Curriculum Vitae

Patricia M. Tripp, PhD, LAT, ATC, CSCS, CES
Clinical Professor
Associate Director, Doctor of Athletic Training Program
Department of Applied Physiology and Kinesiology
College of Health and Human Performance
University of Florida

PERSONAL INFORMATION

Mailing Address:	HHP-APK, FLG 120 PO Box 118205 Gainesville, FL 32611-8205
Work Phone:	352-294-1729
E-Mail:	pmcginn@hhp.ufl.edu

EDUCATION

Doctor of Philosophy
University of Kentucky, Lexington, KY, May 2004
Kinesiology & Health Promotion (Exercise Science), concentration in Biomechanics
Dissertation Project: Kinematic and kinetic changes of single-limb landing tasks among collegiate female basketball athletes after a 6-week strength-training program
Comps Project: The effects of a 12-week strength-training program on the hamstrings: quadriceps ratio, peak torque, and time to peak torque in recreationally active females

Master of Science
Auburn University, Auburn, AL, May 2001
Exercise Science, concentration in Motor Behavior and Biomechanics
Thesis: The relationship between balance ability and lower extremity injury susceptibility among Division I athletes

Bachelor of Science
University of Florida, Gainesville, FL, December 1998 (*Cum Laude)*
Exercise and Sport Science, concentration in Athletic Training

Basic Massage and Hydrotherapy
Suncoast School of Massage, Tampa, FL, February 1998

ACADEMIC EXPERIENCE

University of Florida, Gainesville, FL
Clinical Professor
Associate Director, Doctor of Athletic Training Program
August 2023 – present

University of Florida, Gainesville, FL
Clinical Associate Professor
Associate Director, Doctor of Athletic Training Program
August 2019 – August 2023

University of Florida, Gainesville, FL
Clinical Associate Professor
Director, Commission on Accreditation of Athletic Training Education (CAATE) Accredited Professional Athletic Training Program
August 2013 – August 2021

University of Florida, Gainesville, FL
Clinical Associate Professor
Program Director & Clinical Education Coordinator
Commission on Accreditation of Athletic Training Education (CAATE) Accredited Athletic Training Program
August 2014 – August 2016

University of Florida, Gainesville, FL
Clinical Assistant Professor and Program Director
Commission on Accreditation of Athletic Training Education (CAATE) Accredited Athletic Training Program
August 2008 – August 2013

Nova Southeastern University, Ft. Lauderdale, FL
Assistant Professor and Clinical Site Coordinator
Commission on Accreditation of Athletic Training Education (CAATE) Accredited Athletic Training Program
August 2005 – June 2008

University of South Carolina, Columbia, SC
Assistant Athletic Trainer, Approved Clinical Instructor, and Adjunct Faculty
Commission on Accreditation of Athletic Training Education (CAATE) Accredited Athletic Training Program
June 2004 – July 2005

CURRICULUM DEVELOPMENT

University of Florida, Gainesville, FL
Tripp, PM (February 2025 – June 2025) ATR 7080c Independent Clinical Practice in Athletic Training optional independent clinical practice course (1 credit, repeatable) courses offered as a supplement for concentration experiences during the summer terms to assist DAT students with full-time status for financial aid eligibility. (specific to the students' designated concentration); effective AY 2025 - 2026.

Tripp, PM, Tripp BL, and Brown, CD (2021 – 2022) Doctor of Athletic Training Courses (ATR 7858c and ATR 7868c Advanced Clinical Experience V and VI optional clinical experience courses offered as a capstone opportunity (specific to the students' designated concentration) for students within the Doctor of Athletic Training Program (effective AY 2022-2023).

Tripp BL, **Tripp, PM** (2020 – 2022) Manual Therapy Concentration Modules (4)
Developed learning outcomes, assignments, coordinated experiential learning experiences, educated preceptors, and developed the administrative oversight and comprehensive examination associated with the concentration.

Tripp, PM, Tripp BL (2020 –2022) Teaching & Leadership Concentration Modules (4)
Developed learning outcomes, assignments, coordinated experiential learning experiences, educated preceptors, and developed the administrative oversight and comprehensive examination associated with the concentration.

Tripp, PM, Tripp BL, and Brown, CD (2019 – 2020) Doctor of Athletic Training Concentrations Proposal (includes 4 concentrations within the curriculum) Coordinated interdisciplinary advisory committee who developed learning outcomes, modules, and associated rotations for the concentrations; drafted and revised the new professional concentration proposals and academic assessment plans. Oversaw approval process as the documents navigated the department, college and university level. Approval level status: University (December 2019).

Tripp, PM, Tripp BL, and Brown, CD (2016 – 2019) Doctor of Athletic Training Degree (new degree and created 18 new courses within the curriculum) Coordinated interdisciplinary advisory committee for the new program, drafted and revised the new degree program proposal document (including external consultation, curricular mapping, academic assessment plan), and presented the documents at the department, college, and university level throughout the approval process. Approved by the Board of Governors for the State of Florida June 2019.

Tripp, PM (2011 – 2012) Athletic Training Education Program curriculum revisions to accommodate 5th edition of educational competencies and state of Florida taxonomy revisions (course numbering and prefix changes from APK to ATR).

Naugle, KN and **Tripp, PM** (2011 – 2012) ATR 4112c Emergency Management of Athletic Trauma course revision – undergraduate course designed for athletic training (AT) students to recognize, assess, treat, and refer traumatic injury and acute emergent illness.

Tripp, PM and Tripp, BL (2010 – 2015) Study Abroad Class Athletic Medicine-Discoveries Influencing Clinical Practice (Offered Summer A 2011, 2013, and 2015 under HLP 4933 UF in London) – included an e-learning component and abroad experience to London, Oxford, and Luton, England (initial offering had students from five different universities).

Tripp, PM (2009 – 2010) Undergraduate Athletic Training Program Revisions
Revised Course: APK 4315 Topics in Sports Medicine
New Courses: APK 4312 Clinical Pathology and Pharmacology | APK 4602 Functional Sport Conditioning.
Moved competencies and proficiencies from general APK courses and created athletic training specific program courses which align undergraduate program with current Florida Board of Governors and the Commission on Accreditation of Athletic Training Education (CAATE) guidelines.

Tripp, PM (2009) Bloodborne Pathogens (BBP) Training (E-Learning Course)
Created e-learning course for pre-AT, AT and Graduate AT students in the Department of Applied Physiology & Kinesiology to complete required annual BBP training.

Tripp, PM (2009 – 2020) Preceptor Training Program (formerly Approved Clinical Instructor Training) (E-Learning Course)
Created e-learning course for clinical supervisors who serve in the CAATE AT program; learning modules cover topics such as teaching and learning styles, communication,

evidence-based practice concepts, evaluating proficiencies, etc.) and include assessments to document learning.

McGinn, PA (2008) ATR 3102 (formerly APK 3301) Principles of Athletic Training (4cr)
Developed new course for Athletic Training Program – undergraduate course designed to prepare AT students with foundational knowledge in the domains of AT.

