📄 FEA FAQs

- The Chair Letter Response Explained:
 - When the *Chair Letter Uploaded* task is complete, a new task is assigned to the candidate. In this step, they are given a 10-day window to review the letter and add a comment and/or updated candidate dossier.
 - When faculty access the task in FEA, they will see [a link to instructions](#) for adding their response.
 - Please note that College-level reviewers will have access to all documents that have been uploaded to the candidate's portfolio. This includes the original dossier.
 - The Updated Dossier is a supplemental document that highlights any new activities that have happened since the initial dossier was uploaded. Candidates can add clarifications or additional items to Section 27. *Further Information* if needed.
