), or either to our undergraduate students depending on the student's internship plans?

☐ Part-Time Internship (~20 hours per week)

☐ Full-Time Internship (~40 hours per week)

☒ Either Part-Time or Full-Time depending on the student's internship plan

Q17. Describe the normal working hours anticipated for an intern at your organization. Please indicate likelihood and circumstances surrounding any evening or weekend time commitments.

8AM-5PM, occasional evening and weekend hours.

Q18. Does your organization offer non-paid or paid internships?

☐ Non-paid

☒ Paid (amount)

Q21. List other benefits your organization offers interns (i.e. housing, health insurance, travel reimbursement, etc.)

Continuing education

Q22. List required purchases for interning with your organization (i.e. parking pass, uniform, I.D. Badge, etc.)

Parking pass

Q23. List required skills or previous experience necessary for interning with your organization

Preferred experience working in a campus recreation fitness or well-being program.

Q24. List any special credentials or documents required to intern with your organization (i.e. CPR/First Aid, Liability Insurance, Personal Training Certification, OSHA training, HIPPA training, Pre-Internship orientation, background check)

Q25. Provide a bulleted list of duties/responsibilities your organization expects to be fulfilled by interns:

Assist with the coordination and development of programs including Personal Training, Group Fitness, Small Group Training, Campus Well-being Initiatives, Outreach, and Special Events. Assist with recruiting, hiring, training, supervising, evaluating, scheduling, and disciplinary action of 70+ F&W staff, including 4 program assistants. Plan and facilitate program assistant meetings including professional and leadership development. Work closely with program assistants to schedule, plan, and facilitate monthly area meetings and create and distribute a monthly F&W newsletter. Meet weekly with the Associate Director for Fitness, Well-being & Student Engagement. Assist with the instruction of the AFAA Group Fitness Prep Course and/or NASM Personal Trainer prep courses. Lead training and continuing education efforts for F&W staff and participants through staff meetings, educational experiences, hosting fitness certifications, and workshop/conference attendance. Create, maintain, and update job aids, handbooks, and protocols for F&W staff. Assist with the coordination of fitness and well-being outreach programs for the University community. Work closely with the Coordinator for Fitness and Wellness and program assistants to coordinate the evaluation process for group fitness instructors and personal trainers (once per semester). Support campus well-being efforts and initiatives in collaboration with Student Affairs units. Maintain an active presence in the Department of Recreational Sports. Serve as a substitute Group Fitness Instructor and Personal Trainer as needed. Uphold professional and cultural standards set forth in the Recreational Sports and F&W professional staff handbook. Work cooperatively with all Recreational Sports staff and assist with departmental special events and area marketing. Participate in bi-weekly professional development activities and complete an experiential capstone project as outlined in the Rec Sports Professional Intern Learning Curriculum. Serve as a co-advisor for the Recreational Sports Council.

Q26. Please describe a typical day for the intern:

The Fitness & Wellness (F&W) Professional Intern performs a significant role in the administration of the Fitness & Wellness program at the University of Georgia. The Professional Intern will assist in the daily operation and implementation of a dynamic and innovative fitness program. Under the supervision of the Associate Director for Fitness, Well-being & Student Engagement, the Professional Intern serves as a leader for the F&W team (made up of Fitness Monitors, Personal Trainers, and Group Fitness Instructors). Employment dates run from August to mid-May.

Q28. All Interns (undergraduate and graduate) **MUST** be evaluated on **at least 6** of the following 9 Student Learning Outcomes (SLO's), though evaluation of all 9 is preferred. Please check each SLO that applies to the duties/responsibilities provided to interns at your organization.