McGinn, PA (2008) Undergraduate Athletic Training Program Revisions Updated course descriptions, pre-requisites, and aligned undergraduate program with current Florida Board of Governors and the Commission on Accreditation of Athletic Training Education (CAATE) guidelines.

Nova Southeastern University, Ft. Lauderdale, FL
McGinn, PA and Swann, E (2008) Exercise and Sport Science Major
Developed the proposal for a new undergraduate major in Exercise and Sport Science; structured to meet the Commission on Accreditation of Allied Health Education Professions (CAAHEP) standards and guidelines for accredited Exercise Science programs. Completed all aspects of curriculum proposal and review commenting and revisions.

McGinn, PA (2008) EXSC 1200 Prevention and Care of Athletic Injuries
Undergraduate interdisciplinary course designed to introduce the student to prevention, recognition, and acute care management techniques for athletic related injuries.

McGinn, PA (2008) EXSC 3720 Biomechanics of Human Movement
Undergraduate interdisciplinary course designed to provide an interdisciplinary approach to the mechanical considerations and application of anatomy to human movement and sport skills.

McGinn, PA (2008) EXSC 3800 Exercise Prescription
Undergraduate interdisciplinary course designed to assist the student with conducting and analyzing the results from relevant measurements and evaluation techniques used in the health and wellness setting (special focus in the areas of cardiac rehabilitation and stress test interpretation).

McGinn, PA (2008) EXSC 4100 Adapted Physical Education
Undergraduate interdisciplinary course designed to allow students to study medical characteristics of common disabilities and methods for designing appropriate sport and exercise programs.

McGinn, PA (2008) EXSC 4200 Motor Learning/Development
Undergraduate interdisciplinary course designed to provide students with the ability to analyze the emerging interrelationships among the motor, social, emotional, and cognitive forms of behavior and development.

McGinn, PA (2008) EXSC 4300 Research Methods in Sport and Physical Ed
Undergraduate interdisciplinary course designed to offer a foundation for conducting research in the areas of exercise/physical activity and sport.

McGinn, PA (2008) EXSC 4400 Exercise and Sport Administration
Undergraduate interdisciplinary course designed to offer an in-depth background of the standards, policies and practices of organization, supervision and administration for sport and exercise programs and facilities.

McGinn, PA (2008) EXSC 4901 Practicum in Exercise Science
Undergraduate course designed to provide a capstone experience/internship opportunity for students wishing to pursue a career in the field of Exercise and Sport Science. Review of CAAHEP competencies and proficiencies as outlines in the American College of Sports Medicine's (ACSM) Guidelines for Exercise Testing and Prescription to prepare the student for ACSM certifications.

McGinn, PA (2006) ATTR 4900 Special Topics in Athletic Training
Study Abroad Class "Roman Influence on Medicine and Sport" *(Offered Winter 2007)* Study abroad experience to Rome, Naples, Pompeii, and Florence, Italy.

McGinn, PA (2005) ATTR 4900 Special Topics in Athletic Training
Study Abroad Class "Evolution of Sports Medicine" *(Offered Winter 2006)* Study abroad experience to Athens, Olympia, and Marathon, Greece.

TEACHING EXPERIENCE

University of Florida, Gainesville, FL
ATR 7509 Leadership and Mentoring in AT Clinical Practice (Spring Semester 2022 – present) Doctoral level, post-professional course designed for Athletic Trainers: provides Athletic Trainers with specific knowledge of learning theories, teachings methods, clinical transition to practice and the role of mentorship and professional engagement in athletic training.

ATR 7519 Administration in Athletic Training (Spring Semester 2022 – present)
Doctoral level, post-professional course designed for Athletic Trainers: offers an in-depth examination of the standards, policies, and practices of a healthcare organization; allowing for safe, effective, and quality patient care. Discussions include current topics related to professional development, credentialing, and legislative issues.

ATR 7209c Movement Screening & Assessment (Fall Semesters 2021 – present)
Doctoral level, post-professional course designed for Athletic Trainers: advance foundational knowledge to effectively implement and interpret screening tools for injury prevention, management, and comprehensive therapeutic intervention programming.

ATR 7439c Clinical Techniques & Pharmacology II (Fall Semesters 2021 – present)
Doctoral level, post-professional course designed for Athletic Trainers: provides the Athletic Trainer with advanced clinical diagnostic skills to assess patients using medical evaluation procedures and employ appropriate and culturally sensitive therapeutic intervention or referral strategies for injury, illness, and emergent conditions.

ATR 7828c Advanced Clinical Experience II (Spring Semester 2021 – present)
Doctoral level, post-professional course designed for Athletic Trainers: Allows Athletic Trainers to develop a specialized body of knowledge and skills through scholarly appraisal, seminar attendance, clinical experiences; designed to promote integration and synthesis of

cognitive and psychomotor skills learned in previous semesters. One of a series of courses affording didactic and clinical integration of content within the specialty.

ATR 7818c Advanced Clinical Experience I (Fall Semesters 2020 – present)
Doctoral level, post-professional course designed for Athletic Trainers: Allows Athletic Trainers to develop a specialized body of knowledge and skills through scholarly appraisal, seminar attendance, clinical experiences; designed to promote integration and synthesis of cognitive and psychomotor skills learned in previous semesters. One of a series of courses affording didactic and clinical integration of content within the specialty.

HLP 4933 Variable International Topics UF in London – Athletic Medicine: Discoveries Influencing Clinical Practice (Summer A Semesters 2011, 2013, 2015)
Study abroad experience to England – dedicated to the exploration and investigative learning in relevant medical and science museums and university research labs. Cultivate critical thinking and promote a better understanding of how doctors and their discoveries impact modern clinical sports medicine.

ATR 4432 (fmr. APK 4312) Clinical Pathology and Pharmacology (Fall Semesters 2010 – 2020) Undergraduate athletic training course that introduced the student to the pathology associated with general medical conditions and pharmacological considerations. The course addressed CAATE competencies and proficiencies (knowledge, skills, and abilities).

ATR 4832 (fmr. APK 4340) AT Clinical Experience III (Fall Semesters 2009 – 2020)
Undergraduate athletic training course, which reviewed and assessed the CAATE competencies and proficiencies (knowledge, skills, and abilities) associated with lower body injury evaluation and rehabilitation principles for orthopedic injuries. Students completed a clinical case or systematic review research project as part of this course.

ATR 3102 (fmr. APK 3301) Principles of Athletic Training (Summer Semesters 2009 – 2019)
Undergraduate course which prepared athletic training students with foundational knowledge in the five domains of athletic training; addressed CAATE competencies and proficiencies (knowledge, skills and abilities).

ATR 4213c (fmr. APK 4310c) AT Injury Assessment: Lower (Spring Semesters 2009 – 2020)
Undergraduate athletic training course that introduced the student to the structure, function, and pathomechanics associated with lower body orthopedic injuries; addressed CAATE competencies and proficiencies (knowledge, skills, and abilities).

ATR 4822 (fmr. APK 4335) AT Clinical Experience II (Spring Semesters 2009 – 2012)
Undergraduate athletic training course, which reviewed and assessed the CAATE competencies and proficiencies (knowledge, skills, and abilities) associated with upper body injury evaluation and therapeutic modality principles.

ATR 4512 (fmr. APK 4302) Athletic Training Administration (Spring Semesters 2009 – 2021)
Undergraduate athletic training course focused on administrative, ethical, and professional practice concerns in the field of AT; addressed CAATE competencies and proficiencies (knowledge, skills, and abilities).

ATR 4212c (fmr. APK 4305c) AT Injury Assessment: Upper (Fall Semesters 2008 – 2019)
Undergraduate athletic training course, which introduced the student to the structure, function, and pathomechanics associated with upper body orthopedic injuries; addressed CAATE competencies and proficiencies (knowledge, skills and abilities).

APK 4315 Topics in Sports Medicine (Fall Semester 2008 – Fall Semester 2009)
Undergraduate athletic training course that introduced the student to the pathology associated with general medical conditions and pharmacological considerations; addressed CAATE competencies and proficiencies (knowledge, skills and abilities).

APK 4330 AT Clinical Experience I (Fall Semester 2008)
Undergraduate athletic training course that addressed the CAATE competencies and proficiencies associated with risk management, prevention, protective equipment, emergency care, and first aid skills.

Nova Southeastern University, Ft. Lauderdale, FL
ATTR 1400: Health & Fitness (Fall and Winter Semesters 2005 – 2008)
Undergraduate athletic training course designed to provide students with the basic concepts of health, such as nutritional issues, physiological concerns, and wellness screening. Students gained an appreciation for lifetime fitness activities and an understanding of how community programs provide necessary health services to the general public.

ATTR 2220: Clinical Experience in Athletic Training II (Winter Semester 2006)
Undergraduate athletic training course focused on field experiences and the application of learned principles from athletic training clinical skills (specifically lower body, gait, and thoracic/lumbar spine evaluation).

ATTR 3230: Clinical Experience in Athletic Training III (Fall Semester 2005)
Undergraduate athletic training course focused on field experiences and the application of learned principles from athletic training clinical skills (specifically upper body, cervical spine, and concussion evaluation).

ATTR 3300: Therapeutic Modalities and Lab (Fall Semester 2006, Winter Semesters 2007, 2008) An undergraduate athletic training course focused on sports therapy physical agents used to treat injuries of the musculoskeletal, neuromuscular, and integumentary systems including, but not limited to cryotherapy, hydrotherapy, electrotherapy, biofeedback, and mechanical therapy.

ATTR 3500: Rehabilitation of Athletic Injuries and Lab (Fall Semesters2005 – 2007, and Winter Semester 2007) An undergraduate athletic training course focused on principles of a comprehensive rehabilitation program; specifically related to design and implementation of a therapeutic program. Students learn to incorporate exercises related to strength, proprioception, and neuromuscular control to achieve sport specific goals and objectives. Students assessed rehabilitation progress and criteria for return to competition.

BIOL 3700: Kinesiology (Fall Semesters 2005, 2006, 2007)
An interdisciplinary course focused on the anatomy, physiology, and biomechanics of the muscle system as it relates to the principles of movement (both normal and impaired movements).

ATTR 4900: Special Topics in Athletic Training "Biomechanics of Human Movement" (Winter Semester 2008)
An interdisciplinary course focused on mechanical considerations and the application of anatomy to human movement and sport skills.

ATTR 4900: Special Topics in Athletic Training "Roman Influence on Medicine and Sport" *Study Abroad Course* (Winter Semester 2007)
An interdisciplinary course that included both lecture material and a weeklong field experience exploring the Italian cities of Rome, Florence, and Naples, dedicated to the study of the Ancient Roman Influences on Medicine and Sport. The course explored the historical influence of Italian culture on medicine and sports from Ancient Roman times and continued through modern day. Students understand the historical significance of sports medicine development and growth since Ancient Roman times, with specific to historical venues of the Gladiatorial games.

ATTR 4900: Special Topics in Athletic Training "Evolution of Sports Medicine" *Study Abroad Course* (Winter Semester 2006)
An interdisciplinary course that included both lecture material and a weeklong field experience exploring the Greek cities of Olympia, Athens, and Marathon, and dedicated to the study of the Ancient and Modern Olympic Games as well as a discussion of the progression of sports medicine.

University of South Carolina, Columbia, SC
PEDU 520: Kinesiology (Fall Semester 2004)
Undergraduate course designed to provide students with athletic training competencies and proficiencies in kinesiology and biomechanics; supported via Blackboard Learning System™.

University of Kentucky, Lexington, KY
KHP 515: Kinesiology & Biomechanics of Human Movement (Summer Semester 2003)
Undergraduate course that provided an interdisciplinary approach to the quantitative and qualitative study of human motion as it relates to basic locomotor and advanced physical movements or skills; supported via Blackboard Learning System™.

Teaching Asst. KHP 515: Kinesiology & Biomechanics of Human Movement (Spring Semester 2003) Assisted the lead faculty with course content specific to upper extremity and trunk anatomy and mechanics, practical laboratory sessions on anthropometrics, and evaluated written assignments and exams.

KHP 695: Laboratory Methods in Athletic Training (Spring Semester 2003)
Graduate Course that provided the Athletic Training students with knowledge and skills using research equipment. Specific content covered: Biodex System 3 Isokinetic Dynamometer and Motion Analysis Three-dimensional motion capture system; supported via Blackboard Learning System™.

Auburn University, Auburn, AL
Teaching Assistant HLHP 4970: Prevention and Care of Athletic Injuries (Fall Semester 2000) Undergraduate course designed to introduce Level I competencies to athletic training students. Assisted the lead faculty with course development, requirements and assignments; wrote and administered competency evaluations for the advanced athletic training students.

University of Florida, Gainesville, FL
Teaching Assistant PET 2622: Prevention &Care of Athletic Injuries Lab (Spring Semester 1998) Assisted a certified AT in the instruction of basic first aid skills, taping, and assessment of the ankle, knee, and shoulder.

DEVELOPMENT OF ATHLETIC TRAINING CLINICAL SERVICES

University of Florida, Gainesville, FL
Military Wellness Clinic
October 2020 – August 2023
Created comprehensive athletic training services program for students participating in the Reserve Officer Training Corps (ROTC) Program, including development of policies and procedures, creation of intake paperwork (participation risk mitigation process), coordination of athletic training service schedule for equity across branches (Army, Navy/Marine Corps, Air Force), securing supplies and equipment, and identifying funding support for the creation of a new Doctor of Athletic Training Resident position.

Dance Wellness Clinic
October 2015 – August 2018
Created comprehensive athletic training services program for students participating in the School of Theatre and Dance (BFA/BA Dance and Musical Theatre) program, including development of policies and procedures, creation of intake paperwork (participation risk mitigation process), creation of injury screening process (and data collection for quality improvement research), procurement of supplies and equipment, and identifying funding support for the creation of a Doctor of Athletic Training Resident position.

ATHLETIC TRAINING CLINICAL EXPERIENCE

University of Florida, Gainesville, FL
Supervising Athletic Trainer – Military Wellness Clinic
January 2021 – present
Primary Responsibilities: provide oversight of and mentorship for the Athletic Trainer(s) providing weekly care services during morning physical training sessions for Air Force, Army, Navy/Marine Corps and/or in the Military Wellness Clinic for students participating in the Reserve Officer Training Corps program. Secondary Responsibilities: assist with development of policies and procedures, provide clinical services (as needed), conduct screening and wellness sessions, coordinate documentation protocols and communication with medical coordinators and student health care center service providers.

Athletic Trainer – Military Wellness Clinic
January 2021 – December 2021
Primary Responsibilities: provide athletic training services during morning physical training sessions for Air Force, Army, Navy/Marine Corps and/or in the Military Wellness Clinic for student participating in the Reserve Officer Training Corps (ROTC) program; communicate with medical directors regarding injury/illness management and therapeutic intervention; maintenance of records.

Supervising Athletic Trainer – Dance Wellness Clinic, School of Theatre and Dance
August 2018 – present
Primary Responsibilities: provide oversight of and mentorship for the Doctoral Resident Athletic Trainer. Secondary Responsibilities: provide clinical services (as needed), assist

with development of policies and procedures, conduct screening and wellness sessions, coordinate documentation protocols and communication with medical coordinator and student health care center service providers.

Athletic Trainer – Dance Wellness Clinic, School of Theatre and Dance
January 2016 – February 2017
Primary Responsibilities: provide athletic training services in the Dance Wellness Clinic for dance and theatre majors/minors participating in classes at the Nadine McGuire Dance Pavilion; communicate with medical director (Dr. G. Nicolette) regarding injury/illness management and therapeutic intervention; maintenance of records.

University of South Carolina, Columbia, SC
Assistant Athletic Trainer Women's Basketball, Golf and Tennis
June 2004-July 2005
Primary Responsibilities: Women's Basketball: Implemented preventative treatments, developed rehabilitation protocols, performed evaluations of various athletic injuries, provided treatment and rehabilitation exercise instruction for the athletes, maintained medical record information for daily treatments and rehabilitation sessions, and provided athletic training Services for practices and games. Secondary Responsibilities: Supervision of a graduate assistant athletic trainer in charge of Men's and Women's Golf and Tennis. Traveled with women's tennis to NCAA tournament, provided athletic training services during events (practice and match), daily treatments, and post-season rehabilitation.

University of Kentucky, Lexington, KY
Customer Service Representative for DJ Ortho/Orthopedic Solutions
August 2001-May 2004
Responsibilities: Maintained the office care account at UK Kentucky Clinic/Sports Physical Therapy and measured functional de-rotational braces for ACL-R patients.

Joyner Sports Medicine Institute, Lexington, KY
Rehabilitation Technician
January 2002-December 2003
Responsibilities: Assisted physical therapists with patient care; including application of therapeutic modalities and instruction and progression of rehabilitation exercises.

Auburn University, Auburn, AL
Athletic Trainer for Women's Gymnastics
August 1999-May 2001
Primary Responsibilities: Implemented preventative treatments, developed rehabilitation protocols, performed evaluations of various athletic injuries, provided treatment and rehabilitation exercise instruction for the athletes, maintained medical record information for daily treatments and rehabilitation sessions, and provided athletic training services for practices and competitions. Secondary Responsibilities: Assistant Athletic Trainer Preseason Football Camp; Host Athletic Trainer Cross-Country Meets; Host Athletic Trainer for Men's NCAA Golf Tournament 2000; Outreach Athletic Training services for area high schools.

West Babylon Senior High School, Long Island, NY
Assistant Athletic Trainer
January 1999-May 1999
Responsibilities: Implementation of treatments, performed evaluations of various athletic injuries and administered basic first aid treatment. Provided athletic training services for varsity and junior varsity boys' lacrosse, softball, and baseball.

CW Post College, Brookville, NY
Intern Athletic Trainer for Football
August 1998-December 1998
Responsibilities: Implementation of treatments, developed rehabilitation protocols, performed evaluations of various athletic injuries, provided treatment and rehabilitation exercise instruction for athletes, maintained medical records for daily treatments and rehabilitation sessions, and provided athletic training services for practices and games.

(Student Name in Italics)

University of Florida, Gainesville, FL
Foot Pain in a Collegiate Distance Runner
Bischoff, M, Farmer, KW, Greenberg, S, Klock, A, Lawrence, Y, Settle, H, **Tripp PM**
University of Florida, Dept. Applied Physiology & Kinesiology (APK) Honor's Thesis Project – *Summa Cum Laude* (Advisor)

University of Florida, Gainesville, FL
Shin Pain in a Division I Collegiate Volleyball Player
Mammana, B, Vereb, R, Hagan, J, Moser, M, Tillman, S, Ake, H, **Tripp PM**
University of Florida, Dept. APK Honor's Thesis Project – *Summa Cum Laude* (Advisor)

University of Florida, Gainesville, FL
Anterolateral Ligament Reconstruction in a Collegiate Lacrosse Athlete
Routman, C, Stitch, T, Zippieri, G, Moser, M, **Tripp PM**
University of Florida, Dept. APK Honor's Thesis Project – *Summa Cum Laude* (Advisor)

University of Florida, Gainesville, FL
Incidence and Effects of Hip Pathology in Ballet Dancers
Minter, R, Singer, A, **Tripp PM**
University of Florida, School of Theatre and Dance Honor's Thesis Project – *Summa Cum Laude* (Advisor)

University of Florida, Gainesville, FL
Acute Renal Failure Secondary to Dehydration in a High School Football Player
Kacer, TV, Hunt, N, Merchant, M, Zaremski, JL, **Tripp PM**
Poster Presentation, 2019 SEATA Student Symposium, Atlanta, GA

University of Florida, Gainesville, FL
Hip Pain in a Collegiate Gymnast
Adams, AC, Fleming, KB, **Tripp PM**
Podium Presentation, 2017 SEATA Student Symposium, Atlanta, GA
University of Florida, Dept. APK Honor's Thesis Project – *Magna Cum Laude* (Advisor)

University of Florida, Gainesville, FL
Knee Pain in a Collegiate Wide Receiver
Kruithof, E, Thomas, SA, **Tripp PM**
Podium Presentation, 2017 SEATA Student Symposium, Atlanta, GA
University of Florida, Dept. APK Honor's Thesis Project – *Magna Cum Laude* (Advisor)

University of Florida, Gainesville, FL
Axillary Hidradenitis Suppurativa in a Female Collegiate Basketball Player
Porter, AC, Andrews, CN, **Tripp PM**
Podium Presentation, 2012 SEATA Student Symposium, Atlanta, GA
University of Florida Honor's Thesis Project – *Magna Cum Laude* (Advisor)

Surgical Complication Resulting from Femoroacetabular Impingement in a Collegiate Baseball Pitcher
McComb, IR, Barrett, JJ, **Tripp PM**
Podium Presentation, 2012 SEATA Student Symposium, Atlanta, GA

Arteriovenous Malformation in a Collegiate Football Player
Ornella, AJ, Thomas, SA, **Tripp PM**
Podium Presentation, 2012 SEATA Student Symposium, Atlanta, GA
University of Florida, Dept. APK Honor's Thesis Project – *Magna Cum Laude* (Advisor)

Proximal and Distal Tibiofibular Articulation Injury in a Collegiate Football Quarterback
Solger, EA, Schweim, JJ, **Tripp PM**
Podium Presentation, 2012 SEATA Student Symposium, Atlanta, GA
University of Florida, Dept. APK Honor's Thesis Project – *Magna Cum Laude* (Advisor)

Shoulder Denervation of the Axillary and Suprascapular Nerves in a Division I Volleyball Player
Sturm, JL, Vereb, RA, **Tripp PM**
Podium Presentation, 2012 SEATA Student Symposium, Atlanta, GA

Skull Fracture in a Collegiate Baseball Player
Hubbard, MK, Barrett, JJ, **Tripp PM**
Poster Presentation, 2012 SEATA Student Symposium, Atlanta, GA

Ulnar Collateral Ligament Injury Rehabilitation: A Systematic Review
Hale, J, **Tripp, PM**
University of Florida, Dept. APK Honor's Thesis Project – *Magna Cum Laude* (Advisor)

Chronic Posterior Ankle Pain in a Collegiate Football Athlete
McDaniel, A, Pass, AN, **Tripp PM**
Poster Presentation, 2011 SEATA Student Symposium, Atlanta, GA

Thrombocytosis Secondary to a Septic Shoulder with a Partial Rotator Cuff Tear in a Freshman Collegiate Linebacker
Gomez, V, Schweim, JJ, **Tripp PM**
University of Florida, Dept. APK Honor's Thesis Project – *Magna Cum Laude* (Advisor)

A Wrist Injury in a Collegiate Football Athlete
Serra, RV, Pass, AN, **Tripp PM**
Poster Presentation, 2011 SEATA Athletic Training Student Symposium, Atlanta, GA
University of Florida, Dept. APK Honor's Thesis Project – *Magna Cum Laude* (Advisor)

A Thigh Injury in a Collegiate Football Athlete
Green, C, Pass, AN, **Tripp PM**
Poster Presentation, 2011 SEATA Athletic Training Student Symposium, Atlanta, GA

Foot Pain in a High School Football Athlete
Kaminer, C, Tamberrino, K, **Tripp PM**
Poster Presentation, 2011 SEATA Athletic Training Student Symposium, Atlanta, GA

A Cardiac Condition in a Collegiate Football Athlete
Jean-Baptiste, Y, Pass, AN, **Tripp PM**
Podium and Poster Presentation, 2011 SEATA Athletic Training Student Symposium, Atlanta, GA

Non-Contact Knee Injury in a Collegiate Football Athlete: A Case Report
Schock, CS, Pass, AN, **Tripp, PM**
Podium and Poster Presentation, 2010 SEATA Athletic Training Student Symposium, Atlanta, GA

A Unique Fourth Finger Injury in a Male Collegiate Football Athlete: A Case Report
Holton, SE, Pass, AN, **Tripp, PM**
Podium and Poster Presentation, 2010 SEATA Athletic Training Student Symposium, Atlanta, GA

Valgus Extension Overload Injury in a Collegiate Division I Softball Pitcher: A Case Report
Rosen, MJ, King, EC, **Tripp, PM**
Podium and Poster Presentation, 2010 SEATA Athletic Training Student Symposium, Atlanta, GA
University of Florida, Dept. APK Honor's Thesis Project – *Magna Cum Laude* (Advisor)

Chronic Groin Pain in a Collegiate Male Football Running Back: A Case Report
Whale, CE, Pass, AN, **Tripp, PM**
Poster Presentation, 2010 SEATA Athletic Training Student Symposium, Atlanta, GA

Effects of Systemic Fatigue on Lower Extremity Functional Assessment Tasks
Struminger, A, **Tripp, PM**
University of Florida, Dept. APK Honor's Thesis Project – *Summa Cum Laude* (Advisor)

Superior Sternoclavicular Joint Dislocation in a High School Athlete: A Case Review
Maseda, NH, Clark, JL, **Tripp, PM**
Podium Presentation, 2009 SEATA Athletic Training Student Symposium, Atlanta, GA
University of Florida, Dept. APK Honor's Thesis Project – *Magna Cum Laude* (Advisor)

Nova Southeastern University, Ft. Lauderdale, FL
Os Trigonum Syndrome in a High School Football Player
Blackman TL, Weber M, Patterson SJ, **McGinn PA**
Podium Presentation, 2008 NSU Research Symposium, Ft. Lauderdale, FL

The Correlation Between the SEBT, Lower Body Strength, and Flexibility
Capone KA, **McGinn PA**
Independent Research Project (August 2007-May 2008)

Abnormal Presentation of a Flexor Carpi Ulnaris Strain in a Female Collegiate Rower
Dobb, PR, **McGinn PA**
Poster Presentation, 2007 SEATA Athletic Training Student Symposium, Atlanta, GA
Oral Presentation, 2007 NSU Research Symposium, Ft. Lauderdale, FL

Methicillin Resistant *Staphylococcus aureus* Prevalence, Awareness and Prevention in the Athletic Setting
Foisy D, **McGinn PA**, Swann E
Nova Southeastern University, Dept. Math, Science, and Technology Honor's Thesis Project (Co-Advisor)
Podium Presentation, 2007 NSU Research Symposium, Ft. Lauderdale, FL

GRADUATE/POST-PROFESSIONAL MENTORED RESEARCH

(Student Name in Italics)

Member, University of South Florida Master's Thesis Committee (September 2020 – April 2021)
Portlock, Tessa, Hall, EA, Lopez, R, **Tripp, PM** Is Neck Strengthening a Valuable Prevention Method for Concussions in Youth Athletes? A Critically Appraised Topic

Member, University of Florida Dissertation Committee (February 2016 – August 2018)
Stone, Amanda, Vaillancourt, D, Hass, CJ, **Tripp, PM**

Member, Indiana State University Master's Thesis Committee (May 2015 – May 2016)
Harrison J, Eberman LE, Games KG, **Tripp PM**, Valdez D. Clinical Education Preparation of Athletic Training/Therapists in Countries Within the Mutual Recognition Agreement.

Member, Indiana State University Master's Thesis Committee (May 2015 – May 2016)
Yorgey M, Eberman LE, Games KG, **Tripp PM**. Professional Requirements for Sports Medicine Professionals in South and Central America.

Member, University of Florida Dissertation Committee (December 2014 – May 2017)
Lee, Hyokeun, Janelle, CJ, Bishop, M, Hass, CJ, **Tripp, PM**

Member, University of Arkansas Thesis Committee (April 2010 – May 2012)
Whale, CE, Oliver, GD, **Tripp, PM**. The correlation between hip abductor strength and functional performance in Division I female collegiate soccer athletes.

EXTERNALLY FUNDED RESEARCH EXPERIENCES

Comparison of Traditional and Abbreviated Tennis Serves funded by the United States Tennis Association
Research Assistant October 2002 – May 2004
Responsibilities: data collection, participant instrumentation and data analysis, specifically the kinematics and kinetics of the trunk and upper extremity, and the electromyography activity of the shoulder girdle during the six phases of a tennis serve.

Hamstring Strength Training Project funded by the Hygienic Corporation
Principle Investigator January 2003 – August 2003
Product grant for $650 of Theraband® Resistance bands. Served as principal investigator, developed strength training protocols, recruited subjects, collected, and analyzed isokinetic strength variables collected using the Biodex System 3 Isokinetic Dynamometer.

SERVICE/COMMITTEE EXPERIENCE

International Level
Member, International Committee, National Athletic Trainers' Association (June 2012 – June 2016)
Strategic Planning Sub-Committee (June 2014 – June 2015)
International Education Sub-Committee (June 2012 – June 2016)
Liaison for 2015 Canadian Athletic Therapy Association Symposium (Halifax, Nova Scotia) [included travel to Halifax for the meeting]
Attended meetings (concurrent with NATA annual symposium and Joint Committee Day) and participated in conference calls to fulfill the mission of the committee (e.g., establish global network of healthcare colleagues and enhance domains of AT across the globe)

National Level
Co-Chair Educational Resources Committee, National Athletic Trainers' Association Research & Education Foundation
June 2015 – June 2020
Coordinated 11-member committee to achieve two primary goals: produce and promote educational resources for members or donors. Content focused on position statements and former building blocks. Production of materials includes storyboard videos, information graphics and NATA News articles. Team members provided content, with the entire committee providing oversight and review prior to NATA Foundation board approval for release/distribution. The mission of the NATA Foundation Educational Resources Committee is to provide educational resources to athletic trainers, which will enhance and/or optimize evidence-based clinical practice. The Educational Resources Committee developed and/or collaborated on the development of resources that incorporate applied knowledge for Athletic Trainers. We generated revenue for the NATA Foundation as part of a collaboration with the NATA Knowledge Initiatives Professional Development Center – the only committee within the NATA Foundation to generate funds.

NATA's Executive Committee on Education Liaison, National Athletic Trainers' Association Research & Education Foundation
January 2018 – October 2018
Participated in monthly conference calls and biannual in-person meetings. Primary expectation is to communicate information from the committee to the NATA Foundation Board. The secondary expectation was to ensure consideration of the strategic vision of the NATA Foundation (and associated goals) when the committee makes decisions and/or sets the educational agenda within athletic training.

District IX Chair, National Athletic Trainers' Association Research and Education Foundation Board of Directors (June 2012 – June 2018)
Served as the Southeast Athletic Trainers' Association Representative within the NATA Foundation; advanced the philanthropic mission of the strategic alliance partner through advocacy. Attended monthly meetings and supported strategic planning.

Regional Level

President, Southeast Athletic Trainers' Association (District 9 of the National Athletic Trainers' Association)
(June 2024 – present)
Launched a new Strategic Plan, revamped the infrastructure of the organization (new committees, task force teams), updated governance documents, revamped the website (external branding), coordinated a fiscally sound annual clinical symposium, and facilitated a balanced operational budget with the support of the executive board, finance committee, and symposium oversight committee team members.

Board of Directors, President of Florida, Southeast Athletic Trainers' Association (District 9 of the National Athletic Trainers' Association)
(January 2021 – December 2023)
Support the mission of the Southeast Athletic Trainers' Association and represent the interests of Florida during monthly board meetings.

Finance Committee Member (January 2022 – December 2023)
Liaison with Career Advancement Committee and History & Archives Committee (August 2021 – December 2023)

Co-Chair, Southeast Athletic Trainers' Association Student Symposium Committee [Foundations Section]
(April 2014 – August 2022)

Laboratory Director, Southeast Athletic Trainers' Association Student Symposium Committee
(August 2011 – April 2014)

Faculty, Southeast Athletic Trainers' Association Athletic Training Student Symposium
(February 2008 – present)

Discussant, 2012 Southeast Athletic Trainers' Association Athletic Training Student Symposium Round Table for Graduate School

Member, Southeast Athletic Trainers' Association Educator's Conference Research Review Committee (2005)

State Level

President, Athletic Trainers' Association of Florida (January 2021 – December 2023)
Served on executive committee to support mission of the organization; coordinated logistics (Cvent development and registration process) and planning (worked with conference coordinator and hotel event manager) for the annual symposium (Chair, Symposium Oversight Committee), served as Board of Certification (BOC) Approved Provider Co-Coordinator (completed and submitted annual report documentation), led strategic initiatives (ATAF Matrix), reformed infrastructure (e.g., policies & procedures), updated existing regulation (e.g., ByLaws, and Constitution), and accountability for projects. Liaised with Legislative Affairs and Secondary School Task Force teams to improve recognition of athletic trainers and worked to support athletic training practice (Board of Athletic Training regulation) updates. Coordinated ATAF's Legislative Bootcamp and Third-Party Reimbursement (TPR) Bootcamp with NATA liaisons, outlined projects and goals for TPR initiatives in Florida and presented to insurance entity about athletic trainers, established a task force for TPRI and Physician Practice setting to educate stakeholders about the skillset and qualifications of Athletic Trainers. Collaborated with Florida High School Athletic Association (FHSAA) Sports Medicine Advisory Committee to update sport safety policies in alignment with Korey Stringer Institute High School Sport Safety rubric. Cultivated marketing relationships with external associations (e.g., Florida Sports Hall of Fame, FHSAA) and partnerships in support of ATAF's annual symposium.

Vice President, Athletic Trainers' Association of Florida (January 2015 – December 2020)
Serve on executive committee to support mission of the organization; coordinate logistics and planning for the annual symposium, serve as Board of Certification (BOC) Approved Provider Co-Coordinator, drafted BOC Approved Provider Policy & Procedure Manual, submit Annual Report for BOC Approved Provider status and executive committee liaison for the Education Planning Committee. Co-leader of Strategic Planning (2018) – defined core values, updated vision, and mission statements for organization.

Discipline Coordinator, Athletic Training (ATR) for State of Florida
(September 2010 – present)
Assisted Florida Board of Education with creation of Athletic Training Taxonomy and serve as liaison for all State of Florida University System Schools. Review new curriculum and assign course numbers for all ATR courses offered within the Statewide Course Numbering System.

Co – Chair, Athletic Trainers' Association of Florida, Educational Programming Planning Committee (June 2012 – July 2014)
Coordinated speakers and continuing education programming for Clinical Symposiums

Member, Athletic Trainers' Association of Florida, Educational Programming Planning Committee (September 2009 – June 2012)
Assisted chair with coordinating and recruiting speakers

Reviewer, Florida International University Research Conference
Reviewed research submissions for 2007, 5th Annual College of Education Research Conference: Section on Allied Health Professions, Miami, Florida

Reviewer, Florida International University Research Conference
Reviewed research submissions for 2006, 4th Annual College of Education Research Conference: Section on Allied Health Professions, Miami, Florida

University/College/Department Level
University of Florida, Gainesville, FL
Member, College of Health and Human Performance Teacher and Advisor of the Year Committee (October 2021 – January 2022)

Member, Professional Curriculum Committee Task Force (July 2020 – August 2022)

Member, Doctor of Athletic Training Admissions, Curriculum, Scholarship, and Assessment Committee (July 2019 – present)

Member, Doctor of Athletic Training Steering Committee (July 2019 – present)

Developer, Qualtrics Admission Process for Doctor of Athletic Training Program (July 2019 – March 2020)

Coordinator, University of Florida Doctor of Athletic Training Program Admission Process with CollegeNet (May 2020 – present)

Doctor of Athletic Training Concentration Oversight Committees (July 2019 – present)
Member, DAT – Sport Performance Concentration
Member, DAT – Manual Therapy Concentration
Chair, DAT – Teaching & Leadership Concentration

Chair, Doctor of Athletic Training Program Advisory Committee, Department of Applied Physiology & Kinesiology (September 2016 – June 2019)
The committee is an interdisciplinary team (7 members), charged with oversight and development of the new Doctor of Athletic Training degree program. Duties: prep meeting agenda, coordinate assigned tasks, update documents, oversee communication and ensure timeline for completion or submission of materials.

Chair, Athletic Training Faculty Clinical Education Coordinator Search Committee, Department of Applied Physiology & Kinesiology (October 2014 – March 2016)

Chair, Athletic Training Lecturer 9-month Temporary Appointment Search Committee (May 2015 – August 2015)

Faculty Advisor, Athletic Training Student Club (SATO) (August 2014 – June 2017)

Member, Department of Applied Physiology & Kinesiology Tenure and Promotion Committee (September 2013 – present)

Member, College of Health & Human Performance Assessment Committee (August 2014 – present)

Member, College of Health & Human Performance Graduate Faculty (August 2013 – present)

Member, College of Health and Human Performance Southern Alliance of Colleges and Schools (SACS) Accreditation Task Force (August 2012 – May 2014)
Prepared assessment plans and reported data for Athletic Training Program

Member, College of Health and Human Performance Academic Affairs Associate Director Search Committee (November 2011 – February 2012)

Chair, Department of Applied Physiology and Kinesiology Clinical Faculty Promotion Guidelines Ad-Hoc Committee (August 2011 – May 2012)
[Promotion guidelines approved and adopted by Department and College of Health and Human Performance effective May 2012]

Chair, Athletic Training Education Program CAATE Self-Study and Re-Accreditation Committee (June 2010 – June 2012)
Directed and prepared self-study documentation (~1400 pages) for CAATE self-study, coordinated on-site visit review and document preparation (~250 pages), and completed annual program submission requirements *[Awarded maximum 10-year re-accreditation award in February 2012]*

Coordinator, University of Florida Athletic Training Alumni Events at the National Athletic Trainers' Association Clinical Symposium (August 2009 – present)

Chair, Department of Applied Physiology and Kinesiology Grade Appeals/Petitions Committee (August 2009 – May 2013)

Coordinator, Preceptor (formerly Approved Clinical Instructor) Training Program (August 2009 – December 2020)
Maintained compliance with Commission on Accreditation of Athletic Training Education and Board of Certification requirements for training using e-learning platforms.

Coordinator, Department of Applied Physiology & Kinesiology Approved Provider Courses for Board of Certification (August 2009 – present)
Maintained required documents for all AT continuing education programs offered through the Department of Applied Physiology & Kinesiology
Spring 2013 Featured BOC Approved Provider "Spotlight" in a Publication from the BOC AP Update E-Publication

Coordinator, Athletic Training Bloodborne Pathogens Training (August 2009 – December 2016)
Coordinated annual course program and certificate documentation for pre-AT, AT and Graduate AT students in the Department of Applied Physiology & Kinesiology

Member, Dr. Shaara Memorial Scholarship Committee, University Athletic Association, Inc. (November 2008 – May 2015)

Member, Department of Applied Physiology and Kinesiology Undergraduate Curriculum Committee (September 2008 – August 2022)

Chair, Bachelor of Science in Athletic Training Program Steering Committee (August 2008 – August 2021)
The committee oversaw the following tasks as it related to the Professional level AT Program: 1) Review applications for admission to the AT Program and make recommendations for admission, 2) Conduct AT Program admission interviews, 3) Review AT student disciplinary violations (professionalism, academic, etc.), 4) Provide remediation and/or recommendations for unsatisfactory academic achievement, 5) Provide remediation

and/or removal recommendations for AT students' violating program, clinical site, and/or professional conduct policies, 6) Review professional level program evaluations and provide recommendations to the AT Program Director and Clinical Coordinator regarding AT Program revisions, 7) Provide a summary to the Department and/or College Administration of the program evaluations/outcomes including any recommendation for AT Program improvements.

Member, Chris Patrick Scholarship Committee, University Athletic Association, Inc. (August 2008 – May 2015)

Designer, Athletic Training Professional Knowledge Record Book (August 2008 – May 2021) *(Revised for 5th edition August 2011 and June 2012)*

Member, Undergraduate Task Force, College of Health and Human Performance Committee (October 2009 – May 2010)

Member, Department of Applied Physiology and Kinesiology Faculty Search Committee (Lecturer Position) (August 2009)

Member, Department of Applied Physiology and Kinesiology Grade Appeal/Petitions Committee (September 2008 – May 2009)

Member, College of Health and Human Performance Study Abroad Ad-Hoc Committee (September 2008 – December 2008)

Nova Southeastern University, Ft. Lauderdale, FL
Clinical Education Coordinator (January 2006 – June 2008)
Responsibilities: Conducted Annual Approved Clinical Instructor (ACI) Training and Updates, Student Orientation at Level II Professional Phase, Maintenance of Athletic Training Education Program records (i.e., ACI Paperwork required by CAATE, ACI and Student Evaluations, Calibrations, Site Visitations, H2.2 Database Management, etc.), Assignment of Clinical Educational Experiences, and Documentation for "Learning over time". *Stipend position (August 2007 – June 2008)*

Coordinator, New Affiliated Clinical Site Agreements
McGinn PA (2007 – 2008) Cleveland Clinic Florida, Weston, FL, | Memorial West Hospital, Pembroke Pines, FL | Accelerated Rehabilitation, Inc, Ft. Lauderdale, FL | Accelerated Rehabilitation, Inc, Plantation, FL | Western High School, Davie, FL
Recruitment and training of the Approved Clinical Instructors, along with securing administration and legal approval from both Nova Southeastern University and the Affiliated Site

University of Kentucky, Lexington, KY
Editor, Musculoskeletal Laboratory Manual (November 2002 – May 2004)

Auburn University, Auburn, AL
Coordinator, In-Services/Continuing Education (September 2000-May 2001)

COMMUNITY SERVICE AND EVENTS

Briefing Presentation – Marine Corps Base Quantico (April 9, 2026)
Traveled to Marine Corps Base (MCB) Quantico in Virginia, provided a briefing for the branch lead and area program managers with Warrior Athlete Readiness and Resilience (WARR) and the lead for Training Education Command (TECOMM). Discussed the Doctor of Athletic Training Program at the University of Florida qualifications (ongoing hiring plan within the USMC to hire over 60 ATs in the next 2 years), highlighted programs in the Department of Applied Physiology & Kinesiology that would prepare graduates for employment within Human Performance positions under the WARR umbrella. Met with alumnus working at The Basic School on MCB Quantico.

Briefing Presentation – Ft. Eustis, Virgina (April 10, 2026)
Traveled to Ft. Eustis in Virginia, provided a brief for the area leads within Army Holistic Health & Fitness (H2F). Discussed the Doctor of Athletic Training Program at the University of Florida qualifications (ongoing hiring plan within the Army H2F to hire over 300 ATs in the next 3 years), highlighted programs in the Department of Applied Physiology & Kinesiology that would prepare graduates for employment within Human Performance positions under the H2F umbrella.

Guest Speaker – DAE 4300 Dance Teaching (September 23, 2021) and **Dance Master Class** (February 4, 2022, February 3, 2023) [Part of Contemporary Dance Practice courses]

Dance and Military Wellness Screening – Functional Movement and Flexibility Screening Event (September 12 and 19, 2021; September 18, 2022)
Assisted with movement screening/assessment for the students within ROTC (Navy/Marines, Air Force, Army) and School of Theatre and Dance (BFA and BA)

Dance Wellness Screening – Functional Movement and Flexibility Screening Event (September 15, 2019)
Assisted with paperwork development and check-in for the University of Florida School of Theatre and Dance majors (67 BA and BFA students)

Coordinator – Preventing Sudden Death in the Realm of Heat Stroke Seminar and Panel Discussion (February 22, 2019)
Organized continuing education seminar for athletic trainers, physicians and affiliate healthcare professionals/students (including marketing, invitation, promotion and associated sponsorships) presented by Dr. Doug Casa and Korey Stringer Institute, which included a panel discussion moderated by Mike Ryan (ABC Sports) with Dr. Doug Casa from the Korey Stringer Institute, Laurie Giordano from the Zach Martin Foundation and Courtney Shrogran from the William Shrogran, Jr. Foundation (attendance ~170 people).

Guest Speaker – Internship Experience at PK Yonge Developmental Research School (December 5, 2018)
Provided overview of athletic training and healthcare professions as a career option and educational pathways for students interested in healthcare (12 high school students)

Dance Wellness Screening – Functional Movement and Flexibility Screening Event (September 16, 2018)
Organized, conducted screening, and assisted with paperwork development for the University of Florida School of Theatre and Dance majors (85 BA and BFA students)

Guest Speaker – DAN 4180 Dance Professional Development (April 8, 2018)
Provided overall wellness and athletic training services overview for University of Florida School of Theatre and Dance majors (20 BA and BFA students)

Coordinator – National Athletic Training Month Gainesville High School Health Professions Academy Event (March 23, 2018)
Organized, presented, and distributed information to the Health Professions Academy students at Gainesville High School. Supervised a group of AT students (4) during the event, provided a brief overview of AT, discussed the importance of NATM, distributed the NATM marketing posters, conducted a mini-lab experience with the health professions academy students (shin and arch taping) and distributed an informational pamphlet on the taping process and injury prevention role of ATs.

Coordinator – National Athletic Training Month Gainesville High School Health Professions Academy Event (March 14, 2017)
Given the integrated role our AT students and GA-ATs play in the local community to provide healthcare services throughout Alachua County and beyond, we felt reaching out to the Health Professions Academy at Gainesville High School (125 students) would be a good start to provide education and awareness of our profession (not currently covered within the academy/magnet's curriculum). A group of AT students (5-7) went to campus and provided a brief overview of AT (Prezi presentation), discussed the importance of NATM, distributed the NATM marketing posters, conducted a mini-lab experience with the health professions academy students (ankle taping) and distributed an informational pamphlet on the taping process and injury prevention role of ATs.

Be the Match Orange and Blue Challenge (April 8, 2016)
As part of the SEC challenge with University of Alabama, University of South Carolina, and Louisiana State University – coordinated (along with SHCC marketing C. Seemann and AT students) the bone marrow donation event.

Coordinator and Presenter – Student Leadership Luncheon (October 24, 2014)
Organized athletic training student leadership luncheon for 8 athletic training programs in the State of Florida; hosted NATA President, James Thornton, NATA Vice President, Dr. MaryBeth Horodyski, Northeast Regional ATAF Representative, Mr. John Barrett and presented NATA Research & Education Foundation information (attendance ~150 people).

Coordinator – Athletic Training Booth/Session, Health Career Explorations Day at Camp Kalaqua, High Springs, FL (May 19, 2011)
Organized athletic training students and assisted with marketing booth and presentation/lab experience for athletic training profession and University of Florida athletic training education program.

Presenter, Alachua County Athletic Directors Meeting (August 18, 2010)
Presented information regarding Athletic Training Education Program policies and procedures to ensure proper communication between approved sites and the program.

Presenter, Alachua County Nurses Meeting (August 19, 2010)
Presented information regarding basic sports injuries and immediate care.

Coordinator, Clinical Sports Medicine Seminar (May 8, 2010)
Organized event, recruited speakers, secured sponsorship funding, managed marketing and promotion (Gainesville, FL)

Lab Coordinator, Annual University High School Workshop (*fmr. Pine Ridge High School*)
(February 2009 – 2014) University of Florida Marketing and Promotion and Student Engagement; Topics – Splinting Elbow and Knee Injuries, Ankle/Foot and Toe Taping, Initial Management of Glenohumeral Joint Dislocations, Neck and Back Stretching
2014 University High School Student Workshop (Orange City, FL)
2013 University High School Student Workshop (Orange City, FL)
2012 University High School Student Workshop (Orange City, FL)
2011 University High School Student Workshop (Orange City, FL)
2010 Pine Ridge High School Student Workshop (Deltona, FL)

Coordinator, University of Florida Bachelor of Science in Athletic Training Program National Athletic Training Month Events (March 2007 – March 2020)
2017 Best Student Effort Honorable Mention – *National Athletic Trainers' Assoc. News, July 2017*
2015 Best Student Effort Honorable Mention – *National Athletic Trainers' Assoc. News, July 2015*
2014 Best Student Effort Honorable Mention – *National Athletic Trainers' Assoc. News, July 2014*
2012 Best Student Effort Honorable Mention – *National Athletic Trainers' Assoc. News, July 2012*
2011 Best Student Effort Honorable Mention – *National Athletic Trainers' Assoc. News, July 2011*

Volunteer Athletic Trainer, University Athletic Association, Inc. - University of Florida (August 2008 – present)
Spring Football Season pre-practice taping (March – April 2012)
Gymnastics Meets vs. Kentucky and Penn State (January 2011)
NCAA Gymnastics Regional's (April 2010, April 2024)
Women's Gymnastics Quad Meet Host for Michigan State University (January 2025)
Pepsi Florida Relays Track and Field Event (April 2009 – April 2012, April 2024, April 2025)
